## Little Face And Other Stories:

*The Small Faces & Other Stories* Roland Schmitt, 2011-08-01 The Small Faces Other Stories is a trip back in time charting the rise and fall of one of the Sixties most energetic and successful bands It is the extraordinary story of how this bold four piece led by mercurial cockney Steve Marriot found fame and then splintered by the end of the decade to evolve into Humble Pie with Peter Frampton and the Faces fronted by Rod Stewart Along the way their trademark songs Itchycoo Park All or Nothing Stay With Me and Baby I Love Your Way would influence future generations of musicians such as Paul Weller Ocean Colour Scene and Blur By way of anecdote interview and analysis Uli Twelker and Roland Schmitt lift the lid on the bands complex histories and the explosive characters involved that built one of rock music s most enduring and successful family trees

Poor Folk and Other Stories Fyodor Dostoyevsky, 1988-11-24 With their penetrating psychological insight and their emphasis on human dignity respect and forgiveness Dostoyevsky s early short stories contain the seeds of the themes that came to his major novels Poor Folk the author s first great literary triumph is the story of a tragic relationship between an impoverished copy clerk and a young seamstress told through their passionate letters to each other In The Landlady Dostoyevsky portrays a dreamer hero who is captivated by a curious couple and becomes their lodger Mr Prokharchin inspired by a true story is a sly comedy centring on an eccentric miser and Polzunkov is a powerful character sketch which in common with the other tales in this volume questions the very nature of existence

through the genre cracks or simply didn't make it into my other collections either due to content length or availability at the time I was assembling those other collections I've done a couple of western stories and some undefined things which cover multiple genres and some poetry which didn't fit in my other collections either there's even a short non-fiction piece about my beloved late cat Bruiser the same cat featured in my novel *The Amulet* as well as a chapter from an outlined but never written Ewerton novel *A R Morlan* from the Introduction      **Danger! and Other Stories** Arthur Conan Doyle, 2017-11-21  
The title story of this volume was written about eighteen months before the outbreak of the war and was intended to direct public attention to the great danger which threatened their country.
