Little Girl Who Lives Down The Lane:

The Little Girl who Lives Down the Lane Laird Koenig, 1997 THE STORY There is something peculiar about Rynn Jacobs the thirteen year old little English girl who lives down that lonely lane with a father no one ever sees She looks innocent enough but there is something unnatural in her composure and w Erotic Innocence James Russell Kincaid, 1998 Explores the current preoccupation with child molesting and children s sexuality and the ways that this degree of fascination is itself suspect **Cinema Detours** Mike White, 2013-04-27 Cinema Detours is a collection of two hundred and twenty movie reviews written over a period of six years and published in a miscellany of media including Detour Magazine Detroit s Metro Times Mondo Film Video Guide Wild Side Cinema Daily Grindhouse and more These reviews have been collected to preserve them in an archival physical form to rescue them from the ephemeral nature of the net Films in this collection are mostly off the beaten path representing genres all over the map Cult Horror Sci Fi Film Festival Flicks Action Films Superhero Movies and even a Czechoslovakian Musical Western Get in strap in shut up and hold on as we take a breakneck tour of the lesser traveled reaches of the cinematic landscape Tighten your seat belt and read carefully because everything happens fast You ve never had a trip like this before *Desexualization in American Life* Charles Winick, 2018-10-08 Originally published as *The New People* this classic volume examines the great changes in popular culture that unfolded in the 1960s with major steps toward political racial gender and social empowerment The popular culture of the time expressed a series of themes that have become if not more significant then certainly more visible in the 1990s We are now entering the third generation of Americans who are living out the themes that are traced in this book The author sees a depolarization a neutering in content and key people in the popular arts Some of these trends result from technological changes and others reflect what is happening in the psychosocial interior of the family as well as larger economic movements Winick believes that in such wide ranging features of our society as sports furniture and architecture the expression of an epoch can be identified Clothing conveys the imbalance and ambiguity that reflect larger social forces and that have been identified more recently by Jacques Lacan as so important in modern life *Desexualization in American Life* is remarkably prescient and accurate in identifying key trends that affect us today and will continue to do so for the remainder of the decade *Leonard Maltin's 2009 Movie Guide* Leonard Maltin, Luke Sader, Mike Clark, 2008 Offers readers a comprehensive reference to the world of film including more than ten thousand DVD titles along with information on performers ratings running times plots and helpful features **New American Teenagers** Barbara Jane Brickman, 2014-03-27 The author challenges the neglect of the 1970s in studies on teen film and youth culture by locating a number of subversive and critical narratives **The Complete Care of Baby Animals** C. The Dramatic Legacy of Dorothy Davis and Violet Walters Muriel Gold C.M. Ph.D., 2010-10-11 It was 1933 in the midst of the Great Depression Montrealers like their counterparts in other countries were inundated with financial burdens Uppermost in most parents minds was the task of supporting their families Dance lessons music lessons drama lessons were considered in many quarters as frills This pervasive mood did not daunt two young women Dorothy Davis and Violet Walters from initiating their mission Instead it spurred them on Difficult times they believed were all the more reason to inspire children through the love of the arts in this case drama and theatre Muriel Gold tells the story of these two dynamic women through innumerable anecdotes often hilarious sometimes moving but always a compelling and fascinating read A former student and teacher at the School she

recreates the magic of past childrens theatre productions cites the monologues the poems the voice exercises vividly recalled by the children they nurtured over a period of close to 60 years They brought me out of my shell Hana Gartner well known national broadcaster The joy and the laughter the tears and the catharsis and the love that these two women gave to all of us is something that lives on Judy Siblin journalist My first meeting with Dorothy and Violet when I was eight years old was one of fascination Having just returned from three years in England I thought these two charming ladies must be related to the Queen their English was so polished Clare Shapiro artistic director Imago Theatre The Montreal Childrens Theatre probably had a bigger influence on my life than any educational facility I was madly in love with Violet Walters She bore a striking resemblance to some of the silent screen stars William Shatner Hollywood star Stranded at the Drive-In Garry Mulholland, 2011-11-24 Acclaimed writer of This is Uncool and Popcorn turns his attention to the first ever look at the teen movie Everyone undergoes some kind of teenage trauma and a fundamental way of coping or rite of passage is the teen movie Yet until now there has been no book that explores this successful movie sub genre with any depth Step forward Garry Mulholland who taking his cue from his previous hugely acclaimed pop culture list books This is Uncool and Fear of Music seeks to create a pantheon of the very finest teen movies or in Garry Mulholland s words I ll be doing what film critics have been loathe to do since the 1950s and taking the entire subculture of teen movies seriously making a constant and compelling argument that Grease and A Nightmare on Elm Street tell us a great deal more about modern life and human nature than Citizen Kane and The Godfather From Kes to Fame Badlands to the Breakfast Club and National Lampoon s Animal House to Twilight Garry Mulholland re evaluates a much maligned genre and brings it all back again the good the bad and the traumatic **Are You In The House Alone?** Amanda Reyes, 2017-04-05 Beginning in the 1960s through its heyday in the 1970s and beyond the telefilm remains an important cultural artefact masquerading as disposable entertainment Made specifically for the small screen within the tight constraints of broadcasting standards what these humble movies lacked in budget and star appeal they made up for in other ways Often they served as an introduction to genre films particularly horror mirroring their theatrical counterparts with a focus on sinister cults women in prison haunted houses and even animals in revolt They were also a place to address serious contemporary issues drugs prostitution sexual violence and justice albeit in a cosy domestic environment Production of telefilms continues to this day but their significance within the history of mass media remains under discussed Are You in the House Alone seeks to address this imbalance in a series of reviews and essays by fans and critics alike It looks at many of the films the networks and names behind them and also specific genres everything from Stephen King adaptations to superheroes to true life dramas So kickback and crack open the TV guide once more for the event that is the Movie of the Week
