Face To Face With The Mexicans 1st Edition:

Military History of the United States, by Emory Upton. [1st Ed.]. United States. War Department, 1904 Bookman's Guide to Americana Joseph Norman Heard, Charles F. Hamsa, 1986 No descriptive material is available for this title **The Annual American Catalogue 1886-1900**, 1889 **Austin's First Cookbook** Michael C. Miller, 2019-04-15 Get a taste of Texas culinary history with this quirky diverse community cookbook from Austin's nineteenth century residents plus photos and informative essays Tacos and barbecue command appetites today but early Austinites indulged in peppered mangoes roast partridge and cucumber catsup Those are just a few of the fascinating historic recipes in this new edition of the first cookbook published in the city Written by the Cumberland Presbyterian Church in 1891 Our Home Cookbook aimed to cause frowns to dispel and dimple into ripples of laughter with myriad receipts from the early Austin community From dandy pudding to home remedies worth knowing these are hearty helpings featuring local game and diverse heritage including German Czech and Mexican With informative essays and a cookbook bibliography city archivist Mike Miller and the Austin History Center present this curious collection that's sure to raise eyebrows if not cravings **The Publishers Weekly**, 1928 The Annual American Catalogue, 1889 **Mexican Linguistics** Thomas Stewart Denison, Herbert William Magoun, 1913 The New York Lumber Trade Journal, 1917 **Cycles of Time and Meaning in the Mexican Books of Fate** Elizabeth Hill Boone, 2013-05-17 In communities throughout precontact Mesoamerica calendar priests and diviners relied on pictographic almanacs to predict the fate of newborns to guide people in choosing marriage partners and auspicious wedding dates to know when to plant and harvest crops and to be successful in many of life's activities As the Spanish colonized Mesoamerica in the sixteenth century they made a determined effort to destroy these books in which the Aztec and neighboring peoples recorded their understanding of the invisible world of the sacred calendar and the cosmic forces and supernaturals that adhered to time Today only a few of these divinatory codices survive Visually complex esoteric and strikingly beautiful painted books such as the famous Codex Borgia and Codex Borbonicus still serve as portals into the ancient Mexican calendrical systems and the cycles of time and meaning they encode In this comprehensive study Elizabeth Hill Boone analyzes the entire extant corpus of Mexican divinatory codices and offers a masterful explanation of the genre as a whole She introduces the sacred divinatory calendar and the calendar priests and diviners who owned and used the books Boone then explains the graphic vocabulary of the calendar and its prophetic forces and describes the organizing principles that structure the codices She shows how they form almanacs that either offer general purpose guidance or focus topically on specific aspects of life such as birth marriage agriculture and rain travel and the forces of the planet Venus Boone also tackles two major areas of controversy the great narrative passage in the Codex Borgia which she freshly interprets as a cosmic narrative of creation and the disputed origins of the codices which she argues grew out of a single religious and divinatory system Transactions of the fourth International Dental Congress v. 1, 1905 **Miscellaneous Studies in**

Latinos in Israel Alejandro I. Paz, 2018-10-25 Latinos in Israel charts the unexpected ways that non citizen immigrants become potential citizens In the late 1980s Latin Americans of Christian background started arriving in Israel as labor migrants Alejandro Paz examines the ways they perceived themselves and were perceived as potential citizens during an unexpected campaign for citizenship in the mid 2000s This ethnographic account describes the problem of citizenship as it unfolds through language and language use among these Latinos both at home and in public life and considers the different ways by which Latinos were recognized as having some of the qualities of citizens Paz explains how unauthorized labor migrants quickly gained certain limited rights such as the right to attend public schools or the right to work Ultimately engaging Israelis across many such contexts Latinos especially youth gained recognition as citizens to Israeli public opinion and governing politics Paz illustrates how language use and mediatized interaction are under appreciated aspects of the politics of immigration citizenship and national belonging

Academic Achievement of First-Generation Mexican American Males in a Community College Carlos C. Peña, 2012-12 The purpose of this study was to examine the complexities of successful attainment and achievement of 10 Mexican American males in a rural Southwest community college This study strives to offer insights concerning the questions a what behavioral patterns of current family peers and conditions in school have influenced the educational decisions of these Mexican American males and b what social conditions motivate these Mexican American males to seek and achieve higher education despite adversity This qualitative research was also aimed at establishing and understanding how a selected number of Mexican American males have achieved academic success The researcher chose 10 men with either an associate of arts or an associate of science degrees for an in depth interview and used a semi structured interview guide in an effort to prompt oral discourse The interviewer posed questions concerning academic conditions family impact college environment and financial issues The responses to the questions led to similar themes involved in these students course completion and graduation The researcher used a theoretical framework using Bandura's Social Learning Theory 1977 in which he suggests that not only environmental factors but motivational factors along with self regulatory mechanisms affect an individual's behavior This research illustrated the conditions that facilitated reaching the participant's educational goal and mission which was to complete a two year degree at the community college The inquiry examined the behavioral patterns that have been an influence on the educational decisions of these Mexican American males and what social conditions have motivated them to seek and achieve higher education despite adversity
