

# Faces Of America

**Kathleen H. Dockett, G. Rita Dudley-  
Grant, C. Peter Bankart**

## **Faces Of America:**

**Faces of America** Henry Louis Gates Jr.,2010-07-06 Based on PBS television series Faces of America hosted by Henry Louis Gates Jr     The Faces of America I ,1988     *The Many Faces of America* ,1978     **America, Amerikkka** Rosemary Radford Ruether,2014-12-05 America views itself as a nation inhabiting a promised land and enjoying a favoured relation with God This view of unique election has been coupled with racial exclusivism and the marginalization of non white citizens America Amerikkka traces the historical and ideological patterns behind America s sense of itself In its examination of America s chosenness the book ranges across the doctrine of the rights of man in the 18th and 19th centuries the role of America in the twentieth century as global policeman and the enforcement of neo colonial relations over the third world The volume argues for a vision of global relations between peoples based on justice and mutuality rather than hegemonic dominance     The New Face of America Eric J. Bailey,2013-05-09 This unique and important book investigates what it means to be multiracial and or multiethnic in the United States examining the issues involved from personal societal and cultural perspectives More and more the idea of America as a melting pot is becoming a reality Written from the perspective of multiracial citizens The New Face of America How the Emerging Multiracial Multiethnic Majority Is Changing the United States brings to light the values beliefs opinions and patterns among these populations It assesses group identity and social recognition by others and it communicates how multiracial individuals experience America s reaction to their increasing numbers Comprehensive and far reaching this thoughtful compendium covers the cultural history of multiracials in America It looks at multiracial families today at rural and urban multiracial populations and at multiracial physical features health disparities bone and marrow transplant issues adoption matters as well as multiracial issues in other countries Multiracial entertainers athletes and politicians are considered as well Among the book s most important topics is multiracial health and health care disparity Finally the book makes clear how America s current majority institutions organizations and corporations must change their relationship with multiracial and multiethnic populations if they wish to remain viable and competitive

**The Art of Belonging: Immigrants and the Making of America's National Identity** Pasquale De Marco,2025-07-15 In the tapestry of human history few stories are as compelling and transformative as the journey of immigrants Driven by dreams of a better life they leave their homelands and embark on a perilous journey to an unknown land carrying with them their hopes fears and aspirations This book captures the essence of this extraordinary phenomenon delving into the multifaceted experiences of immigrants in America Through the prism of their journeys we witness the challenges and triumphs the hopes and fears the dreams and disappointments that shape their lives We come to understand the profound impact that immigration has had on American society culture and politics From the earliest settlers who crossed the Atlantic in search of a new beginning to the millions who have arrived in more recent times immigrants have played an integral role in shaping the American narrative Their stories of struggle and triumph of resilience and perseverance are an intrinsic part

of the American experience We begin our exploration by examining the historical roots of immigration in America tracing the waves of newcomers who have arrived on these shores over the centuries We delve into the motivations that drove them to leave their homelands and embark on a perilous journey to an unknown land We uncover the hardships they faced the prejudice and discrimination they encountered and the resilience they displayed in overcoming adversity From there we turn our attention to the contemporary immigrant experience delving into the lives of those who have recently arrived in America We witness their struggles to learn a new language adapt to a new culture and find their place in a new society We explore the challenges they face in finding employment housing and healthcare and the often overlooked contributions they make to their communities We also examine the complex and often contentious issue of immigration policy in America We explore the historical evolution of immigration laws the current debates surrounding immigration reform and the impact that these policies have on the lives of immigrants and American citizens alike We delve into the arguments for and against stricter border control the challenges of undocumented immigration and the moral and economic implications of these policies Throughout our exploration we never lose sight of the human dimension of immigration We encounter individuals and families whose stories embody the hopes dreams and struggles of millions We hear their voices we share their experiences and we gain a deeper understanding of the profound impact that immigration has on the lives of those who choose to make America their home If you like this book write a review

*On Display: Visual Politics, Material Culture, and Education* Karin Priem, Kerstin te Heesen, 2016 This book focuses on one of the most successful photography exhibitions in history The Family of Man With The Family of Man as its reference point this collection of essays takes a closer look at visual and material objects It examines their relevance for educational issues and exhibition designs We understand these issues in their broadest sense to encompass processes of citizenship and identity formation and the adoption and or preservation of ethical and political values with effects that range from the micro to the macro from the national to the international level The overall hypothesis of this volume is that images objects and designs were created and employed as performers and performances that interacted with and attracted mass audiences This book not only looks at how the presentational representational and social power of images objects and designs was deliberately used by political and cultural stakeholders during the mid 1950s but also how these technologies of display travelled through time and space and as historical objects interacted and continue to interact with new contexts and audiences

**Al Islaam, Patriotism and the New World Order** Hassan Shabazz, 2018-07-24 This book is a thesis on the 17th and 18th chapters of the Book of Revelations thru the lens of the Holy Qur an and the teachings and commentaries of Imam W Deen Mohammed

**Philanthropy: The Heartbeat of America's Success** Pasquale De Marco, 2025-04-20 Philanthropy is a powerful force for good in the United States For centuries Americans have come together to support causes they care about from education and healthcare to the arts and social welfare This generosity has helped to build a more prosperous just and compassionate society In recent years however

philanthropy has faced a number of challenges The rise of income inequality has made it more difficult for some people to give The decline of trust in institutions has made some people less likely to donate to charities And the increasing cost of living has made it more difficult for people to afford to give Despite these challenges philanthropy remains a vital part of American society In fact giving has actually increased in recent years In 2021 Americans gave an estimated 484.85 billion to charity a 4.8% increase over the previous year This increase in giving is a testament to the power of philanthropy to make a difference in people's lives When people give they are not only helping to support the causes they care about they are also helping to build a better future for everyone This book explores the history impact and challenges of philanthropy in America It also provides guidance on how to give wisely and how to encourage others to give Whether you are a philanthropist a nonprofit leader or simply someone who is interested in making a difference in the world this book is for you It will inspire you to give more give wisely and change the world for the better This book is a must read for anyone who cares about the future of philanthropy and the role it plays in building a better society for all If you like this book write a review on google books

*Westward Dharma* Charles S. Prebish, Martin Baumann, 2002-12-04 The first authoritative volume on the totality of Buddhism in the West *Westward Dharma* establishes a comparative and theoretical perspective for considering the amazing variety of Buddhist traditions schools centers and teachers that have developed outside of Asia Leading scholars from North America Europe South Africa and Australia explore the plurality and heterogeneity of traditions and practices that are characteristic of Buddhism in the West This recent dramatic growth in Western Buddhism is accompanied by an expansion of topics and issues of Buddhist concern The contributors to this volume treat such topics as the broadening spirit of egalitarianism the increasing emphasis on the psychological as opposed to the purely religious nature of practice scandals within Buddhist movements the erosion of the distinction between professional and lay Buddhists Buddhist settlement in Israel the history of Buddhism in internment camps repackaging Zen for the West and women's dharma in the West The interconnections of historical and theoretical approaches in the volume make it a rich multi-layered resource

*Unipolarity and the Evolution of America's Cold War Alliances* Nigel Thalakada, 2012-05-04 Thalakada argues that the principal purpose of US alliances have shifted since the end of the Cold War from containing communist expansionism balance of power to preserving and exercising US power management of power He also looks across all US alliances highlighting the trend from regionally based to more globally active alliances

**Extremist Islam** Kumar Ramakrishna, 2022 Since the Bali terrorist attacks in 2002 law enforcement agencies have rigorously combatted terrorist networks in Southeast Asia yet groups motivated by violent extremist interpretations of Islam remain resilient and dangerous This book shines a light on specific beliefs behaviors and policies that impact these challenges ultimately offering cutting edge effective tools for response The book begins by challenging misguided and controversial notions that depict Islam as an inherently violent religion arguing that the theological ideological amalgam of what has been called Salafism is the more useful lens for recognizing closed

minded extremist currents The book carefully distinguishes this Salafabist extremist mindset from relatively open minded Salafabist radicalism paying due attention to nonviolent extremists and the ways they can contribute to rather than reduce violent terrorist activity in the region Using poignant case studies from Malaysia Singapore the Philippines and Indonesia the book clarifies a bewildering range of terminology associated with Islamist violence and explains how imprecise and oversimplified narratives are destructive to progress and worse empowering to terrorist organizations These chapters build up to research informed policies and rhetorical recommendations for improved outcomes With its novel insights into the root causes of extremist terrorism in Southeast Asia the ineffective policies that prohibit progress and promote unrest in this region and the avenues for positive change this book offers a comprehensive strategy for fostering theologically sound yet culturally authentic counterterrorist measures that defend the complex richly textured tapestry of culture in Southeast Asia

**The Timeless Doll: Secrets and History of America's Favorite Toy** Pasquale De Marco, 2025-04-12 Journey into the world of Barbie an iconic doll that has captivated hearts and imaginations for generations This comprehensive book explores the history impact and enduring appeal of Barbie delving into her evolution over the decades her influence on fashion and culture and her enduring popularity Discover the stories behind Barbie s creation meet the people who brought her to life and examine the controversies and challenges she has faced Explore the diverse range of Barbie dolls from the classic fashion dolls to the special edition collectibles and delve into the vibrant community of collectors who keep the Barbie legacy alive Uncover Barbie s role in popular culture examining her presence in film television and music and explore the collaborations with artists and designers that have shaped her image Investigate Barbie s impact on social change from her advocacy for diversity and inclusion to her role in promoting STEM education Look to the future of Barbie considering how she will continue to evolve in a changing world Examine how Barbie is embracing technology and digital platforms and explore her commitment to diversity and inclusion Speculate on the anticipated changes in Barbie s products and marketing and consider how she will continue to appeal to new generations of children Whether you re a lifelong Barbie fan a collector or simply curious about the impact of this iconic doll this book offers a captivating exploration of the world of Barbie Prepare to be inspired by the story of a toy that has become a cultural phenomenon empowering generations to dream big and embrace their full potential If you like this book write a review on google books

**Voices of the Forgotten: The Unheard Stories of America's Homeless** Pasquale De Marco, 2025-05-05 Voices of the Forgotten The Unheard Stories of America s Homeless is a powerful and moving narrative that delves into the lives of those who live on the fringes of society the homeless Through the eyes of those who have experienced homelessness firsthand this book paints a vivid picture of the harsh realities they face daily From the lack of shelter and food to the constant fear for their safety and well being the stories in this book lay bare the systemic failures that have allowed homelessness to persist The lack of affordable housing the inadequate mental health services and the criminalization of homelessness are just some of the obstacles that those

experiencing homelessness must navigate But *Voices of the Forgotten* is not just a story of despair It is also a story of hope resilience and the indomitable human spirit It showcases the incredible strength and determination of those who have faced adversity head on refusing to succumb to their circumstances It highlights the power of human connection the importance of community and the transformative impact of compassion This book is a call to action a reminder that homelessness is not an unsolvable problem It is a clarion call for us to come together as a society and create a world where everyone has a safe and stable place to call home With empathy understanding and a shared commitment we can end homelessness and ensure that every person has the opportunity to live a life of dignity and purpose *Voices of the Forgotten* is a powerful testament to the resilience of the human spirit and a rallying cry for change It is a must read for anyone who cares about social justice and wants to make a difference in the lives of those less fortunate If you like this book write a review on google books

Psychology and Buddhism Kathleen H. Dockett, G. Rita Dudley-Grant, C. Peter Bankart, 2006-05-02 This book advances a serious consideration of how the goals and practices of psychology can be informed and enriched by Buddhist traditions that transcend the individual to consider the interconnectedness of all things and the responsibility we have towards the other Individualistic and psychotherapeutic applications of Buddhism in psychology are examined followed by a bold step into the community arena with consideration given to the intersection between community psychology and Buddhist approaches to empowerment social change and prevention

**The Rotarian**, 1916-12 Established in 1911 The Rotarian is the official magazine of Rotary International and is circulated worldwide Each issue contains feature articles columns and departments about or of interest to Rotarians Seventeen Nobel Prize winners and 19 Pulitzer Prize winners from Mahatma Gandhi to Kurt Vonnegut Jr have written for the magazine

**American Sociology of Religion**, 2007-08-31 This is a collection of histories of various aspects of American sociology of religion The contributions range from descriptions of early dissertations accounts of changes in theoretical conceptualization the evolution of studies of particular denominations to the rise of new areas of inquiry such as globalization feminism new religions and the study of the religious traditions of Latino Americans Taken as a whole the volume complements rather than duplicates commemorative issues of the relevant journals which focused on the scholarly organizations in the field It represents a first effort to develop an organized treatment of the fascinating history of the specialty in the U S A

**Jesus** W. Barnes Tatum, 2015-09-23 Drawing on examples from literature art and popular culture as well as theology this engaging book reveals the importance of the question whose was he in fully understanding the life and legacy of Jesus A concise accessible and engaging exploration of Jesus's life and enduring influence Charts the changing global status and influence of Jesus a Galilean Jew born when the ancient Roman Empire ruled the Mediterranean world and how he has come to be honored as the Christ and recognized by billions of people around the world Traces the reception history of Jesus and his story over the past two millennia through art literature and culture as well as theology Draws on a fascinating range of materials from ancient texts creeds and theological treatises to the visual and dramatic arts

including books like The DaVinci Code and films such as The Passion of the Christ      **Strangers in This Land** E. Allen Richardson, 2014-01-10 This updated revised version of the important 1988 first edition must reading for anyone seriously probing religious pluralism in our society Theology Today examines the complex relationship between American ideals and increasing religious diversity In the past two decades American religion has become more pluralistic and the central dynamic of welcoming versus rejecting religious diversity is even more prominent and nuanced Explored here are two competing visions of the American Dream as it relates to religion America as a pluralistic society shaped by its diversity and America as an assimilative society in which people of all backgrounds become American      **Race, Identity, and Representation in Education** Cameron McCarthy, 2005 First Published in 2005 Routledge is an imprint of Taylor Francis an informa company
