Bereavement Ginny Sprang,John McNeil,2018-10-24 First published in 1995 Death and dying have been a concern of mankind as long as humans have existed This book will explore the development and specifications of traditional models of grief to underline the importance of what is known about the process of grief considering variables such as relationship age and personal characteristics of the mourner as well as providing a framework of symptomatology specific to non traumatizing non stigmatizing deaths for the purposes of comparative and theoretical specification It is proposed that what is known about the grief response following the death of a spouse a child or an aged parent has valuable implications for grief model development considering other modes of death such as murder drunk driving AIDS critical incidents and suicide though

these conceptualizations are insufficient in explaining or predicting outcomes with these other types of grief **The Many Faces of Mom** , **Faces of Jesus** Jose Miguez Bonino,2002-11-20 The Faces of Buddhism in America Charles S. Prebish,Kenneth Ken'ichi Tanaka,1998-12-22 The editors bring some of the leading voices in Buddhist studies to examine the debates surrounding contemporary Buddhism s many faces Race feminism homosexuality psychology environmentalism and notions of authority are some of the issues confronting the religion today 9 photos *The Faces of the Goddess* Lotte Motz,1997 Indeed human motherhood was held in such low esteem that Eskimo women were forced to give birth completely alone with no human companionship and no helpful deities of childbirth Likewise while various Mexican goddesses ruled over healing women s crafts motherhood and childbirth and functioned as tribal protectors or divine ancestors none of them either embodied the earth itself or granted fertility to the crops for that the Mexicans looked to the male gods of maize and of rain Nor were the rituals of these goddesses nurturing or peaceful *New Faces of God in Latin America* Virginia Garrard,2020 This monograph is a hist *Asian Faces of Jesus* R.S. Sugirtharajah ,2015-03-31 Although Jesus was born in the western part of Asia it was not until fifteen hundred years later that Asia experienced the full impact of Jesus personality and teaching Western missionaries the primary transmitters of Christianity left behind a Western understanding of Jesus Today Asians are seeking the face of the original Jesus his Asian face For them all understanding of Jesus arise out of their particular contextual needs Enriching the Western understanding of Jesus Asians employ new interpretative resources cultural symbols and thought patterns as they make sense of Jesus for their own time and place *Faces of Muhammad* John Tolan,2019-06-11 Heretic and impostor or reformer and statesman The contradictory Western visions of Muhammad In European culture Muhammad has been vilified as a heretic an impostor and a pagan idol But these aren t the only images of the Prophet of Islam that emerge from Western history Commentators have also portrayed Muhammad as a visionary reformer and an inspirational leader statesman and lawgiver In *Faces of Muhammad* John Tolan provides a comprehensive history of these changing complex and contradictory visions Starting from the earliest calls to the faithful to join the Crusades against the Saracens he traces the evolution of Western conceptions of Muhammad through the Reformation the Enlightenment and the nineteenth and twentieth centuries and up to the present day *Faces of Muhammad* reveals a lengthy tradition of positive portrayals of Muhammad that many will find surprising To Reformation polemicists the spread of Islam attested to the corruption of the established Church and prompted them to depict Muhammad as a champion of reform In revolutionary England writers on both sides of the conflict drew parallels between Muhammad and Oliver Cromwell asking whether the prophet was a rebel against legitimate authority or the bringer of a new and just order Voltaire first saw Muhammad as an archetypal religious fanatic but later claimed him as an enemy of superstition To Napoleon he was simply a role model a brilliant general orator and leader The book shows that Muhammad wears so many faces in the West because he has always acted as a mirror for its writers their portrayals revealing more about their own concerns than the historical

realities of the founder of Islam *Faces of Jesus in Africa* Robert J. Schreiter, 2015-03-24 **The Faces of Our Lives** Vickie Hull, 1998 Every woman will wear many faces in her lifetime Sometimes the face may be of a daughter sister mother or friend As you follow the life long journey laid out in this book you will find yourself identifying with the situations encountered This will be an encouraging book you will want to share with other women The Faces of Forgiveness F. LeRon Shults, Steven J. Sandage, 2003-05-01 While forgiveness has historically been regarded as a religious concern it has also become a popular topic in contemporary psychology Unfortunately there has been little effort to combine a Christian understanding of forgiveness with psychology The Faces of Forgiveness winner of the Narramore Award from the Christian Association for Psychological Studies steps in to fill this void The authors fuse Christian forgiveness and psychology with the unifying motif of the face thereby building on the considerable psychological research linking emotions related to forgiveness with the human face At a deeper level the face can serve as a metaphor for integrating forgiveness wholeness and salvation The authors argue that forgiveness should take a central role in our understanding of salvation because it is warranted by the Bible and engages our postmodern context Pastors psychologists family counselors and students of psychology and theology will find The Faces of Forgiveness a helpful resource *Faces of Violence* Daya Singh Sandhu, 2001 Faces of Violence Psychological Correlates Concepts Intervention Strategies **Faces of Union Soldiers at Fredericksburg** Joseph Stahl & Matthew Borders, 2022 Look into the eyes of these soldiers and see the faces of those who dared to stare into the face of Death The Battle of Fredericksburg fought December 11 15 1862 is often remembered for the seemingly futile attacks by the Army of the Potomac against dug in Confederates on Marye's Heights Less well understood is the fighting south of the heights on what has become known as Slaughter Pen Farm In this work the images of thirty Union soldiers are published for the first time They give a face and history to those men who struggled across that bloody landscape as well as to those that charged up the slope of Marye's Heights into Confederate fire Authors Matthew Borders and Joseph Stahl introduce you to these men their stories and their sacrifice on the bullet swept battlefield of Fredericksburg *Inner Faces of God, Kabbalah V1* Elizabeth Clare Prophet, Summit University Press, 1995 William Faulkner and the Faces of Modernity Jay Watson, 2019-11-26 Winner of the 2020 C Hugh Holman Award William Faulkner has enjoyed a secure reputation as American modernism's foremost fiction writer and as a landmark figure in international literary modernism for well over half a century Less secure however has been any scholarly consensus about what those modernist credentials actually entail Over recent decades there have been lively debates in modernist studies over the who what where when and how of the surprisingly elusive phenomena of modernism and modernity This book broadens and deepens an understanding of Faulkner's oeuvre by following some of the guiding questions and insights of new modernism studies scholarship into understudied aspects of Faulkner's literary modernism and his cultural modernity William Faulkner and the Faces of Modernity explores Faulkner's rural Mississippians as modernizing subjects in their own right rather than mere objects of modernization traces
