Faces Of The Amber Alert:

Faces of the Amber Alert Charles Williams, 2005-10-13 AMBER Alerts and Their Effectiveness Marjon Creel, 2015 Do AMBER Alert messages encourage people to become more face vigilant Face vigilance was measured through a recognition task that instructed participants to search for discrepant faces in friendly threatening and neutral crowds Participants were primed with either an AMBER Alert message or a nonword message i e letters that resembled a real word e g SHUM and LAIP and then instructed to quickly and accurately conclude whether a discrepant face was present in a matrix of faces Each participant s performance was measured as the response time for correct responses The study analyzed data to see whether participants in the AMBER Alert group were able to correctly identify threatening faces faster than participants in the nonword group Overall the results confirmed the hypothesis that threatening faces in friendly crowds were more quickly and accurately detected than were friendly faces in threatening crowds Unfortunately the results did not show a significant difference in response times RTs for correct responses between the AMBER Alert group and the nonword group As a result our findings did not support the hypothesis that AMBER Alerts encourage people to become more face vigilant Therefore we were unable to conclude that the AMBER Alert program does in fact galvanize the entire community to assist in the search for and safe recovery of the child

poetic justice and revenge **Hope for the Future** Shannon Daley-Harris,2016-10-01 Whether a parent or pastor child advocate or Christian educator professional or volunteer working with children we yearn for both comfort and challenge vision and validation hope and help as we seek to make a difference in the lives of children In *Hope for the Future* Shannon Daley Harris draws from her twenty four years of work with the Children s Defense Fund to offer twelve meditations for those working to create a better world for our children Each meditation focuses on passages of Scripture and weaves together moving stories of children startling statistics about the challenges facing children and inspiring examples from other movements and faithful leaders that came before us Questions for faithful response after each meditation will prompt further reflection and action This inspirational book can be used as a devotional in Bible study discussion or during a social action committee s discernment

Among Three Waterfalls George Senmache,2025-01-14 In the blink of an eye they say one s life is prone to swift and sudden change Moreover the profound er question we ought to ask ourselves is if so how can we unravel the fiasco that life s thick ropes cause to us when they tie around our lives and minds leaving us nearly drowned in a knot called hopelessness In this book you ll encounter swift ambivalence like the ocean tides in Caleb s life Going from a regular high school student at a private academy to someone he d never expect himself to become is anything but simple especially when regarded as an exemplar and deemed innocent in the eyes of his loved ones But that soon after shifts abruptly Caleb s innocence conveys to him the answer to all his issues issues that rose suddenly Allinall The answer to this unfathomable occurrence lies behind the rusted door that dwells among the three waterfalls the algorithm to solve this enigma So reader accompany Caleb as your eyes glide through the pages on this journey to find the answer to the problems that have suddenly encountered him What s your rusted door

Angel Face Walter Probyn,2023-02-24 First published in 1977 *Angel Face* documents the penal life of Walter Probyn who spent 30 out of 44 years in prison and escaped 15 times He describes the succession of events which began when he was a nine year old blitz kid who stole a can of peas from a bombed shop and tells in absorbing and harrowing detail his time in prison and on the run Important though his description and indictment of prison life and the treatment of so called hardened offenders may be his particular attention to carefully planned and ingenious escapes gives great insight into his fight for retaining his independence and his insatiable craving for freedom This is not a book which glamourises crime It does raise serious and debatable questions about the need for reform of a penal system which has failed in its objectives These questions are discussed in an introduction and final commentary by noted criminologist Stan Cohen who puts Probyn s story into a wider context His life is a classic example of the way in which the penal system far from curing crime may actually encourage it by strengthening the resolve and bitterness of those who resist being institutionalised and fitting into authority s moulds But is three quarters of a lifetime a responsible price to pay The authorities and Walter Probyn give different answers This book will be of interest to anyone intrigued by the other side of the penal system but especially to students of law criminology and sociology

False Face Veronica Heley, 2021-11-01. Bea Abbot's newly married bliss is short-lived when she is dragged into a deadly game involving a famous actress, theft and murder. Bea Abbot's husband and talented artist Piers is in a state. His morning visit to actress and national treasure Karina's Belgravia home has ended in chaos. An antique necklace and diamond ring have been discovered missing along with a memory stick storing Karina's highly anticipated memoirs. Karina's housekeeper Mrs. Hennessey, her ghostwriter Molly and Piers himself are all accused of a conspiracy to rob the actress. When it transpires that the three were employed through the Abbot Agency and some of the missing items are found in Piers' pockets, Bea is dragged into the melee. But as she investigates, events take a chilling turn. Can Bea get to the bottom of the sinister goings-on in time to save Piers' reputation and to catch a killer?

Embers of the Nephilim: Ghost Girl and the Ghost Giant Andrew R. H. Quinn, 2024-10-31. Thirteen-year-old Olivia Linda Wade has been plagued by a ghost that no one else quite seems to believe exists. But when things come to a head, she'll get swept up in a police investigation looking into a recently apprehended vigilante from Detroit and cross paths with others who've come face-to-face with the ghost along the way. Will she and her ragtag team come together and rise to the occasion to defeat her tormentor once and for all before time runs out?

Tears in the Rain Lexi Buchanan, 2019-07-23. Tears. That's all I had now, tears in the rain, all because I fell in love with a boy. Growing up, he was always by my side, unmovable even when his friends teased him. He always knew when I needed him closer. I'd wake from nightmares to find myself wrapped safely in his strong arms. I even asked him to teach me how to kiss a boy, and our love grew into something it never should have been. Something forbidden. My name is Fallon Scott, and this is my story.

Kidnapping and Violence Stephen Morewitz, 2019-09-04. This book analyzes kidnapping in various forms and from various perspectives. First, it argues that kidnapping, including the threat of kidnapping, reflects a breakdown in the mechanisms of social control in society. This volume also discusses the ways governments and para-military and terrorist groups employ kidnappings as part of their foreign and domestic policy. This analysis evaluates why and under what conditions governments, para-military and terrorist groups decide to abduct individuals and groups. It emphasizes how individuals, groups and governments employ abductions to achieve their psychological, social, religious and political objectives. This analysis also examines the ways in which cultural traditions in different societies emerge to foster behaviors such as bride abductions. Moreover, this book addresses the extent to which social change modifies these cultural patterns. Suitable for students and researchers, mental health practitioners and law enforcement, this volume is a unique analysis of our contemporary understanding of kidnapping and violence and the
