Facing History And Ourselves A Guide To The Film Schindlers List:

Facing History and Ourselves, 1994 Study guide to help students make essential connections between the past and the present
The Holocaust in American Film Judith E. Doneson, 2002-01-01 This work offers insights into how specific films influenced the Americanization of the Holocaust and how the medium per se helped seed that event into the public consciousness In addition to an in depth study on films produced for both theatrical release and TV since 1937 including *The Great Dictator* *Cabaret* *Julia* and the mini series *Holocaust* this work provides an analysis of Schindler s List and the debate over the merit of Spielberg s vision of the Holocaust It also examines more thoroughly made for television movies such as *Escape From Sobibor* *Playing For Time* and *War and Remembrance* A special chapter on *The Diary of Anne Frank* discusses the evolution of that singularly European work into a universal symbol Paying special attention to the tumultuous 1960s in America it assesses the effect of the era on Holocaust films made during that time It also discusses how these films helped integrate the Holocaust into the fabric of American society transforming it into a metaphor for modern suffering Finally the work explores cinema in relation to the Americanization of the Jewish image

Multicultural and Diversity Education
Peter Appelbaum, 2002-09-11 A state of the art resource concentrating on the practical applications philosophical and social policy motivations and historical development of various approaches to multicultural education in the United States In this comprehensive introduction to multicultural education author Peter Appelbaum reveals that Native American run schools in the early 19th century produced nearly 100 percent literacy rates higher among western Oklahoma Cherokees than among whites in nearby Texas or Arkansas Today as the country rapidly becomes more racially and ethnically diverse he discusses how success in diversity education requires that administrators teachers and students change the way they look at each other the curriculum and the structures and policies that govern schools *Diversity and Multicultural Education A Reference Handbook* examines the political and educational arguments for and against multicultural education provides a range of curriculum approaches describes the dilemmas of assessment and explores political and legal issues Also included are a chronology directories and bibliographies
Looking Backward, Moving Forward Richard G. Hovannisian, 2017-07-05 The decades separating our new century from the Armenian Genocide the prototype of modern day nation killings have fundamentally changed the political composition of the region Virtually no Armenians remain on their historic territories in what is today eastern Turkey The Armenian people have been scattered about the world And a small independent republic has come to replace the Armenian Soviet Socialist Republic which was all that was left of the homeland as the result of Turkish invasion and Bolshevik collusion in 1920 One element has remained constant Notwithstanding the eloquent compelling evidence housed in the United States National Archives and repositories around the world successive Turkish governments have denied that the predecessor Young Turk regime committed genocide and like the Nazis who followed their example sought aggressively to deflect blame by accusing the victims themselves This volume argues that the time has come

for Turkey to reassess the propriety of its approach and to begin the process that will allow it move into a post genocide era

The work includes

- Genocide An Agenda for Action Gijs M de Vries
- Determinants of the Armenian Genocide Donald Bloxham
- Looking Backward and Forward Joyce Apsel
- The United States Response to the Armenian Genocide Simon Payaslian
- The League of Nations and the Reclamation of Armenian Genocide Survivors Vahram L Shemmassian

The Emergence of Holocaust Education in American Schools T. Fallace,2008-03-31

Interest by American educators in the Holocaust has increased exponentially during the second half of the twentieth century In 1960 the Holocaust was barely being addressed in American public schools Yet by the 1990s several states had mandated the teaching of the event Drawing upon a variety of sources including unpublished works and interviews this study traces the rise of genocide education in America The author demonstrates how the genesis of this movement can be attributed to a grassroots effort initiated by several teachers who introduced the topic as a way to help their students navigate the moral and ethical ambiguity of the times

Teaching and Studying the Holocaust Samuel Totten,Stephen Feinberg,2009-11-01

Originally Published in 2000 by Allyn Ida E King Distinguished Visitor Professor of Holocaust Studies Richard Stockton College and Former Director of Research at the United States Holocaust Memorial Museum

There are many scholars who are wont to criticize the teaching of the Holocaust Many journalists critique what they regard as kitsch or trendiness All critics of contemporary Holocaust education would do well to read this book One cannot fail to be impressed by the quality of its learning and the seriousness of its purpose It is a wonderful place for teachers to turn as they contemplate teaching the Holocaust an open invitation to learn more and teach more effectively
