When you face traumatic experiences without taking the time to deal with them you cripple yourself from being all you can be You breathe a sigh of relief and close the door behind you because you escaped from these painful encounters You move on believing that surviving is the same as processing Yet like chewed gum on the bottom of a shoe you've picked up other things along the way that prevent you from living to your full potential The past alone doesn't simply leave a mark when left unresolved it causes you to adopt unhealthy habits false narratives you tell yourself and poor coping skills that attach to the way you do life In Let's Face It author Nefateri P Smalls gives you an opportunity to face your past and start the journey to healing She outlines proven steps to help you overcome the jagged edges of life that you carry every day No matter what you've experienced she offers a roadmap to wholeness Filled with Biblical principles personal experience reflection opportunities and more Let's Face It provides practical wisdom on how to apply what you learn to the real world setting you on the path to the fulfillment of your life's purpose

Looking Beyond Just Jones, 2013-06-30 Looking Beyond is a 6 Month weekly devotional The focus of this devotional is to cause the reader to look beyond their current circumstances and have hope in through Christ *Facing the Dragon* Robert L. Moore, 2003 Structured around a series of lectures presented at the Jung Institute of Chicago in a program entitled Jungian Psychology and Human Spirituality Liberation from Tribalism in Religious Life this book length essay attacks the related problems of human evil spiritual narcissism secularism and ritual and grandiosity Robert Moore dares to insist that we stop ignoring these issues and provides clear sighted guidance for where to

start and what to expect Along the way he pulls together many important threads from recent findings in theology spirituality and psychology and brings us to a point where we can conceive of embarking on a corrective course Traditional doctrinal and historical interpretation both rely heavily on rational analysis But from the disciples at Emmaus to the beginnings of the present century it has been the impact of scripture upon the human heart that has changed human lives In recent decades this impact has been strengthened by advances in linguistic and literary theory by such disparate influences as feminism structuralism Jungianism deconstructionism the analysis of archaic imagery and myth the recovery of Gnostic texts and finally an openness to pluralism whether ethnic geographic religious or interpretive All of these factors are treated here with a brevity and comprehensiveness which convincingly show that the reader of scripture has a creative and not merely passive role If you would understand the deepest roots of terrorism greed and religious fanaticism read *Facing the Dragon* But be forewarned you may find some offshoots in your own garden June Singer Jungian analyst author of *Boundaries of the Soul* Robert Moore Phd was an internationally recognized psychotherapist and consultant in private practice in Chicago He was considered one of the leading therapists specializing in psychotherapy with men because of his discovery of the Archetypal Dynamics of the Masculine Self King Warrior Magician Lover He served as Distinguished Service Professor of Psychology Psychoanalysis and Spirituality at the Graduate Center of the Chicago Theological Seminary and has served as a Training Analyst at the C G Jung Institute of Chicago He is Co founder of the Chicago Center for Integrative Psychotherapy

Sufi Teaching Stories Anab Whitehouse, 2018-11-06 Although told in a largely refashioned manner a number of the following stories are very loosely based upon either time honored stories of the mystics or are built around various essential spiritual insights drawn from their teachings Other stories appearing in this volume are wholly original but are still rooted in a traditional spiritual perspective In either case the names have been changed to protect the innocent and as well considerable poetic license has been taken in the telling and or re telling of some of these spiritual tales The author is neither a shaykh nor a guide but he did have the opportunity to serve and work closely with an adept of Islamic mysticism and as a result was exposed to a variety of principles values and teachings of the Sufi path The stories are being given expression in the present volume because they might have something of value to offer to anyone who cares to engage them and reflect on what is being said

The Pain I've Suffered Was Worth the Gain I've Accomplished Paula Manigo, 2009-04-07 *The Pain I've Suffered Was Worth the Gain I've Accomplished* will enlighten the eyes of all who have suffered or are suffering hardships in life Oftentimes we tend to place our overall focus on the circumstances or situations that have come to try us in life therefore forgetting that nothing just happens and everything that we go through can be taken as an opportunity to grow more in wisdom and knowledge of our purpose and destiny in the earth This book has been written to help individuals understand that God has a perfect will and divine plan for our lives and we can either choose to let life shape and make us for His divine purpose or we can live a life of defeat This book will certainly empower you to be able to take your focus off of your suffering and push you to allow God's will to be perfected in you that you may walk in and live a victorious life daily This book filled with several of Prophetess Manigo's own testimonies of pain will empower you and change your life forever

Committed to the Unthinkable E. Todd Stubblefield, 2018-08-07 *Committed to the Unthinkable* is a small collection of thoughts whose destination is to consider that the words I do is not simply that which we utter at the altar ceremonially but that which anchor us through life's myriad of experiences that often shake us at the core of our marriages Many marriages today and those to come are in trouble long before they get started because those who commit to the marriage vows will speak them hear them but never understand their power because they quit at the first sign of trouble or discomfort

what civilians and servicemen passed through in the air on the sea and on land **Johnny Pail Face Becomes a Human Being** John Jarvis, 2015-06-06 A biography that spans almost a century the book is the story of 97 year old Johnny Pail Face a Native American born on a Navajo reservation in New Mexico His life s journey began in the Old West and led him to soldier in three wars and to not one but two brushes with genocide in a single lifetime In the first his Native American people were the victims In the second he fought with gun and bayonet alongside fellow G I s against Hitler s war machine and came out the victor The first genocide left him crazy with anger the second crazy with despair It took him two more wars to work things out Through it all he struggled against the demons of depression and alcoholism to ultimately find the best pieces of what it means to be a human being within himself and to make peace with a troubled world Based on in depth interviews and weaving in the oral tradition of Native American storytelling Johnny Pail Face Becomes a Human Being was written over the span of several years According to Jarvis This book records the life of a remarkable human being It is a roadmap for how to persevere and to overcome that speaks to Native and non Native American readers alike It s been more than a privilege it has been an honor to capture Johnny s story so that it will not become lost to a nation that often forgets some of the best lessons from its own past as it rushes toward the future **DON'T 'YOU' DARE! | GIVE UP ON GOD!** James Langston, 2018-10-17 This book reminds the believer the non believer the saint and the sinner that anytime we give up on God we give up on His promises of peace It is in the midst of life s trials and tribulations that we are awakened to the unmistakable truth that God forges the best parts of our lives in the furnace of difficulties and hardships Sadly this generation knows little if anything about what happened at Azusa street the First Second or Third Great Awakenings the 1904 1905 Welsh Revival the Can Ridge Revival nor do they recognize the names of Jonathan Edwards Dwight L Moody Charles H Spurgeon or Billy Sunday We know nothing about prayer or the affects that prayer has had on this nation for the past 232 years Writer and philosopher George Santayana sums it best when he said Those who cannot remember the past are condemned to repeat it Those who do not remember their past are condemned to repeat their mistakes Those who do not read history are doomed to repeat it **The Face in the Mirror** Sebastian Hale, 2025-04-11 The Face in the Mirror In the stillness of his modern apartment a fractured psyche lurks behind every reflective surface waiting to confront Daniel in a chilling game of cat and mouse After a devastating accident leaves him physically scarred and emotionally adrift Daniel seeks solace in the familiar confines of his home But as he gazes into the many mirrors that adorn his walls he is met not with his own reflection but with a sinister doppelg nger a version of himself that moves independently a shadowy manifestation of his darkest urges and unacknowledged fears The intimacy of Daniel s thoughts pulls you into a world where the line between reality and delusion blurs with every passing day As he navigates the treacherous waters of recovery the mirrors become both a sanctuary and a prison Each glance reveals more than just a face it unveils the visceral struggle between his fractured identity and the monstrous self that lurks beneath The unsettling presence in the glass taunts him with whispered secrets

and violent temptations pushing him to confront the parts of himself he has long buried Daniel's journey is one of harrowing self discovery as he grapples with the implications of a self he no longer recognizes Why does his reflection smirk when he feels sorrow Why do its eyes gleam with a hunger that stirs something primal within him As the days unfold the boundaries of sanity begin to erode and Daniel finds himself drawn into a sinister game where the stakes are not merely his life but his very soul Set against the backdrop of an apartment alive with reflections The Face in the Mirror weaves themes of identity and the fear of self into a gripping psychological horror that will linger long after the final page is turned The mirrors each a portal to Daniel's inner turmoil become a haunting reminder that the monsters we face are often the ones we create With a tight first person perspective that immerses readers in Daniel's intimate fears and desires this chilling tale invites you to ponder What happens when the face looking back at you is not the one you know As the truth of who he is and who he could become unfolds you'll find yourself questioning your own reflection in this masterfully unsettling exploration of the human psyche
