Fading Shadows:

Mystery Fanfare Michael L. Cook, 1983 This work is a composite index of the complete runs of all mystery and detective fan magazines that have been published through 1981 Added to it are indexes of many magazines of related nature This includes magazines that are primarily oriented to boys book collecting the paperbacks and the pulp magazine hero characters since these all have a place in the mystery and detective genre **Forever Burning** Kathleen Brooks, 2024-08-23 Colton Davies is living the ultimate bachelor life in Keeneston as the chief fireman He should be enjoying every moment of it but a strange feeling in his chest suddenly takes over whenever he sees his friend Cady dancing with other men The urge to rush in and rescue her is almost overwhelming but he can't let himself get carried away Cady has been his friend for years yet Colton's thoughts about her are anything but friendly They're burning hot and he just can't seem to shake them off Cady Woodson the first female bourbon master distiller in Kentucky has worked hard to earn her respect and start her own distillery And she'd always had a crush on Colton Who wouldn't after seeing him on the cover of the Fireman's Calendar But he's never given her more than friendship until that one dance Yet with things going wrong at the distillery Cady can't afford to lose focus and battle for Colton's attention She's not that kind of woman As Cady tries to find out what's behind the minor accidents at her distillery one night changes everything Colton comes to Cady's rescue and the strange feeling in his chest turns into an inferno igniting his determination to keep Cady safe Even if they're just friends he can't let anything happen to her As they work together to find the source of these dangerous accidents it's not just their friendship but also their hearts and lives that are on the line Can they solve the mystery before it's too late **Walter B. Gibson and The Shadow** Thomas J. Shimeld, 2015-09-18 Who knows what evil lurks in the hearts of men The Shadow knows And who knew The Shadow better than his creator Walter B Gibson Relatively few people have heard of Gibson but many more are familiar with The Shadow having heard the program on the Blue Coal Radio Program in the 1930s and read the Street Smith Shadow novels Walter B Gibson's life and career come out from behind The Shadow in this biography It covers his youth in Philadelphia his development as a writer and magician his wives including the third Litzka who was a harpist and magician in her own right his time living in Maine and upstate New York and his later years and death In addition to being credited with creating The Shadow he used the pseudonym Maxwell Grant Gibson wrote 187 books contributed 668 articles to periodicals created 283 stories for The Shadow Magazine wrote 48 separate syndicated feature columns reported the adventures of The Shadow and Blackstone the magician in 394 comic books and newspaper strips and helped develop 147 radio scripts and many other works under numerous pseudonyms Gibson has invented many widely used magic tricks and traveled with and befriended Harry Houdini Howard Thurston Harry Blackstone Sr and Joseph Dunninger **The Zohar** Daniel Chanan Matt, 2004 This third volume of The Zohar Pritzker Edition completes the Zohar's commentary on the book of Genesis Here we find spiritual explorations of numerous biblical narratives including Jacob's wrestling with the angel Joseph's kidnapping by his brothers

his near seduction by Potiphar's wife his interpretation of Pharaoh's dreams and his reunion with his brothers and father Throughout the Zohar probes the biblical text and seeks deeper meaning for example the divine intention behind Joseph's disappearance or the profound significance of human sexuality Divine and human realities intertwine affecting one another Toward the end of Genesis the Bible states Jacob's days drew near to die an idiomatic expression that the Zohar insists on reading hyperliterally Each human being is challenged to live his days virtuously If he does those days themselves are woven into a garment of splendor at death they draw near enveloping him escorting him to the beyond Sefer ha Zohar The Book of Radiance has amazed and overwhelmed readers ever since it emerged mysteriously in medieval Spain toward the end of the thirteenth century Written in a unique Aramaic this masterpiece of Kabbalah exceeds the dimensions of a normal book it is virtually a body of literature comprising over twenty discrete sections The bulk of the Zohar consists of a running commentary on the Torah from Genesis through Deuteronomy

Native Joy Geoffrey Oelsner, 2004 *Native Joy* Poems Songs Visions Dreams by Geoffrey Oelsner begins with the author's pre birth and early childhood memories proceeds to poems for his wife and family then journeys on deep into the twin terrains of Nature and the world of dreams This big book of celebration and communion contains sections with topic titles like Men Mentors Hard Karmic Weather Great Mother Women World Older Brothers Buddha and Christ Visions and Highs and U K exploring human and Other realms in Great Britain A performing singer songwriter Oelsner includes a selection of song lyrics called Morning Branches These poems leave traceable trails into our own innate native joy Cover painting by Robert Sudlow

Not a Fairy Tale Jacalyn Lewicki, 2023-02-22 For millennia selected juvenile dragons from the Seven Kingdoms of Saridon have been commissioned to cross the dimensional boundaries to Earth on missions to accompany gifted or unique humans through their lives to their destinies Over the years as dragon society has changed the original purpose and intent of this Shadowing have been lost but the programme entrenched in Saridonian tradition continues although much reduced in magnitude Banpine a young Silver Iridescent dragon is sent to Earth to Shadow a human girl named Lydia born in Saskatchewan in the mid 1950s into a modest home and apparently ordinary family But things take a dark turn when his young human becomes the victim of sexual and emotional abuse by her father When at last Lydia reveals the crime to her siblings and mother she finds herself trapped in a web of duplicity as they attempt to preserve the fiction that their family is whole and functional As Banpine supports Lydia helping her to survive the atrocities committed against her the dragon and human forge a relationship unique in the annals of the Shadow Programme one that ignites an earthshaking reformation in the dimension of dragons Not a Fairy Tale is a sophisticated adult fantasy that attacks individual and social apathy toward the suffering of others making it clear that those who deny or ignore the existence of acts of aggression are as culpable as the perpetrator It shines an often uncomfortable light on the way that blind adherence to tradition and devotion to the status quo silence the oppressed and perpetuate abuse With or without the help of dragons healing can only begin with speaking and being heard
