Fahrenheit 451, 2000 451 degrés Fahrenheit représentent la température laquelle un livre s'enflamme et se consume Dans cette société future où la lecture source de questionnement et de réflexion est considérée comme un acte antisocial un corps spécial de pompiers est chargé de brûler tous les livres dont la détention est interdite pour le bien collectif The Folio, 1984 François Truffaut Diana Holmes, Robert Ingram, 2019-01-18 First in a series designed to situate and explain the films of French directors A concise accessible and original reading of Truffaut's films A timely evaluation of the films of a popular director whose work features on most A level French syllabuses and on the majority of University French Studies programmes both in the UK and the USA **KPFA Folio** KPFA (Radio station : Berkeley, Calif.), 1964 *Ray Bradbury* David Seed, 2015-02-28 As much as any individual Ray Bradbury brought science fiction's ideas into the mainstream Yet he transcended the genre in both form and popularity using its trappings to explore timely social concerns and the kaleidoscope of human experience while in the process becoming one of America's most beloved authors David Seed follows Bradbury's long career from the early short story masterpieces through his work in a wide variety of broadcast and film genres to the influential cultural commentary he spread via essays speeches and interviews Mining Bradbury's classics and hard to find archival literary and cultural materials Seed analyzes how the author's views on technology authoritarianism and censorship affected his art how his Midwest of dream and dread brought his work to life and the ways film and television influenced his creative process and visually oriented prose style The result is a passionate statement on Bradbury's status as an essential literary writer deserving of a place in the cultural history of his time *Political Perversion* Joshua Gunn, 2020-09-04 When Trump became president much of the country was repelled by what they saw as the vulgar spectacle of his ascent a perversion of the highest office in the land In his bold innovative book Political Perversion rhetorician Joshua Gunn argues that this mean spirited turn in American politics of which Trump is the paragon is best understood as a structural perversion in our common culture on a continuum with infantile and gotcha forms of entertainment meant to engender provocation and sadistic enjoyment Drawing on insights from critical theory media ecology and psychoanalysis Gunn argues that perverse rhetorics dominate not only the political sphere but also our daily interactions with others in person and online From sexting to campaign rhetoric Gunn advances a new way to interpret our contemporary political context that explains why so many of us have difficulty deciphering the appeal of aberrant public figures In this book Trump is only the tip of a sinister rapidly growing iceberg one to which we ourselves unwittingly contribute on a daily basis *L'image - prépas commerciales* ECG-ECT - Concours 2025 Denis Collin, 2024-07-12 Le livre de référence pour une préparation efficace pour la preuve de culture générale des prépas commerciales Rassurer la preuve de culture générale pour les prépas commerciales autour du thème 2024 Problématiques textes fondamentaux exemples de dissertations Une préparation efficace au concours 2024 des prépas
