Fair Barbarian:

A Fair Barbarian Frances Hodgson Burnett, 1881 It may as well be explained however at the outset that it would not take much of a sensation to give Slowbridge a great shock In the first place Slowbridge was not used to sensations and was used to going on the even and respectable tenor of its way regarding the outside world with private distrust if not with open disfavor Fair Barbarian Frances Hodgson Burnett, 1880 Distributed by the University of Nebraska Press for the University of Idaho Press Octavia Bassett a beautiful young heiress from Bloody Gulch Nevada unexpectedly descends upon her aunt in the sleepy village of Slowbridge England As a young woman raised haphazardly by her father in the Wild West of the 1870s she finds their customs unnecessarily fastidious and difficult to understand A Fair Barbarian Frances Hodgson Burnett, 2025-07-22 Reprint of the original first published in 1880 The Antigonos publishing house specialises in the publication of reprints of historical books We make sure that these works are made available to the public in good condition in order to preserve their cultural heritage *A FAIR BARBARIAN* by FRANCES HODGSON BURNETT Frances Hodgson Burnett, 2017-04-22 The natural result of these efforts was that Miss Belinda was moved to shed a few tears I hope you will excuse my being too startled to say I was glad to see you she said I have not seen my brother for thirty years and I was very fond of him He said you were answered Octavia and he was very fond of you too He didn't write to you because he made up his mind not to let you hear from him until he was a rich man and then he thought he would wait until he could come home and surprise you He was awfully disappointed when he had to go back without seeing you Poor dear Martin wept Miss Belinda gently Such a journey Octavia opened her charming eyes in surprise Oh he'll come back again she said And he doesn't mind the journey The journey is nothing you know Nothing echoed Miss Belinda A voyage across the Atlantic nothing When one thinks of the danger my dear Octavia's eyes opened a shade wider We have made the trip to the States across the Isthmus twelve times and that takes a month she remarked So we don't think ten days much Twelve times said Miss Belinda quite appalled Dear dear dear And for some moments she could do nothing but look at her young relative in doubtful wonder shaking her head with actual sadness But she finally recovered herself with a little start What am I thinking of she exclaimed remorsefully to let you sit here in this way Pray excuse me my dear You see I am so upset She left her chair in a great hurry and proceeded to embrace her young guest tenderly though with a little timorousness The young lady submitted to the caress with much composure Did I upset you she inquired calmly The fact was that she could not see why the simple advent of a relative from Nevada should seem to have the effect of an earthquake and result in tremor confusion and tears It was true she herself had shed a tear or so but then her troubles had been accumulating for several days and she had not felt confused yet When Miss Belinda went down stairs to superintend Mary Anne in the tea making and left her guest alone that young person glanced about her with a rather dubious expression It is a queer nice little place she said But I don't wonder that people emigrated if they always get into such a flurry about little things I might have been a ghost Then she proceeded to unlock the

big trunk and attire herself Down stairs Miss Belinda was wavering between the kitchen and the parlor in a kindly flutter Toast some muffins Mary Anne and bring in the cold roast fowl she said And I will put out some strawberry jam and some of the preserved ginger Dear me Just to think how fond of preserved ginger poor Martin was and how little of it he was allowed to eat There really seems a special Providence in my having such a nice stock of it in the house when his daughter comes home In the course of half an hour every thing was in readiness and then Mary Anne who had been sent up stairs to announce the fact came down in a most remarkable state of delighted agitation suppressed ecstasy and amazement exclaiming aloud in every feature She s dressed mum she announced an ll be down immediate and retired to a shadowy corner of the kitchen passage that she might lie in wait unobserved Miss Belinda sitting behind the tea service heard a soft flowing silken rustle sweeping down the staircase and across the hall and then her niece entered Don t you think I ve dressed pretty quick she said and swept across the little parlor and sat down in her place with the calmest and most unconscious air in the world There was in Slowbridge but one dressmaking establishment The head of the establishment Miss Letitia Chickie designed the costumes of every woman in Slowbridge from Lady Theobald down There were legends that she received her patterns from London and modified them to suit the Slowbridge taste
