may say He took our daylight with him one of his fellow journalists has written that he was a jester but not of the kind that Shakespeare drew in Yorick He was not only so the writer implied the maker of jibes and fantastic devices but the bard of friendship and affection of melodious lyrical conceits he was the laureate of children dear for his Wynken Blynken and Nod and Little Boy Blue the scholarly book lover withal who relished and paraphrased his Horace who wrote with delight a quaint archaic English of his special devising who collected rare books and brought out his own Little Books of Western Verse and Profitable Tales in high priced limited editions with broad margins of paper that moths and rust do not corrupt but which tempts bibliomaniacs to break through and steal For my own part I would select Yorick as the very forecast in imaginative literature of our various Eugene Surely Shakespeare conceived the mad rogue of Elsinore as made up of grave and gay of wit and gentleness and not as a mere clown or jig maker It is true that when Field put on his cap and bells he too was wont to set the table on a roar as the feasters at a hundred tables from Casey s Table d H te to the banquets of the opulent East now rise to testify But Shakespeare plainly reveals concerning Yorick that mirth was not his sole attribute that his motley covered the sweetest nature and the tenderest heart It could be no otherwise with one who loved and comprehended childhood and whom the children loved And what does Hamlet say He hath borne me upon his back a thousand times Here hung those lips that I have kissed I know not how oft Of what is he thinking but of his boyhood before doubts and contemplation wrapped him in the shadow and when in his young grief or frolic the gentle Yorick with his jest his excellent fancy and his songs and gambols was his comrade Of all moderns then here or in the old world Eugene Field seems to be most like the survival or revival of the ideal jester of knightly times as if Yorick himself were incarnated or as if a superior bearer of the bauble at the court of Italy or of France or of English King Hal had come to life again as much out of time as Twain s Yankee at the Court of Arthur but not out of place for he fitted himself as aptly to his folk and region as Puck to the fays and mortals of a wood near Athens In the days of divine sovereignty the jester we see was by all odds the wise man of the palace the real fools were those he made his butt the foppish pages the obsequious courtiers the swaggering guardsmen the insolent nobles and not seldom majesty itself And thus it is that painters and romancers have loved to draw him Who would not rather be Yorick than Osric or Touchstone than Le Beau or even poor Bertuccio than one of his brutal mockers Was not the redoubtable Chicot with his sword and brains the true ruler of France To come to the jesters of history which is so much less real than fiction what laurels are greener than those of Triboulet and Will Somers and John Heywood dramatist and master of the king s merry Interludes Their shafts were feathered with mirth and song but pointed with wisdom and well might old John Trussell say That it often happens that wise counsel is more sweetly followed when it is tempered with folly and earnest is the less offensive if it be delivered in jest
