The Fairy Queen Henry Purcell, 1903 **The Musical Times & Singing-class Circular**, 1914 The Athenaeum, 1903 **Gustav Holst** Imogen Holst, 2012-03-15 Gustav Holst was a leading figure in the new age of English music in the late 19th and early 20th centuries His most celebrated work *The Planets* is an orchestral tour de force but he wrote music of startling originality in many forms drawing inspiration from sources as varied as English folksong oriental melody the Apocrypha and Sanskrit literature as well as from writers such as Keats Hardy Bridges and Whitman This biography by his daughter Imogen was first published by Faber in 1938 and revised in 1969 In it she quotes at length from his many letters to his friends especially to his closest colleague Vaughan Williams and draws on her personal memories of Holst's later years Holst struggled all his life against bouts of ill health and depression but his remarkable and good humoured resilience enabled him to compose great music in often difficult circumstances He was essentially a very private person and the huge popular success of *The Planets* in 1919 disconcerted him Imogen Holst describes the effect of this sudden fame on her father and records the late flowering of his music in the final years of his life **The Musical Times**, 1907 Fairy Queen - Critical Edition, Vocal Score H. Purcell Manuscripts Robert Shay, Robert Thompson, 2006-11-02 Few details are known about the life of Henry Purcell This book provides an in depth analysis of the most obvious documentary evidence of Purcell's career the music manuscripts of his own hand and those copied by his colleagues Robert Shay and Robert Thompson offer a richly illustrated study of Purcell's sources examining in detail the physical features of the manuscripts as well as their musical content Their survey sheds light on the chronology of composition and copying of Purcell's works and reassesses the place of extant autographs in his musical development Major sources are fully catalogued providing information about the context in which Purcell's music was collected and performed and his handwriting is more closely examined than ever before The book represents a significant reference tool for scholars applying a forensic approach that greatly enriches our knowledge of the composer and the music of his time Catalogue of the King's Music Library, by William Barclay Squire ...
