Faith For The Older Years Making The Most Of Lifes Second Half:

Faith for the Older Years Paul B. Maves,1986 *Older Men's Lives* Edward H. Thompson,Edward H. Thompson (Jr.),1994-06-07 In this multidisciplinary portrait of men and their concerns in later life the contributors use both a life course and gendered perspective to point out that the image and self image of men are continually reconstructed throughout the life cycle Issues examined include the position of older men in society and the changes wrought in their status and roles over time men s relationships to spouse children grandchildren and friends and policy implications *The Joy of a Faith-Filled Life* , **Wising Up** Kathy Black,Heather Murray Elkins,2010-04-01 Wising Up provides rituals and guidance for women as they age It helps them make the often difficult life transitions wisely and in the context of their faith communities Instead of focusing exclusively on time worn thresholds such as menopause marriage and divorce and dying the book contains affirming rituals on coming to terms with the changes in one s body learning to live with and depend on an item like a walker or a hearing aid giving up one s driver s license deciding how to give away one s household contents and being orphaned In addition to the rituals and guidelines on how to create one s own rituals the book contains a number of short stories hymns prayers quotations and poems to help ease women through the aging process Contributors Susan Beehler Teresa Berger Kathy Black Ruth Duck Heather Murray Elkins Brigitte Enzner Probst Martha Whitmore Hickman Martha Ann Kirk Mary Elizabeth Mullino Moore Susan Roll Deborah Sokolove Linda J Vogel and Janet Walton *Spirituality and Ageing* Albert Jewell,1999 Spirituality and Ageing presents the experience of ageing as an opportunity for spiritual reflection and affirmation of life The contributors are religious and spiritual leaders and ethical thinkers from a range of different backgrounds They define spirituality not just as a religious concept but as the fulfilment of the universal human need for purpose values and relationships a sense of wholeness in life This spiritual dimension helps people face the emotional and psychological challenges of growing older such as memory loss dementia bereavement and fear of death Existing systems of social care often focus on the material and physical needs of older people this collection proposes that the spiritual needs of older people are as vital a consideration for their welfare Through their spirituality older people can attain a fuller appreciation and understanding of life which can also inform and enrich the lives of others Spirituality and Ageing will be an invaluable resource to carers looking for a holistic and more reflective approach to work with older people *Faith Along Life's Journey* Richard Scott,2020-12-30 Who would have ever thought a shiny new 1965 Mustang would start us on a journey through life Only four years earlier she was in junior high then God stepped in and started working his plan Our journey has taken us through the deepest valleys and atop the highest mountains A journey of joy and a journey of heartache Our journey has taken us places where we didn t know where we were supposed to be until we got there I will never forget the smile on her face the twinkle in her eyes and the giggle in her laugh when she came home from the doctor Richard I am pregnant we are going to have a baby She was perfect She was beautiful I just held her and cried then reality set in I was a father Calls in

the middle of the night have always frightened me When the phone rang at 4 00 a m on May 1 1969 I awoke in a state of confusion and fear The call turned our whole world upside down
