

THE FAITH OF SAMUEL JOHNSON

Fiona MacMath

Faith Of Samuel Johnson

John Warwick Montgomery

Faith Of Samuel Johnson:

The Faith of Samuel Johnson Fiona MacMath, 1990-01 Man of Faith and Fear Carolyn Rea Stone, 1962 *The Religious Life of Samuel Johnson* Charles E. Pierce, 1983-01-01 Samuel Johnson was a deeply religious man and he came to depend on his Christian faith as the principal means by which to endure the pain of existence He sought throughout his life to render himself worthy of salvation but the difficulties which he experienced in trying to maintain a high degree of religious discipline as well as his doubts about God's ultimate concern for man and his fears of his own spiritual unworthiness led him into periods of madness and a perpetual dread of damnation Charles Pierce examines the effect of Johnson's religious concerns upon the formation of his complex character and on the great moral writing that began with *The Vanity of Human Wishes* and ended with *Rasselas* He explores the paradox of a life which was dedicated to the Christian ideal and tormented by that same ideal Previous works on Johnson's religious beliefs have been concerned with ascertaining what those beliefs were and not with their effect The main theme of this study is the importance of Johnson's beliefs in the formation of his character and their effect on the moral values expressed in his greatest writing and on the conduct of his life It will be essential to anyone interested in the life and thought of one of the greatest English literary figures **Samuel Johnson** Maurice James Quinlan, 1964 Influence of Johnson's own religious interpretation on his life and work Samuel Johnson James Silvester, 1926 **The Religious Thought of Samuel Johnson** Chester Fisher Chapin, 1968 Starting from the youthful influences that helped to form Samuel Johnson's mature religious thought Chester F Chapin goes on to consider the development of this thought and its relation to Anglican orthodoxy and to social and political questions The second and major part of the book is devoted to an analysis of Johnson's mature position on certain basic issues Chapin considers Johnson's attitude toward evidences arguing that Johnson attempted to establish revelation by grounding it in history He maintains that Johnson did not distinguish between Christian and non Christian ethics and that it was the eschatology of Christianity that he valued particularly The intensity of Johnson's fear of death and judgment is a measure of the intensity of his faith Chapin considers problems of evil of free will and of foreknowledge and necessity as Johnson struggled with them Writers that Johnson referred to argued that foreknowledge does not imply necessity but Chapin maintains that Johnson was not convinced by these arguments Experience Johnson saw was on the side of free will and for him this took precedence over theory The author then turns to Johnson's social and political attitudes His loyalty to the Church shaped other conservative attitudes Johnson did not assert that the ultimate conversion of all men to Christianity was part of God's plan and his attitude toward the non Christian world approached that of live and let live Johnson was not a relativist Since men have the ability to distinguish good from evil it follows that there is an objective moral order in the world Finally Chapin reviews the problem of human life which so occupied Johnson's mind and states that for Johnson religion was the only rational solution to this problem Chapin also presents the position of Hume and other 18th century intellectuals and provides a carefully reasoned

argument concerning various questions of theology **The Supplicating Voice** Samuel Johnson,2005-04-12 A unique one volume selection of Samuel Johnson s writings on spiritual and moral topics provides an unusually inspiring portrait of the man and his thought Most readers know Dr Johnson 1709 1784 as the formidable compiler of his famous Dictionary and as the witty conversationalist portrayed in Boswell s Life By contrast this book which draws on little known unsigned sermons he wrote for hire for clergy friends his private prayers and devotions essays poems diaries letters and even key definitions from the Dictionary offers a rare opportunity to discover Johnson s rich insight and consoling spirituality gathered in one place Boswell observed that He was a sincere and zealous Christian He was steady and inflexible in maintaining the obligations of religion and morality both from a regard for the order of society and from a veneration for the Great Source of all order This Vintage Spiritual Classics Original opens a window on the moral universe of the leading English writer of the eighteenth century *Religious Life of Samuel Johns* Charles E. Pierce,2000-12-01 Samuel Johnson was a deeply religious man and he came to depend on his Christian faith as the principal means by which to endure the pain of existence He sought throughout his life to render himself worthy of salvation but the difficulties which he experienced in trying to maintain a high degree of religious discipline as well as his doubts about God s ultimate concern for man and his fears of his own spiritual unworthiness led him into periods of madness and a perpetual dread of damnation Charles Pierce examines the effect of Johnson s religous concerns upon the formation of his complex character and on the great moral writing that began with *The Vanity of Human Wishes* and ended with *Rasselas* He explores the paradox of a life which was dedicated to the Christian ideal and tormented by that same ideal Previous works on Johnson s religious beliefs have been concerned with ascertaining what those beliefs were and not with their effect The main theme of this study is the importance of Johnson s beliefs in the formation of his character and their effect on the moral values expressed in his greatest writing and on the conduct of his life It will be essential to anyone interested in the life and thought of one of the greatest English literary figures *Between Faith and Unbelief: American Transcendentalists and the Challenge of Atheism* Elisabeth Hurth,2007-08-30 This book sets out to shed light on what is specific to American Transcendentalism by comparing it with the atheistic vision of German philosophers and theologians like Ludwig Feuerbach and Arthur Schopenhauer The study argues that atheism was part of the discursive and religious context from which Transcendentalism emerged Tendencies toward atheism were already inherent in Transcendentalist thought The atheist scenario came to the surface in the controversy about Emerson s new views Contemporary critics charged that the deity Emerson worshipped was himself Emersonian Transcendentalism thus anticipated some of the central concerns in the works of German atheists like Feuerbach From idealism to atheism seemed but a short step Faith Founded on Fact John Warwick Montgomery,2018-01-26 A provocative and controversial book intended to encourage Christian to make the case for the truthfulness of Christianity based on factual evidence Included are chapters on The Place of Reason in Christian Witness Science Theology and the Miraculous How Muslims Do Apologetics Dr

Johnson as Apologist Contains the most sophisticated refutation available anywhere of the arguments of David Hume and Anthony Flew against miracles in general and the resurrection of Christ in particular **The Life of Samuel Johnson**

James Boswell,1907 *The Life of Samuel Johnson, LL. D.* James Boswell,1907 The Cambridge Companion to Samuel Johnson Greg Clingham,1997-10-16 This Companion first published in 1997 provides an introduction to the works and life of one of the key figures in English literary history **Theology and Literature in the Age of Johnson** Melvyn New, Gerard Reedy, S.J.,2012-06-14 Seventeen essays explore the complex relationships between literary intentions and theological concerns of authors writing in the second half of the eighteenth century The diversity of literary forms and subjects from Fielding and Richardson to Burke and Wollstonecraft is matched by a diversity of theologies to argue that the age resisted secularism is by no means to argue that that resistance was blindly doctrinal or rigidly uniform the many ways secularism could be resisted is the subject of the collection Dr. Johnson as an Essayist Ludwig Eisentraut,1879 **Samuel Johnson**

After Deconstruction Steven Lynn,1992 My other works are wine and water said Samuel Johnson to Samuel Rogers but my Rambler is pure wine Some critics have disagreed labeling the essays uneven and dismissing the bulk of them as hastily concocted hackwork by a writer taking a break from or earning money for a more important project the Dictionary of the English Language Yet Steven Lynn in the first book length study of The Rambler resoundingly contradicts such critics combining deconstruction and other current methods with eighteenth century rhetorical theories Lynn refutes conventional critical wisdom among Johnsonians asserting that the 208 Rambler essays form a coherent whole Lynn argues that a controlling tenet in the series is that we are each and every one ramblers wandering and searching for some stable meaning and satisfaction which will inevitably elude us in this world By confronting this absence Johnson like a deconstructive theologian leads us repeatedly to acknowledge the necessity of faith For Lynn furthermore the unifying thread running through the series is expressed in the prayer Johnson composed as he embarked on the journey of The Rambler Almighty God without whose grace all wisdom is folly grant I beseech Thee that in this my undertaking thy Holy Spirit may not be withheld from me but that I may promote thy glory and the Salvation both of myself and others As Lynn shows though Johnson anticipates deconstruction his controlling evangelistic aim differs profoundly and instructively from it **The Works of**

Samuel Johnson Samuel Johnson,1903 Singers and Songs of the Liberal Faith Alfred Porter Putnam,1875 **Samuel Johnson: A Layman's Religion** Maurice J. Quinlan,1964 Samuel Johnson and Eighteenth-century Thought Nicholas Hudson,1988 In Samuel Johnson and the Making of Modern England Nicholas Hudson argues that Johnson not only came to personify English cultural identity but did much to shape it Hudson examines his contribution to the creation of the modern English identity approaching Johnson's writing and conversation from scarcely explored directions of cultural criticism class politics feminism party politics the public sphere nationalism and imperialism Hudson charts the career of an author who rose from obscurity to fame during precisely the period that England became the dominant force in the Western world In

exploring the relations between Johnson's career and the development of England's modern national identity Hudson develops new and provocative arguments concerning both Johnson's literary achievement and the nature of English nationhood book jacket

Discover tales of courage and bravery in Crafted by is empowering ebook, Unleash Courage in **Faith Of Samuel Johnson** . In a downloadable PDF format (Download in PDF: *), this collection inspires and motivates. Download now to witness the indomitable spirit of those who dared to be brave.
