Faith Worth Believing:

Leaving Religion Finding God Terry S Wise, 2021-07-12 Christianity is on life support these days because of its dogged adherence to literalism and nonsensical doctrines that force us to either abandon our intellect in order to maintain our faith or cast our faith aside in order to maintain our intellect Neither option is the right path Something has to change It is time to embrace a new perspective a faith that is coherent relevant to the age in which we live and aligned with the integrity of heart and mind It is time to leave behind the archaic beliefs of a less enlightened age and discover a twenty first century God worth believing and following Leaving Religion Finding God will challenge your assumptions preconceptions and religious understandings You will meet a God you never knew existed and gain a greater appreciation for the Christian message as it was meant to be told You may even experience a spiritual transformation of epic proportions Buckle your seat belt your understanding and experience of God are about to change Are you up for the challenge **A Faith Worth Believing Tom** Stella, 2011-09-13 How can we have an authentic faith when we no longer have well defined codified beliefs Where do we turn to better understand our relationship with God when the messages of the Church seem simplistic This book is for all those who are asking the tough questions and are not satisfied with the answers they are receiving Believing, Living, and Commending Dennis Ngien, 2008-03-01 The materials presented here are reflections on a variety of topics a belief in God's suffering and the pastoral implications of this Luther's theology of preaching practical approaches to evangelistic preaching pastoral advice on death and dying apologetic preaching in a post Christian culture on the model of Paul effective living in the power of the Holy Spirit striking a balance between enthusiastic service and fervent love the image of God's love in the Old Testament and personal exhortations Although this book was written on the balcony of my own study where reflection and meditation are carried out it is cognizant of ministry contexts where people s needs and struggles are most evident With anecdotes and analyses the readers will be enabled to discern the signs of divine transcendence in their lives and to apprehend or rather to be apprehended by the beauty of God's grace the abiding basis of our being and well being What has been written in this book reveals the heartbeat of a mentor who earnestly hungers for divine beauty and holiness a mentor whose hunger God eagerly fulfills just as he promises and a mentor who wishes this same fulfillment to happen for readers The basic assumption in this book is this a faith that is worth believing is a faith that is worth living and thus worth commending The book is also an exercise of faith seeking understanding understanding only God could supply It is written with the hope that it will lead readers from knowing God to loving him to enjoying him and finally to proclaiming him so that others will be brought into the orbit of God's inestimable grace Not until our hearts which God's heart touches touch the heart of others is our ministry complete and our life found pleasing to God A Christianity Worth Believing Doug Pagitt, 2012-02-07 A Christianity Worth Believing offers an engaging come with me on a journey of exploring the possibilities approach to what it means to be a follower of Jesus in our day Written by Doug Pagitt a leading voice in the

McLaren, 2021-01-05 From the author of A New Kind of Christianity comes a bold proposal only doubt can save the world and your faith ONE of the Best Spiritual Books of 2021 Spirituality Practice Will help you live fuller and breathe easier Glennon Doyle Sixty five million adults in the U S have dropped out of active church attendance and about 2 7 million more are leaving every year Faith After Doubt is for the millions of people around the world who feel that their faith is falling apart Using his own story and the stories of a diverse group of struggling believers Brian D McLaren a former pastor and now an author speaker and activist shows how old assumptions are being challenged in nearly every area of human life not just theology and spirituality He proposes a four stage model of faith development in which questions and doubt are not the enemy of faith but rather a portal to a more mature and fruitful kind of faith The four stages Simplicity Complexity Perplexity and Harmony offer a path forward that can help sincere and thoughtful people leave behind unnecessary baggage and intensify their commitment to what matters most Faith: The Link with God's Power Reinhard Bonnke, 2014-03-03 God s Gift to All Believers Some believe that simply having faith is an entitlement to blessing and prosperity Others believe that faith in oneself is all that is needed in life Still others contend that faith is a cosmic force that breeds superhuman super spiritual invincible power It is none of these Faith is not something requiring you to believe in what you know is not true nor is it believing something for which there is no evidence The Bible a book all about faith provides the evidence that makes faith so vital so important and so astounding In Faith The Link with God's Power international evangelist Reinhard Bonnke draws from his years of personal study and vibrant ministry to reveal that Faith is like a wiring system that carries power into our lives Faith itself is not the power but it links us to the power source There is no link to God's power without faith Our belief in what happens tomorrow stems from what we already experienced yesterday It is not the size of your faith but the size of the God you believe in that determines the results Reinhard Bonnke is more qualified than most to shed light on what it means to minister in the power of the Holy Spirit He and his CfaN team regularly conduct gospel crusades in Africa where signs and wonders follow the preaching of the gospel In one six day crusade more than 1 600 000 people attended a single service with 3 450 000 making positive decisions for Christ over the course of the event Indeed these are days in which God s The Gospel of Inclusion, Revised Edition Brandan J. Robertson, 2021-12-08 One of the most people can abound in faith fiercely debated topics in modern Christianity centers on the inclusion of sexual and gender minorities into the full life of the church Dozens of scholars have stepped forward seeking to make a compelling case for LGBT inclusion based on their contextualized reading of the six traditional passages that refer to homosexuality in Scripture But these arguments alone fall

short of providing a comprehensive framework for radical inclusion of LGBT people In The Gospel of Inclusion pastor and public theologian Brandan Robertson offers a compelling assessment of the biblical texts cultural context and modern social movements to suggest that the entire thrust of the Christian gospel calls the church towards the deconstruction of all oppressive systems and structures and towards the creation of a world that celebrates the full spectrum of human diversity as a reflection of God's creative intention **Understanding the Faith** Jeff Myers, 2016-06-01 Does the Bible have authority in a world committed to relative truth The understanding of absolute objective truth has been largely lost Spend just a few minutes discussing politics or religion and you ll hear responses like There is no truth or That may be true for you but not for me Understanding the Faith dares to wade into the middle of the controversy with chapters such as Is God Christian Isn t Claiming Truth Intolerant Is the Bible Anti Science Summit Ministries half century of teaching this first volume of the Understanding the Times Series is your definitive resource for deepening and defending your faith It s a required resource for every Christian s bookshelf A Parent's Guide to Teens & Doubt Axis, 2018-11-01 Doubts can be alarming but they don t have to be This guide encourages you to let the conversations flow as you join your teens in their search for truth in the midst of a culture that preaches tolerance as king You ll touch on questions like Does truth exist What if my teenager doesn t care if God exists Is there evidence that God exists Could that evidence point to a different God Can we trust the Bible Parent Guides are your one stop shop for biblical guidance on teen culture trends and struggles In 15 pages or fewer each guide tackles issues your teens are facing right now things like doubts the latest apps and video games mental health technological pitfalls and more Using Scripture as their backbone these Parent Guides offer compassionate insight to teens world thoughts and feelings as well as discussion questions and practical advice for impactful discipleship Faith Simplified Aaron Armstrong, 2025-05-20 Curiosity Welcomed A Clear and Concise Explanation of Christianity The Christian faith has incredible life changing power And yet too many people Christians included know too little about it The more we truly come to know God his words and his works the more our lives become ripe for transformation With practical teaching and relatable storytelling Faith Simplified unpacks the faith defining truths of Christianity and their profound bearing on how you live each day Addressing the curious the questioning and the committed alike author Aaron Armstrong draws on biblical knowledge and centuries of Christian theology to cast light on the faith's potential to powerfully affect your life With abundant insights and engaging discussion questions in every chapter Faith Simplified will inspire both individuals and groups to embrace faith in fresh compelling ways This accessible guide will help you take these truths to heart so you can understand and experience the blessings of Christianity at their fullest Faith in the Plains Esther Favager, 2025-07-18 Faith in the Plains A Christian Romance Novel A Love Story Rooted in Redemption When broken hearts meet divine grace miracles bloom on the prairie In the summer of 1925 James Callahan arrives in Hopewell South Dakota carrying wounds that run deeper than his war torn past Haunted by trauma and struggling with addiction this World War I veteran seeks refuge in a small farming community

The Faith of Jesus Herbert E. Douglass,2002 The fundamental misunderstanding of faith Herbert E Douglass writes is one of the crucial reasons not only for the multiplicity of Christian churches but also for the wide variances interpreting almost every Biblical doctrine For example Seventh day Adventist discussing the issue of righteousness by faith focus their attention on such terms as justification sanctification and even righteousness and make the too often erroneous assumption that everyone understands the nature of faith itself What is faith It is intellectual assent a deep conviction a trust in something or someone or what Revelation 14 12 declares that God s people before His return will have the faith of Jesus What is the faith of Jesus Living By Faith, Dwelling in Doubt Kyle R. Cupp,2013-09-01 It may seem as if the concept of faith has become a line in the sand you either have it or you don't that you are either certain or you are lost But as author Kyle Cupp has learned we can have an uncertain faith while still being confident in and committed to our belief in God He shares the pressing questions and winding path to understanding in Living by Faith Dwelling in Doubt Pushed off a spiritual precipice after the death of his daughter only a few shorts hours after her birth Cupp shares his ongoing spiritual journey from the certainty of truth during his college years through the shaken faith that can come with lived experience to the burgeoning confidence that it takes to live somewhere in between Cupp reconciles his doubts about faith and religion and

reaches a place where he is confident that faith and uncertainty can exist side by side It is the belief in the mystery that is faith and the awesome power of boundless love that makes the winding path of faith passable Holding Faith Prof. Cynthia L. Rigby, 2018-04-17 Martin Luther wrote Faith takes hold of Christ and has Him present enclosing Him as a ring encloses a gem We hold faith as we seek to know Christ better exploring Christian doctrines and deepening our understanding of their relevance to our day to day lives Faith holds us as we respond to Christ's calling negotiate life's challenges and join in the work of bringing in God's kingdom This introduction to Christian theology shows how various understandings of particular doctrines play out in relation to the way we live our lives It explores the content of core Christian doctrines and celebrates the so what of each Using theological literature and Scripture but also current events sociology fiction and movies Rigby shows that theology is key to how we come to understand and negotiate our world Holding Faith contends that some approaches to Christian doctrine are preferable to others making persuasive arguments for creative ways of believing that can enlive our lives and the life of the world Theology has relevance because it can stymie or transform How will we hold our faith Cynthia Rigby has written an accessible and lucid book of theological reflection for today s believers seekers and doubters This is no small feat The book succeeds in the daunting challenges of presenting Christian theology with clarity and completeness with commitment and generosity It is an admirable text for theology students pastors and all those interested in understanding more deeply their faith and life Leanne Van Dyk President and Professor of Theology Columbia Theological Seminary Decatur GA This is an extraordinary book Cynthia Rigby is a Reformed theologian a minister and a teacher All of these gifts are evident in Holding Faith as Rigby offers an eloquent introduction to Christian theology that is academically rich pastorally sensitive and profoundly accessible She does not make theology accessible by watering it down but rather by explaining it with compelling clarity Holding Faith is perfect for seminarians pastors church groups and curious souls for those who are new to Christianity and those who have been studying and living Christian faith their entire lives It will be an enormous blessing to those who teach theology and those who preach the gospel Shannon Craigo Snell Professor of Theology Louisville Presbyterian Theological Seminary Louisville KY Cindy Rigby s is a timely necessary and accessible voice in theological discourse not only for those who together comprise Christendom but also for those who are curious enough about what Christian doctrines offer by way of challenge critique and comfort in our increasingly distracted fractious world Holding Faith is a prophetic priestly and pastoral defense of a faith tradition that historically contributed to this oppressive state of affairs yet undoubtedly remains rife with redemptive possibility for individuals communities nations the cosmos In its pages Rigby provides church folks people of other faiths seminarians and inquisitive nones with a thoughtful place to search out our private and corporate relationships to the God whom the doctrines signify however imperfectly JoAnne Marie Terrell Associate Professor of Theology Ethics and the Arts Chicago Theological Seminary For those of us who teach theology it s rare to find a text that is accessible to those with no previous exposure to theology while also introducing readers in deep

and expansive ways to major doctrinal teachings But Rigby has managed to accomplish both here This is a profoundly personal and invitational approach to thinking theologically in ways that demonstrate the relevance of ancient teachings for our world today And it is also a serious engagement with the biblical text a vast array of historical and contemporary theological voices poetry literature film and more this introduction to theology will empower readers to hold onto faith in new and exciting ways Deanna A Thompson Professor of Religion at Hamline University St Paul MN **Faith and Delusion** Father Nikita Grigoriev, 2011-05-18 This book is a giant jig saw puzzle that took a lifetime to put together The author has always been driven by a need to know really know and understand the essence of things and how they all relate to each other To that end he has studied many things lived and worked in many countries and learned to do many different things This book is the result of much reflection and inspiration in putting all the pieces together. This is an eagle seve view of the human story from Adam to the Antichrist It is the story of man's relationship with God full of remarkable insight and touching compassion and inspiration This is the story of the war against God for the heart of man It is a unique and unprecedented book in its scope clarity and conciseness Finding God Beyond Religion Tom Stella, 2013 Do you describe yourself as spiritual but not religious Whether young or old church connected or not are you spiritually restless for an authentic faith life but do not find conventional religious teachings pertinent to you This accessible guide to a meaningful spiritual life is a salve for your soul It reinterprets traditional religious teachings central to the Christian faith God Jesus faith prayer morality and more in ways that connect with people who have outgrown the beliefs and devotional practices that once made sense to them
