Cockayne, Scott Harrower, Preston Hill, 2022-06-08 Whether we realize it or not our churches are full of those who have experienced and are living with the aftereffects of horror and trauma whether as survivors carers or perpetrators The central question of this book is simple How can our churches become open to the Trinity such that they are trauma safe environments for everyone How can we join the triune God to become trauma safe churches While the reality is bleak the church can dare to hope for healing because of the reality of God and the body of Christ Using the metaphor of the dawn of Sunday the authors propose a double witness to trauma that straddles the boundary between the deadly silence of Holy

Saturday and the joy of Easter Sunday While witnessing loss and lament we can also be open to the possibility of new life through God's trinitarian works of safety and recovery in the church This involves adopting some basic principles and practices of trauma safety that every pastor congregation and layperson can begin using today Creating trauma safe churches is possible through God the Trinity

**Sugar-Free Religion** Denny C. Wise, 2014-06-27 Sugar Free Religion is part biographical part religious instruction and part just a fun read Denny believed we are called to be Christian change agents As such he believed we must be willing to relate not only to the beautiful people of this world but to the not so beautiful as well We are called to give hope to the hopeless and love to the unlovely That is what Jesus did and that is what he calls us to do In short the whole Gospel is not about following the right rules It is about following Jesus and loving your neighbor It is not about believing the right stuff it is about personal life changing relationships Relational Theology was Denny's entire ministry It is what he taught and how he lived So if you really want to expand your consciousness and find your true authentic self then why not try looking at every person you meet as a special gift from God Every stranger is a wonderful opportunity for you to experience new joy self fulfillment and self discovery So reach out and touch someone Comfort a friend who is hurting Give hugs to everyone Be kind to a lonely child Visit the aged in nursing homes Take flowers to someone who is sick Bring cheer to someone who is dying Give comfort to someone in grief Gladly give yourself away That is how you find your life by losing it Most of the stories and examples in the book come from first hand experience From Wilmington to Burlington and from Laurinburg to Oxford he became a part of the lives of the parishioners he was sent to serve So get ready to have your heart strangely warmed as you read the pages of his book He will knock the sugar coating the marshmallow fluffiness and even the sugar sprinkles from your faith Open your heart and your mind for a new experience Don't worry if a few things fall to the wayside That's OK because from there you can begin to build your own bright shiny faith free of the stickiness Experience now the joy of living a life without the ick Judy Wise *The Weekly Christian Teacher*, 1839 The Utica Christian Magazine, 1815 The Oxford Dictionary of the Christian Church Frank Leslie Cross, Elizabeth A.
