Second edition. With a portrait* William CARVOSSO,1847     **The Religious Feeling** Newman Smyth,1877 In the struggle for existence which is ever going on in literature as in life a new book should show some variation however slight from others of its kind by means of which it may be better fitted to the surrounding conditions of thought and hope to survive for a season The reason this little book has for its appearance is a slight departure from the usual forms in which the evidences of faith are presented by which it is sought to adapt them more perfectly to the sceptical surroundings of thought in our day The variation by which this new venture among the great multitude of books hopes to live and to be useful may be said to be the result of a process of natural selection in an American mind from the German idealism and the English positivism The substance of it first formed itself in the author s mind during a season of quiet study of modern German thought and he has since found the reasoning which then enabled his own faith to survive useful in conversation with friends whose scientific studies had both brought them into unwilling doubts concerning those spiritual truths which give to life its real value and at the same time thrown the prevalent proofs of religion out of all relation to their habits of mind Preface PsycINFO Database Record c 2010 APA all rights reserved     **Unveiled Faith** Wade M. Hurt,2009-10 So then faith comes by hearing and hearing by the word of God Romans 10 17 A spiritual journey is awaiting you If you have lost your footing in your Christian life or have slowly let yourself become blinded by the world then you are in need of divine faith Guided by Scripture you will unlock the mysteries of the early Church as you learn the difference between biblical faith divine faith human faith and counterfeit faith Through this wisdom you will come to know what the perfect will of God is for your life helping you to better understand the blessings he has in store for you on this earth as well as in heaven By submitting yourself to the present voice of God you will become stronger spiritually and tighten your focus on your duties as a Christian By picking up this book your understanding of faith will never be the same Join author Wade M Hurt down the path to Unveiled Faith     *Faith and Fortitude* Crispin Rogers,2022-05-26 The life story of John Rogers first of the Protestant Martyrs under Queen Mary and editor of the first authorised English Bible told as if in his own words from a newly discovered secret manuscript hidden in the walls of Newgate Prison This historical fiction is based on a core of extraordinary historical fact enlivened and elucidated by plausible fiction from the Martyr s twelve times great grandson The story spans John Rogers early formative life in Deritend and exhilarating time at Cambridge where the future leading lights of the English Reformation were gathered and famously congregated in The White Horse pub otherwise known as Little Germany in reference to the seat of European Reformation On to Oxford and then following several seminal experiences into the Catholic Church leading one of the London churches under the shadow of St Paul s Circumstances and his conscience lead him then to Antwerp where he encounters

and is forever influenced by the Bible translator William Tyndale Evangelical conversion follows for Rogers and after Tyndale's execution it is Rogers who completes the Thomas Matthew Bible the first authorised English Bible in the reign of Henry VIII In Antwerp he also meets and marries the love of his life Adriana who becomes his lifelong companion and counsel and with whom he has eleven children With Adriana he moves to the very heart of Reformation Wittenberg where he meets and befriends Philip Melanchthon confidant to Martin Luther himself A pastoral role in the Lutheran Church in Meldorf follows where Rogers faces the challenge of taking on a congregation that had lynched their previous minister in a drunken riot Meanwhile King Henry VIII's death heralds the ascension of his son King Edward VI whose predisposition toward Protestantism under the influence of his reformist Council drives reformist policies forward Rogers at last considers it safe to return to his homeland and is rewarded with the livings of St Sepulchre's in London and a Prebendary at St Paul's Halcyon days for the reformists but reversal follows on King Edward's untimely demise and the ascension to the contested throne of his sister the Catholic Queen Mary Called upon to preach at St Paul's Cross in these tumultuous and dangerous times Rogers first adopts a cautious approach adhering closely to uncontested aspects of the Gospel But when called upon to do so again just three weeks later he senses his destiny and preaches boldly and bravely against what he sees as the errors inequities and evils of the Papist Catholic Church at the time Inevitably this leads to his arrest initially house arrest but subsequently imprisonment in the infamous Newgate Prison Once the Privy Council has had reinstated the medieval Act directing the burning of heretics Rogers is finally summoned before them to answer for his beliefs Unwilling to betray his faith he remains resolute under examination and is thus excommunicated and passed over to the civil authorities for sentencing to death by burning His final day arrives and he goes boldly to meet his end meeting his wife and eleven children the last of whom he sees for the first and only time on this his last walk as he passes St Sepulchre's on the way to Smithfield Resolute to the last in his beliefs Rogers shows extraordinary bravery in meeting his end washing his hands in the flames and praising the Lord to his last breath whilst the watching crowd celebrate his faith and fortitude His life work and death will have lasting impact on the future of Reformation and Protestantism in England and the world for centuries to come

*When Religious Faith Collides with Science* Jan M. Long,2016-08-17 A 2014 Gallup Poll indicated that 26 percent of Americans believe that humans came into existence less than 10 000 years ago with a much larger 37 percent believing the world was created in six 24 hour days Those percentages represent around 83 million and 118 million people respectively suggesting these to be ideas that resonate with a large swath of the population Given the prevalence of such thinking the question looms Is it possible that so many people could be wrong or is science simply mistaken about some of these matters This book is very much about the importance process plays in the conclusions that are reachable with Jan Long proposing that process itself can answer such questions doing so in a way that offers credibility He proposes that process entails a set of well established rules for how knowledge is acquired and these can help guide the formation of a sacred construct about beginnings In the final analysis it is a process that seeks to replace dogmatic thinking with humble and tentative expressions about that which is knowable about the many mysteries of reality that convey to sentient beings awe and wonder

**Faith, Conflict, and Resolution:**

**Navigating The Great Controversy between Good and Evil** Keith Hudson Muloongo, 2025-05-06 In a world of spiritual confusion and relentless conflict Faith Conflict and Resolution offers a beacon of clarity and hope Drawing from the timeless insights of The Great Controversy this book delves into the cosmic battle between good and evil revealing how ancient truths illuminate modern struggles Through scholarly yet accessible prose the author unpacks key themes the centrality of Scripture the dangers of complacency and the transformative power of discernment Readers will explore how historical events prophetic fulfillments and personal faith intersect equipping them to navigate life's storms with courage and conviction But this is more than a theoretical exploration it's a call to action Each chapter provides practical steps for applying biblical principles to everyday challenges With its unique blend of pastoral wisdom and theological depth the book makes ancient doctrine relevant for today offering readers not just knowledge but actionable wisdom Beware the sirens of superficial faith fixating on hollow debates not Scripture's depths True discernment demands looking beyond tradition pride and half truths Critics may mock vigilance dismissing prophecy spiritual discipline or the cosmic conflict itself as relics or folly But complacency shipwrecks more souls than storms We sail past the sirens of superficiality here the rocks are real but so is the lighthouse Engage with humility test every insight against Scripture and the Holy Spirit's whisper or risk drifting into the very deceptions the book warns against Whether you're a seasoned believer seeking deeper understanding or a curious seeker exploring faith for the first time Faith Conflict and Resolution will inspire you to live with purpose stand firm in truth and joyfully anticipate Christ's return The stakes of The Great Controversy are eternal choose wisely lest you anchor in shallow waters while the tempest rises
