Faith Founded On Fact Essays In Evidential Apologetics:

Faith Founded on Fact John Warwick Montgomery, 2003 Faith Founded on Fact John Warwick Montgomery, 2018-01-26 A provocative and controversial book intended to encourage Christians to make the case for the truthfulness of Christianity based on factual evidence. Included are chapters on The Place of Reason in Christian Witness, Science, Theology, and the Miraculous. How Muslims Do Apologetics. Dr. Johnson as Apologist. Contains the most sophisticated refutation available anywhere of the arguments of David Hume and Anthony Flew against miracles in general and the resurrection of Christ in particular. **Apologetic Opportunism** Brian Flamme, *A Thematic Access-Oriented Bibliography of Jesus's Resurrection* Michael J. Alter, 2019-12-31 The keystone of Christianity is Jesus's physical bodily resurrection. Present-day scholars can be significantly challenged as they forage through voluminous documents on the resurrection of Jesus. The literature measures well over seven thousand sources in English language books alone. This makes finding specific sources that are most relevant for specific scholarly purposes an arduous task. Even when a specific book is relevant, finding the parts of the book that are most relevant to the resurrection rather than other topics often requires additional effort. A Thematic Access Oriented Bibliography of Jesus's Resurrection addresses these challenges in several ways. First, the bibliography organizes more than seven thousand English sources into twelve main categories and then thirty-four subcategories which are designed to help you find the most relevant literature quickly and efficiently. Embedded are pro and con arguments which support efficient access through brief annotations and then annotate the diversity and complexity of the field of religion by including sources that represent a diverse range of views: theistic e.g. Christian, Jewish, Muslim, etc., agnostic, and nontheistic. The objective of this bibliography is to provide convenient access to relevant sources from a variety of perspectives, allowing you to browse or find the one source accurately and with ease. **Mapping Apologetics** Brian K. Morley, 2015-02-10 How and why do people believe? This comprehensive guide provides an overview of Christian apologetic approaches and thinkers in a way that even the nonspecialist can understand and practically apply. Even-handed and respectful of each apologist and their contribution, this book provides the reader with a formidable array of defenses for the faith. Reimagining Apologetics Justin Ariel Bailey, 2020-10-13 How should one proclaim the gospel of Jesus Christ in a secular age? Seeking to infuse apologetics with an appeal to the imagination, the aesthetic, and the affective, Justin Bailey engages with two examples of those who have done apologetics through the imagination: George MacDonald and Marilynne Robinson. *The Facts on Islam* John Ankerberg, John Weldon, Dillon Burroughs, 2008-08-01 John Ankerberg, John Weldon, and Dillon Burroughs team up to revise and update *The Facts on Islam*, a popular Facts On book. More than 1.9 million copies of books from this series sold. Known for their extensive research and Bible knowledge, these authors offer readers the essential facts they need to evaluate and discuss today's issues regarding Islam. The concise, easy-to-follow information helps readers answer such questions as: How did Islam begin and who was Muhammad? What do Muslims believe and what do they teach?

about Jesus Is Allah the same person as the biblical God Whether readers are merely curious or searching for specific information The Facts on Islam will give them what they are looking for easy to understand factual and relevant information about Islam

Resurrection, Scripture, and Reformed Apologetics Steven D. West, 2012-07-26 Apologetic methodology has been the subject of intense debate in Reformed circles This book argues that we can test Reformed apologetic methods for consistency using two linchpin theological topics the doctrine of the resurrection and the doctrine of Scripture Should apologetics move from establishing theism to the resurrection and then to Scripture Or should theism the resurrection and the doctrine of Scripture be accepted on the testimony of the Holy Spirit as basic beliefs Alternatively do these doctrines need to be presupposed and incorporated into a transcendental defense of the faith After analyzing classical apologetics historical evidentialism Reformed epistemology and presuppositionalism for their apologetic cogency Steven D West contends that any method used by Reformed apologists should be able to argue successfully for a high view of Scripture the source of the doctrine of the resurrection The book will be useful to everyone interested in the relationship between theology philosophy and apologetics

Principles of the Law of Evidence and Rationality Applied in the Johannine Christology Henry Hock Guan Teh, 2016-02-10 Those who give primacy to evidence in the apologetic task have long maintained that 1 this is exactly the biblical writers approach maintaining as they do that they saw and heard the things of which they speak and 2 such reasoning is fundamental to society in general as exemplified in every civilised legal system Henry Hock Guan Teh concretises these vital points by way of the Gospel of John where the Apostle consistently marshals eyewitness evidence to show that Jesus is the Christ the Son of God and that believing you might have life through His name John 20 31 No finer or more scholarly support for a biblically grounded factual juridically sophisticated defence of Christian truth is available Professional and lay evangelists and anyone endeavouring to preach the gospel to every creature simply must obtain and benefit from this book And sceptical lawyers needless to say owe it to themselves to wrestle with the author's case for the only historical religion that holds up in court John Warwick Montgomery Ph D D Theol LL D Professor

Theosis Michael Paul Gama, 2017-02-20 Evangelicalism is reaching an inflection point The exodus of
 millennials from Evangelical churches and the growth of those self identifying as Nones as in None of the Above for their
 church affiliation is concerning for the movement's future Evangelical leaders offer mixed responses to this challenge from
 circling the wagons to an enthusiastic Everything must change posture Theosis takes a different approach Seeking to
 understand Evangelicalism and its origins this book suggests that Evangelicalism is best understood as the sibling of western
 Enlightenment Modernity which served it well until the modern cultural ethos began to shift dramatically toward post
 modernity In this shift young Evangelicals principally postmoderns themselves are abandoning their father's Evangelicalism
 and its perceived linearity hyper rationalism either or exclusivity and faith expression too often perceived as stripped of
 mystery and wonder Theosis proposes that to move forward Evangelicalism must go back to the future to re engage with the
 patristic understanding of salvation as theosis deification or union with God This radical return and broadening of the
 doctrine of salvation has begun to gain traction in Western Christendom slowly being considered as it has always in the

Almodovar, 2021-03-19 The Apostles Creed was used in two distinct ways by the early Christian church first as a tool to teach new disciples the essentials of the faith and second as a defense for the faith from unbelievers and skeptics alike In the world today many are engaged in apologetics but with their presuppositions and subjective reasoning they offer the world nothing different than their own subjective beliefs Using the Apostles Creed as a guide enables the Christian to give a hope for the faith within using objective truths based on eyewitness testimony This book teaches you how to use the Creed to stay on topic and bring out the essentials of the faith in a concise and graceful manner Dr Almodovar gives a rubber hits the road approach to apologetics offering various scenarios to show how Creedal apologetics is accomplished This simple tool the Apostles Creed once used for defense is dusted off polished up and sharpened so that today's Christians can defend and proclaim the great gospel of Jesus Christ to a world in desperate need of the forgiveness of sins and new life in his name
