*Faith Lies* Darrell Smith, 2019-01-08 Faith Lies 7 Incomplete Ideas That Hijack Faith and How to See Beyond Them is for people noticing the cracks in the foundation of their faith as well as those who feel they have been hurt or discarded by a God or a faith that just does not make sense Faith lies are those seemingly required religious ideas or spiritual beliefs that are often confusing and rarely helpful LIE 1 The Bible is the Literal Word of God The Bible is not the written record of God's dictation God was most certainly the inspiration for the Bible but not the medium People were the medium they did the storytelling the writing the selecting and the interpretation that resulted in the Bible The Bible is not God's Bill of Rights and Constitution Rather it is a divinely inspired story of progression that should open things up rather than constrict and regulate LIE 2 God is Angry and Doesn't Like Me Especially When I Sin Instead of perceiving God as a loving parent many of us understand God as a cosmic scorekeeper intent on our purification Understanding God as a loving parent not only requires a reframing of our perception of God but also invites us to see each other and ourselves as beloved children LIE 3 The Devil is God's Counterpart This is the bad idea that the Bible presents a continuous consistent narrative about the devil It simply does not Moreover when we string together what we actually have disparate statements about satan made by different people from different places languages cultures and times we arrive at the strange notion that there is a good god who is responsible for the good things in our lives and a bad god satan who handles the bad stuff LIE 4 I Am Supposed to Protect and Defend God and My Faith There are real tensions and conflicts around the globe today that are built on the notion that as people of faith one of our jobs is to defend our faith or our God Rather than settling for a god who needs our protection we can follow the powerfully divine thread of moving beyond the tribe that is found throughout the Bible LIE 5 There is One Right Way to Believe and One Right Way to Behave One of the

root lies of fundamentalism in all faiths is the notion that true faith is defined by believing the right things and acting the right way Isn't it more likely that we are all part of a diverse creation that flows from a God that cannot be contained by any one belief or behavior

**LIE 6 Faith is a Private Matter** Much like whom we voted for in the last election or how much money we make people have wrongfully accepted the idea that faith is a private matter and not to be shared with others The spiritual life has always been a communal life We require others to undertake our journey and others need us too

**LIE 7 Real Faith is Blind Belief** The idea that true faith has no doubts or questions creates a powerless and impotent faith that discourages critical thinking and fosters the ridiculous assumption that science and faith are unrelated Real faith actually requires doubt criticism and exploration in order to change us let alone change the world While the loud voices at the margins adamantly declare faith either completely irrelevant or capable of being contained in one narrow ideology most people get lost in the mix feeling no certainty or comfort in either direction

**Faith Lies** deconstructs the terrible notion that faithlessness and fundamentalism are our only options

Paul Heil,2023-11-16 This book presents a comprehensive treatment of all of the parables in the Gospel of Matthew It discusses the significance of each parable as it is heard within the progression of the narrative Rather than focusing on the intent of Jesus the parable teller or of Matthew their redactor it is concerned with what happens as the authorial audience interacts with the parables      **Fearless Faith** Joan Huffman,2017-05-31 Fearless Faith is a book of inspiration It is written to the glory of God It has Biblical references that will show how God is there for us This book is intended to provide help in times of need or trouble or darkness It can also be used as a Bible Study to guide people to see how to rely on God in all situations This book provides not only real life situations from my life where God has taken control but gives example of times in the Bible where God was in control and helped His people Hopefully this book will provide help and comfort to needy and confused who long for comfort and want to learn how to be fearless in their faith      What Does the Bible Say about That? Carolyn Larsen,2009-01-14 Hundreds of everyday topics and cartoons spice up this kid friendly book to assure 8 to 12 year olds that God s Word is relevant to their lives Most kids don t realize it but God s Word has a lot to say about the things they care about most and this lively book leaves no doubt about it Covering more than 300 everyday topics in conversational engaging one page units 8 to 12 year olds will get biblical perspective on such topics as homework dieting anger sports classmates the telephone puberty careers siblings rules self confidence world events sleep friendship nature movies embarrassment tattoos integrity and knowing God plus many more Each page of this kid friendly book illustrates what a particular topic has to do with the Bible what the Bible says about it and how the Bible s teaching applies to readers so that they begin to understand how relevant God s Word is to them And with 200 original cartoons spicing up the presentation What Does the Bible Say about That is quite simply an unforgettably fun book for elementary age kids and a great conversation starter for adults who know them      **Keeping Faith in an Age of Reason** Dr. Jason Lisle,2017-09-20 Critics often claim that the Bible cannot be true because it has contradictions Other critics hear this claim and repeat it But few bother to check to see if it is really true A popular list of 439 alleged Bible contradictions has been circulating on the Internet for years Many critics refer to this list as the definitive proof that the Bible is flawed But apparently none of them bothered to actually check Interestingly not one of these 439 claims is a genuine contradiction This shows that critics generally do not perform careful scholarship When critics allege that the Bible has contradictions Christians should be ready and able to provide an intelligent answer The idea that people reject the Bible for good intellectual reasons is a myth and it needs to be exposed as such In the process of researching the biblical text we learn more about God and His sovereignty throughout human history The Bible really is supremely accurate and self consistent critics of the Bible are not Although there are a handful of Christian resources for answering alleged Bible contradictions none are so expansive in so short a volume Each answer is as concise as possible so that the book is not overly cumbersome Many Christians have heard the claim that the Bible has contradictions and they would like to be better equipped to answer the critic This book is for them      **Faith**
