this year 2013 It is in loving memory of her that I dedicate this book with hopes that many will be encouraged and helped in their quest to Live and Keep from Dying Dick Braswell 2013      The Prophetic Pursuit Chris Kleinsmith,2022-08-01 Everyone has a prophetic destiny The two most powerful days in your life is firstly the day you were born secondly the day you discover why you were born Once you discover your reason this will set you on the trajectory towards the fulfilling of your purpose How do you fulfil your prophetic purpose What are the principles you need to apply What keys do you need to make it happen Where do you go and with whom do you need to connect to see it come to pass This is what this book is about This book is for the person who discovered his reason This book is for those who are ready to journey to the fulfilment of their prophecy In the event you have not discovered the prophetic you you have the right book in your hand As you glean through the pages the Holy Spirit will begin to speak remind and brood on you prophesying your purpose      **Faith Healing Ministry** Gwendolyn Washington,2020-08-25 Faith Healing Ministry A Christian Education Model for Clergy and Laity The purpose of this book is to begin an intentional effort to retrieve the ministry of faith healing using a Christian education model to educate train clergy and laity Healing as a spiritual gift for the body of Christ is a much neglected gift due to variables that may be altered to benefit multitudes In my research and study I have discovered it is the lack of knowledge in understanding the gift of healing and how to operate it that caused so many to be indifferent about it Jesus came so that our souls may be saved and to heal our bodies A scriptural reference is Isaiah 53 5 But He was wounded for our transgressions He was bruised for our iniquities the chastisement of our peace was upon him and by His stripes we are healed This sums up the purpose for Jesus coming to earth to make it possible for each person who would believe to have eternal life and be sound in body and mind This book reveals some pitfalls or controversial teachings regarding why so many from various denominations believe that the gifts ceased during the first century Being in the health profession for thirty eight years I have seen various diseases many struggle with and medical technology has no cure for With health care benefits changing and there is a possibility many may lose their coverage it is imperative that we go back to God s original plan divine healing Not to discount the physicians scientist and medical technology but it is important for us to know that we have God s plan for healing My desire is to get the message out to the masses especially to churches to establish healing centers that divine healing is a benefit of the Kingdom of God      **The Unseen World of the Holy Spirit** Frank Bailey,2011-07-28 And they were all filled with the Holy Ghost Acts 2 4 You can begin to experience God s supernatural power through this biblically sound and personally profound book It will guide you to spiritual interaction with your heavenly Father As author Frank Bailey unveils The Unseen World of the Holy Spirit you will Walk behind the veil of religious traditions Live in His presence with peace and confidence Accept God s anointing with joy Welcome the Holy Spirit with open arms People from all walks of life are experiencing God in incredibly personal ways just like the men and women in the Bible You can too      *The Wholesome Truth about Healing* Yomi Akinpelu,2006-05-01 This book brings clarity to many pertinent questions on healing it is balanced full of practical relevance
