**Christ, from the sixth to the nineteenth century. Edited by C. B. Snepp ... Seventh thousand** Charles Busbridge SNEPP, 1872 **Eastertide** Phyllis Tickle, 2004-02-24 In her acclaimed trilogy *The Divine Hours* Phyllis Tickle introduced

modern Christians to the time honored practice of praying the hours In this exquisite new volume she provides a vibrant program of prayer dedicated to the anticipation of Christ's resurrection Beginning with Ash Wednesday and moving through Lent and on to Easter Sunday Eastertide provides the daily prayers that bring practitioners into the full spirit of this season Each day is filled with psalms readings from the Bible and hymns of praise and worship just as they appear in the larger volume *The Divine Hours* Prayers for Springtime Newcomers to this beloved tradition will find that Eastertide is the perfect introduction to joining the ancients in the tradition of fixed hour prayer A wise rabbi once told me that it is not how many prayers we don't say that matters to God but rather how many we do That is important to all of us but especially for

beginners If this is your first attempt to return to this most ancient of Christian practices it is wise to remember that you are entering into a discipline and like all disciplines this one sits hard and heavy upon one at times There are hours you will miss and or some that you can t even begin to figure out how to observe That is all right for either the joy will carry you into greater joy and transmute the discipline into privilege or you will find yourself simply the wiser and the richer for such experience as you have had As the rabbi said that is what matters ultimately     *The Divine Hours (Volume Three): Prayers for Springtime* Phyllis Tickle, 2016-08-17 The third and final volume in a trilogy of prayer manuals compiled by Publishers Weekly religion editor Phyllis Tickle as a contemporary Book of Hours to guide Christians gently yet authoritatively through the daily offices The Divine Hours is the first major literary and liturgical reworking of the sixth century Benedictine Rule of fixed hour prayer This beautifully conceived and thoroughly modern three volume guide will appeal to the theological novice as well as to the ecclesiastical sophisticate Making primary use of the Book of Common Prayer and the writings of the Church Fathers The Divine Hours is also a companion to the New Jerusalem Bible from which it draws its Scripture readings The trilogy blends prayer and praise in a way that while extraordinarily fresh respects and builds upon the ancient wisdom of Christianity The third and final book in the set Prayers for Springtime provides prayers psalms and readings for this season associated with rebirth Compact it is perfect for those seeking greater spiritual depth As a contemporary Book of Hours The Divine Hours Prayers for Springtime heralds a renewal of the tradition of disciplined daily prayer and gives those already using the first two volumes the completion they are seeking With this volume the series culminates with three prayer manuals encompassing the liturgical and calendar year with the offices for every day
