*A Teacher's Inside Advice to Parents: How Children Thrive with Leadership, Love, Laughter, and Learning* explains how to support and inspire all kids towards success and satisfaction. This affirming, practical parenting approach provides expert insight for connecting with the classroom and influencing your child in four fundamental aspects: Leadership, Love, Laughter, and Learning.

Leadership supplies the appropriate guidelines and routines your child requires in order to feel a soothing sense of security, structure, and stability. Love offers the attention, encouragement, and acceptance that create a strong bond of trust and open communication between you and your child. Laughter adds the joy, excitement, and adventure that embolden and assist in your child's personal exploration of creativity, purpose, and direction. Learning develops and reinforces your child's knowledge, wisdom, and skills vital for a contributing, self-sufficient life.

The Four Ls of Parenting directly lead to the cooperation, confidence, contentment, and capabilities parents and teachers both strive to foster in every child, all accomplished with increased efficacy and delight while nurturing and educating the kids they care about so deeply.
