Jorgenson, Daniel Jones, 1997-08 This volume of Contemporary Authors R New Revision Series brings you up to date information on approximately 250 writers Editors have scoured dozens of leading journals magazines newspapers and online sources in search of the latest news and criticism Writers appearing in this volume include Shana Alexander Ngugi Wa Thiongo Richard Rhodes Audrey Thomas Forthcoming Books Rose Arny, 1989-09 *Fiction Index Three* Gerald Brooks Cotton, 1988 Whitaker's Book List, 1989 **Slavery & Race in American Popular Culture** William L. Van Deburg, 1984 Spanning more than three centuries from the colonial era to the present Van Deburg's overview analyzes the works of American historians dramatists novelists poets lyricists and filmmakers and exposes through those artists often disquieting perceptions the cultural underpinnings of American current racial attitudes and divisions Crucial to

Van Deburg's analysis is his contrast of black and white attitudes toward the Afro American slave experience. There has in fact been a persistent dichotomy between the two races' literary, historical, and theatrical representations of slavery. If white culture makers have stressed the unmanliness of the slaves and encouraged such stereotypes as the Noble Savage and the comic minstrel to justify the blacks' subordination, Afro Americans have emphasized a counter self image that celebrates the slaves' creativity, dignity, pride, and assertiveness. ISBN 0 299 09634 3 pbk 12 50 **Knockout** Leger Grindon, 2011-05-10

Knockout The Boxer and Boxing in American Cinema is the first book length study of the Hollywood boxing film, a popular movie entertainment since the 1930s that includes such classics as *Million Dollar Baby*, *Rocky*, and *Raging Bull*. The boxer stands alongside the cowboy, the gangster, and the detective as a character that shaped America's ideas of manhood. Leger Grindon relates the Hollywood boxing film to the literature of Jack London, Ernest Hemingway, and Clifford Odets, the influence of ring champions, particularly Joe Louis and Muhammad Ali, and controversies surrounding masculinity, race, and sports. *Knockout* breaks new ground in film genre study by focusing on the fundamental dramatic conflicts uniting both documentary and fictional films with compelling social concerns. The boxing film portrays more than the rise and fall of a champion; it exposes the body to reveal the spirit. Not simply a brute, the screen boxer dramatizes conflicts and aspirations central to an American audience's experience. This book features chapters on the conventions of the boxing film, the history of the genre, and its relationship to famous ring champions, and self-contained treatments of thirty-two individual films, including a chapter devoted to *Raging Bull*. **Swiss family Robinson** Johann David Wyss, 1882 **The American Slave Coast** Ned Sublette, Constance Sublette, 2015-10-01

American Book Award Winner 2016 *The American Slave Coast* offers a provocative vision of US history from earliest colonial times through emancipation that presents even the most familiar events and figures in a revealing new light. Authors Ned and Constance Sublette tell the brutal story of how the slavery industry made the reproductive labor of the people it referred to as breeding women essential to the young country's expansion. Captive African Americans in the slave nation were not only laborers but merchandise and collateral all at once. In a land without silver, gold, or trustworthy paper money, their children and their children's children into perpetuity were used as human savings accounts that functioned as the basis of money and credit in a market premised on the continual expansion of slavery. Slaveowners collected interest in the form of newborns who had a cash value at birth and whose mothers had no legal right to say no to forced mating. This gripping narrative is driven by the power struggle between the elites of Virginia, the slave-raising mother of slavery, and South Carolina, the massive importer of Africans, a conflict that was central to American politics from the making of the Constitution through the debacle of the Confederacy. Virginia slaveowners won a major victory when Thomas Jefferson's 1808 prohibition of the African slave trade protected the domestic slave markets for slave breeding. The interstate slave trade exploded in Mississippi during the presidency of Andrew Jackson, drove the US expansion into Texas, and powered attempts to take over Cuba and other parts of Latin America until a disaffected South Carolina spearheaded the

drive to secession and war forcing the Virginians to secede or lose their slave breeding industry Filled with surprising facts fascinating incidents and startling portraits of the people who made endured and resisted the slave breeding industry The American Slave Coast culminates in the revolutionary Emancipation Proclamation which at last decommissioned the capitalized womb and armed the African Americans to fight for their freedom Books in Print Supplement ,2002 *The Quest for the Lost City of Eldorado* Broque Johnson,2023-03-14 The Quest for the Lost City of Eldorado is an adventure story about a team of archeologists who embark on a journey through the Amazon rainforest to uncover the secrets of the legendary Lost City of Eldorado Along the way they face many dangers including treacherous terrain venomous creatures hostile tribes and even betrayal from one of their own As they solve puzzles and riddles to unlock the city s gates they discover that Eldorado holds many more secrets than they ever could have imagined In the end the team finds the city s greatest treasure but must decide whether the dangers they faced were worth the reward **The Swiss Family Robinson** Jean Rudolph Wyss,2013-12-06 A shipwreck a deserted island a single family wondering if they can survive Rich in suspense and surprises The Swiss Family Robinson entices young readers to come along on a wonderful adventure where each moment brings a new thrill Featuring amazingly resourceful characters and a wondrous landscape bursting with exotic wildlife and plants it s an irresistible tale of ingenuity **The Swiss Family Robinson** Johann David Wyss,2017-01-01 When a storm wrecks their ship off the coast of a deserted island in the East Indies William Elizabeth and their four sons must rely on each other for survival Stranded like Robinson Crusoe the family salvages what they can from the wrecked ship and uses their ingenuity to craft the rest of what they need from the natural resources around them They are thousands of miles from home and surrounded by a fantastical variety of strange and often dangerous wildlife What adventures await the family Will they be able to make a new life for themselves on the island This classic children s adventure was first published in 1812 Swiss author Johann David Wyss originally wrote it in German this is an unabridged version of the 1879 English translation by William Henry Giles Kingston **The Swiss Family Robinson** Johnna Wyss,2016-07-29 The Swiss Family Robinson is a novel by Swiss author Johann David Wyss first published in 1812 It is about a Swiss family shipwrecked in the East Indies en route to Port Jackson Australia Upon reaching the desert island the family set up a camp and later a tree house They have to learn how to survive on the island The adventures are presented as a series of lessons in natural history and the physical sciences The novel was intended to teach children about family values good husbandry the uses of the natural world and self reliance **The Swiss Family Robinson** J.
