He Is Risen

Antonio Emmanuel

He Is Risen:

He is Risen Thomas Merton, 1975 With simplicity eloquence and power Thomas Merton explores the mystery of the Risen Christ Previously unpublished this piece captures both the author's energy and his vision of an authentic Christianity It is pointless to view the Resurrection as a doctrine to prove or a problem to solve it is the life and action of Christ alive in us We are a pilgrim people Our journey into the mystery of creation is in pursuit of real freedom We are guided by the Law of Love and moved by the Spirit of God to serve our fellow man in response to the Risen Christ alive in us from back cover The Lord Is Risen He Is Risen Indeed! He Really Is Richard Sheffield, 1998 Richard Sheffield's preaching is stimulating and unique Whenever I am burdened or under pressure his pithy insights into the Gospel of our Lord refresh my spirit They sometimes also sting my soul to pay attention to more significant things in life than preoccupying problems He is also a courageous preacher when he says things we all think or doubt and dare not to express He handles life's misgivings kindly and cleanly so that listening to him is a religious experience This comes about because he came to the temple of religion through the corridors of commerce and knows the real world of his laymen Under his gentle manner there is the fire of Peter Thomas and St Paul all of whom also preached with integrity and conviction Bryant Kirkland Minister Emeritus Fifth Avenue Presbyterian Church New York New York At first glance the Easter title may seem out of place for a book half full of sermons for Lent But Richard Sheffield argues and preaches that the sermon for Easter Day is really the sermon for every day in the life of a Christian The Lord Is Risen is really the only sermon we have or need to have How we live out our lives in response to that central fact of our faith fills the sermons in Lent as well as Easter with hope Hope in the here and now as well as in the hereafter Rev Sheffield has little patience with those who would turn the good news about God into the bad news about us and it shows He writes Belief is more than just ascertaining the facts and figures of faith Or figuring out the best way to keep God happy long enough to get into heaven Belief is living life now certain of the love of God in Jesus Christ for you and me Living life unafraid even of death itself Richard L Sheffield is senior pastor of Market Street Presbyterian Church Lima Ohio He holds a Master of Divinity degree from Princeton Theological Seminary and an M B A degree from the University of Chicago He is a candidate for the Doctor of Ministry degree at Louisville Presbyterian Theological Seminary

Interlinear Hebrew-Greek-English Bible, New Testament, Volume 4 of 4 Volume Set, Case Laminate Edition

Jay Patrick Green,2009-07 This complete interlinear Bible available in English is keyed to Strong's Exhaustive Concordance Featuring the complete Hebrew and Greek texts with a direct English rendering below each word it also includes the literal translation of the Bible in the outside column *He Is Risen* H. M. Hyra,2022-04-06 He Is Risen is meant to be three sections each representing an important component of the Catholic faith A Portrait of Jesus presents our Savior in a way that may not be obvious to the casual reader The Bible is an inspired book dealing with a real world with spiritual overtones When reading the New Testament it may not be so obvious that Jesus is basically revealing something about the Catholic faith which is needed in order for the reader to grow in the faith However if Jesus is God and therefore allknowing he is not trying to add to his personal knowledge but presenting himself so as to be a model for how a person ought to approach the faith He also reveals his spiritual self as related to the Father and the Holy Spirit Defense of the Faith gives the faithful an opportunity to answer questions often asked by the unbeliever Included are brief resumes of individuals considered to have an atheistic outlook A section involving basic heresies that have attacked the Catholic Church over the ages is included A sample of apparitions where the Virgin Mary became involved with nonbelievers attack on the faith makes for interesting reading America Yesterday Today and Tomorrow discusses how America became the strongest nation in the world However modern days have found the USA in competition with foreign nations Also the nation has become divided as the separation of church and state has forced power politics to be the order of the day The text looks at the Obama era as well as Trump's victory over Hillary Clinton The Trump era is compared to the latest victory of Joe Biden It is an interesting contrast and only time will tell if the nation can adjust to a polarization that now exists The text views four alternatives and how America's choice may affect the nation for years to come *A commentary upon the holy Bible* Matthew Henry,1835
