He Ascended Into Heaven:

He Ascended into Heaven Tim Perry, Aaron Perry, 2010-05-01 Why do you stand looking up toward heaven That s what the angels said to the baffled disciples who had just experienced the Ascension of Jesus Christ Peter James John and the others stood there squinty into the sky trying to make sense of it all Tim and Aaron Perry confess to being baffled too For centuries Christians have confessed He ascended into heaven in their creeds but what do these words actually mean The Perrys offer a probing look at this unfamiliar doctrine and offer new insight into how the actual event can shape the life of a follower of Jesus Theologians have long made the bold claim that we need to work the Ascension into our theology They claim in fact that without the Ascension our theology is weak The cry of the Church has been Why and Show me Theologians have yet to answer that pressing question and answer that claim Until right now In your hands is one of the only books written that makes the Ascension a part of the Christian life and I hope you read and devour this insightful study and become and Ascensional follower of Jesus Scot McKnight author of The Jesus Creed and 40 Days Living the Jesus Creed *He Ascended Into Heaven a Study in the History of Doctrine* J G Davies, 2018-10-15 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public To ensure a quality reading experience this work has been proofread and republished using a format that seamlessly blends the original graphical elements with text in an easy to read typeface We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant **He Ascended Into Heaven** John Gordon Davies, 2004 This Bampton Lecture series of 1958 provides an illuminating exposition on the Ascension which as J G Davies asserts has been a greatly neglected article of the creed Davies thoroughly examines the Biblical material before following the history of the doctrine and its development from the period of the ante Nicean Church through the Carolingian Renaissance to the reforming monastic movements of the eleventh and twelfth centuries He also gives a systematic commentary on the Ascension doctrine as it may reasonably be held and taught today This is an important theological work in the doctrine of the Ascension that deals with the origin and significance of the Apostles Creed *Jesus Ascended. What Does That Mean?* Scott Douglas, 2020-11 Discover the Power of the Ascension Something happened Jesus rose But Christ didn t just rise from the dead He ascended to Heaven We hear the stories about Peter and John and all the heroes of the New Testament and they re unstoppable Christians fearless and bold And sometimes we wrongly assume that they just got that way That Christ died for their sins and bam They re instantly changed On the contrary the disciples were actually quite cowardly in their actions after the Resurrection It wasn t until after the Ascension that they were on fire for Christ So what

happened during the forty days Something happened There s more written about Christ s ministry before his death than the events that happened after his Resurrection but when we look at Ascension we begin to see that there s power in small details We begin to see that something happened after the Resurrection something happened to transform the lives of believers and make them more than followers Looking at what happened after the Resurrection and further at the Ascension of Christ we start to see what happened to transform the followers and in seeing this we might just be transformed ourselves Something did indeed happen during the forty days Jesus was not done teaching Jesus Ascended Gerrit Dawson,2004-05-01 The book presents the Ascension as public truth examining questions such as when did Jesus ascend and how where did he go with what kind of body and into what kind of space It discusses the nature of Jesus victory how it has been challenged how it has been understood at different times in history and how it relates to his second coming The author examines the relevance of the doctrine for personal spiritual life our union with Christ Jesus praying for us worship and our own prayers He goes on to consider living in God s kingdom the tension between waiting for the kingdom and working for it now suffering humanisation and the church and the world today The book approaches the Ascension thematically making it a useful teaching tool Its themes arise from the categories in which the Church Fathers employed the doctrine Gerrit Dawson shows the Ascension to be a vital key to understanding in a fresh way the person and work of Christ union with Christ the mission of the church in the world Christian identity and spiritual theology A unique feature of the book is the way Dawson combines a full presentation of Nicene trinitarian Christology with its application to the practicalities of Christian life today Praise for Jesus Ascended Gerrit Dawson harkens back to an older vision of ministry that of the pastor theologian This vision is remarkably illustrated in this beautifully written book that can properly lay claim to being practical theology Very highly recommended for both pastors and theologians who want to have a faith grounded in the continuing reality of the incarnation in the ascension of Jesus Andrew Purves Princeton Theological Seminary This is a truly outstanding book for students pastors and thinking Christians alike I could not recommend it more enthusiastically Alan Torrance St Andrew s University UK A yawning gulf often appears between the interests of preacher and scholar of pastor and theologian Serious attempts to bridge that gulf are too few This book is one of them It brings to life the voice of the Fathers on the subject of the ascension of Jesus and calls the church back to the roots of its faith Douglas Farrow McGill University Canada

The Acts and Monuments of John Foxe John Foxe,1857 **Expository notes, with practical observations, on the New Testament** William Burkitt,1832 **An Exposition of the Creed** John Pearson,1902 *An exposition of the Creed, revised and corrected by T. Alter,2019-12-31 The keystone of Christianity is Jesus s physical bodily resurrection Present day scholars can be significantly challenged as they forage through voluminous documents on the resurrection of Jesus The literature measures well over seven thousand sources in English language books

alone This makes finding specific sources that are most relevant for specific scholarly purposes an arduous task Even when a specific book is relevant finding the parts of the book that are most relevant to the resurrection rather than other topics often requires additional effort A Thematic Access Oriented Bibliography of Jesus s Resurrection addresses these challenges in several ways First the bibliography organizes more than seven thousand English sources into twelve main categories and then thirty four subcategories which are designed to help you find the most relevant literature quickly and efficiently Embedded are pro and con arguments which support efficient access through brief annotations and then annotate the diversity and complexity of the field of religion by including sources that represent a diverse range of views theistic e g Christian Jewish Muslim etc agnostic and nontheistic The objective of this bibliography is to provide convenient access to relevant sources from a variety of perspectives allowing you to browse or find the one source accurately and with ease

Short Sermons on Catholic Doctrine P. Hehel,1902 **The Ascension of Our Lord** Peter Toon,2020-05-13 I am alive forevermore Rev 1 18 In this landmark work a leading theologian presents one of the most significant studies on the doctrine of the Ascension in many years Peter Toon explores fully all aspects of the Ascension Its foreshadowing in the Old Testament accounts of the Ascension from the New Testament and church teachings on the doctrine through the ages Drawing on the work of the world s most respected theologians Toon shows that the Ascension inaugurates a new age in which Christ began a new ministry as King Priest and Prophet Marked by clarity and penetrating scholarship *The Ascension of Our Lord* is a valuable resource for pastors and all students of the Bible **An exposition of the Creed** John Pearson (bp. of Chester.),1847 Exposition of the Creed ... rev. and cor. by E. Thomas Ridgley,1815 **SUMMA THEOLOGICA** Thomas Aquinas,2023-11-25 Summa Theologica composed by the eminent theologian Thomas Aquinas in the 13th century stands as a monumental synthesis of Christian theology and philosophy Written in a systematic and methodical style this comprehensive work addresses fundamental questions regarding God morality and human existence employing a dialectical approach that combines Aristotelian logic with Christian doctrine The text is divided into three main parts meticulously exploring topics such as the nature of God the moral life and the sacraments making it not only an intellectual cornerstone of scholastic thought but also an essential guide for understanding the interplay between faith and reason Thomas Aquinas a Dominican friar and philosopher was profoundly influenced by the theological currents of his era particularly the reconciliation of faith with the burgeoning philosophy of the ancient Greeks His extensive education including studies at the University of Naples and Paris equipped him with the tools to engage rigorously with philosophical

questions leading him to pen this seminal work Aquinas s background in both theology and philosophy allowed him to articulate a vision of a unified truth reconciling competing ideas within Christianity and the surrounding intellectual culture Summa Theologica is invaluable for scholars and lay readers alike offering insights into the nature of faith ethics and the quest for truth Its timeless appeal lies in its ability to address existential questions that continue to resonate today Delve into Aquinas s profound reflections that have shaped centuries of thought and remain pivotal in contemporary discussions on theology and philosophy Lessons in the Small Catechism of Dr. Martin Luther George Mezger,2020-08-06 Reproduction of the original Lessons in the Small Catechism of Dr Martin Luther by George Mezger
