He Hid Himself:

A God Who Hides Himself Witness Lee, 2024-10-17 Have you ever noticed this statement in the Bible a God who hides Himself Many Christians have never realized that God's Word contains such an expression but Isaiah expresses this thought most emphatically Isa 45 15 We may know God as the almighty One as the righteous One as One full of grace and compassion but as the One who hides Himself He may be unknown to us Our personalities are diametrically opposed to God's personality He likes concealment we like display He does not crave outward manifestations we cannot be content without them This divine disposition constitutes a great trial and test to us I long that God's children might realize the hidden nature of His working Do not think that only mighty influences great visions and tremendous revelations are of Him God's surest work is done in the secret of our beings

Reading the Bible, Missing the Gospel Ben Connelly, 2022-09-06 Don't keep asking God for forgiveness Do judge one another And you're not going to heaven for all eternity How have we misunderstood the teachings of Jesus Often His message to the leaders and disciples was You're getting this wrong Somewhere along the way you got confused lost way off track Would He have the same assessment of us today In *Reading the Bible Missing the Gospel* pastor and author Ben Connelly shows us how to recover God's original intentions in light of the story of redemption Connelly helps us celebrate and understand how Jesus' life death and resurrection are truly good news for the tangible situations in our everyday lives Biblical misunderstandings can lead to a small view of God but truth overturns that It expands our hearts for God and enables us to truly love others Using theology humor and practical examples the author reveals shockingly common ways we get the Bible wrong Connelly invites Christians to see themes and teachings with new eyes or rather with old eyes on topics like confession and forgiveness what it means to be blessed or happy whether we're commanded to or prohibited

from passing judgement How does the gospel inform our understanding and answer these questions Connelly gives readers a new gospel focused lens that addresses common frustrations and helps them see with renewed hope clarity and courage
