How He-Man Mastered the Universe Brian C. Baer, 2017-03-21 Elaborate cinematic universes and sophisticated marketing tie ins are commonplace in entertainment today It's easy to forget that the transmedia trend began in 1982 with a barbarian action figure He Man and the other characters in Mattel's popular Masters of the Universe toy line quickly found their way into comic books video games multiple television series and a Hollywood film The original animated series 1983 1985 was the first based on an action figure and the cult classic Masters of the Universe 1987 was the first toy inspired live action feature film But it wasn't easy He Man faced adversaries more dangerous than Skeletor entertainment lawyers Hollywood executives even the Reagan administration The heroes and villains of Eternia did more than shape the childhoods of the toy buying public they formed the modern entertainment landscape

The Art of Masters of the Universe: Origins and Masterverse Mattel, Alex Irvine, 2023-12-12 Heroes and Villains of Origins and Masterverse come alive This beautifully designed volume gives a deep

dive into the lore and world of the Mattel hit figure lines Masters of the Universe Origins and Masterverse Explore each figure s background as well as detailed and wonderfully laid out artwork from the products themselves Also the tome will feature new insights from the creators of the figures written by Alex Irvine The Comic Book Story of Baseball Marvel Phase One through Three Dark Horse Books and Mattel proudly present The Art of Masters of the Universe Origins and Masterverse He-Man and She-Ra: A Complete Guide to the Classic Animated Adventures Various,2016-09-13 He Man and She Ra entranced boys and girls everywhere with their animated adventures that offered cartoon excitement and moral guidance Now Dark Horse Books is proud to present the official companion to He Man and the Masters of the Universeand She Ra Princess of Power featuring story synopses animation processes and trivia for every episode Written by animator and He Man expert James Eatock The Satanism Scare James T. Richardson,Joel Best,David G. Bromley,1991 Although there is growing concern over Satanism as a threat to American life the topic has received surprisingly little serious attention Recognizing this the editors of this volume have selected papers from a wide variety of disciplines broadly covering contemporary aspects of Satanism from the vantage points of studies in folklore cults religion deviance rock music rumor and the mass media All contributors are skeptical of claims that a large powerful satanic conspiracy can be substantiated Their research focuses instead on claims about Satanism and on the question of whose interests are served by such claims Several papers consider the impact of anti Satanism campaigns on public opinion law enforcement and civil litigation child protection services and other sectors of American society The constructionist perspective adopted by the editors does not deny the existence of some activities by real Satanists and two papers describe the workins of satanic groups Whatever the basis of the claims examined and analyzed there is growing evidence that belief in the satanic menace will have real social consequences in the years ahead Digital Learning in Motion David Kergel,2020-11-05 Digital Learning in Motion provides a theoretical analysis of learning and related learning media in society The book explores how changing media affects learning environments which changes the learning itself showing that learning is always in motion This book expounds upon the concept of learning reconstructing how learning unfolds and analyzing the discourse around pedagogy and Bildung in the age of new digital media It further discusses in detail the threefold relationship between learning and motion considering how learning is based on motion generated by new experiences and changes with the environment and through its own mediatization The book presents a normative model that outlines how learning can be structured on the basis of society s values and self understanding discourses in the digital age This book will be of great interest for academics postgraduate students and researchers in the fields of digital learning and inclusion education research educational theory communication and cultural studies *Watching Skies* Mark O'Connell,2018-05-30 Mark O Connell didn t want to be Luke Skywalker He wanted to be one of the mop haired kids on the Star Wars toy commercials And he would have done it had his parents had better pine furniture and a condo in California Star Wars Jaws Close Encounters of the Third Kind E T The Extra Terrestrial

Raiders of the Lost Ark and Superman didn't just change cinema they made lasting highways into our childhoods toy boxes and video stores like never before In Watching Skies O Connell pilots a gilded X Wing flight through that shared universe of bedroom remakes of Return of the Jedi close encounters with Christopher Reeve sticker album swaps the trauma of losing an entire Stars Wars figure collection and honeymooning on Amity Island From the author of Catching Bullets Memoirs of a Bond Fan Watching Skies is a timely hologram from all our memory systems It is about how George Lucas Steven Spielberg a shark two motherships some gremlins ghostbusters and a man of steel jumper a whole generation to hyperspace

Impossibly Glamorous Charles St. Anthony, 2017-03-15 Charles St Anthony heard plenty of Wizard of Oz jokes growing up in Kansas After finding himself on some seedy dance floors in Kansas City his quest for love and glamor and his penchant for all things Japanese carried Charles from Dorothy's homeland to New York to Tokyo Impossibly Glamorous follows his exploits with Goth raver lesbians hot men and not so hot men culminating in a long term love affair with Japan His journey from ugly baby to Asian media personality touches on tough issues such as coming out gay in Kansas domestic violence substance abuse and how to bounce back from any kind of adversity with only a faux fur coat and a cavalier skip

Intellivision Tom Boellstorff, Braxton Soderman, 2024-11-05 The engaging story of Intellivision an overlooked videogame system from the late 1970s and early 1980s whose fate was shaped by Mattel Atari and countless others who invented the gaming industry Astromash Snafu Star Strike Utopia do these names sound familiar to you No Maybe They were all videogames created for the Intellivision videogame system sold by Mattel Electronics between 1979 and 1984 This system was Atari's main rival during a key period when videogames were moving from the arcades into the home In Intellivision Tom Boellstorff and Braxton Soderman tell the fascinating inside story of this overlooked gaming system Along the way they also analyze Intellivision's chips and code games marketing and business strategies organizational and social history and the cultural and economic context of the early US games industry from the mid 1970s to the great videogame industry crash of 1983 While many remember Atari Intellivision has largely been forgotten As such Intellivision fills a crucial gap in videogame scholarship telling the story of a console that sold millions and competed aggressively against Atari Drawing on a wealth of data from both institutional and personal archives and over 150 interviews with programmers engineers executives marketers and designers Boellstorff and Soderman examine the relationship between videogames and toys an under analyzed aspect of videogame history and discuss the impact of home computing on the rise of videogames the gendered implications of play and videogame design at Mattel and the blurring of work and play in the early games industry
