Gasse,2023-07-04 Hybridity in the Literature of Medieval England offers a wide ranging exploration of hybridity in medieval English literature Anxiety about hybridity surfaces in characters of mixed ethnic identity in the romances But anxiety is found also in the intersection of the natural and the supernatural and its site can be located inside the human body's unstable physical frame living and dead as much as in the cultural and social forces at work upon the human body politic at large Hybridity is unlike other constructs of difference in that while it is grounded in difference hybridity points toward sameness The four types of hybridity studied in medieval English literature show that hybridity can resolve the problems caused by difference Understanding medieval hybridity can help us to deal with our own contemporary struggles with the mixtures of our own lives and societies The Forging of the Shadows Oliver Johnson,2015-07-30 It is a time of great darkness when the sun is in danger of being forever extinguished and mankind has been divided into two warring factions the worshipers of the God of Light and the servants of Eternal Night Now three unsuspecting travelers are called by prophecy to face a legion of the undead and the powers of the Dark Lord in the faint hope of reclaiming the world for the light *The High Priest of Prickly Bog* Hiram Blunt,2007-11-01 A homeless man claims to have been transported into the future where he founded a new religion and a new society Now he is back penniless and powerless He tells this story to Dominic Devine who strangely enough has just written a novel with that exact same plot
