Headless Monk:

The Monk's Lair Ellie Thomas, 2023-10-28 Christian Maxwell is used to being alone. A delicate and over imaginative young man he is abandoned to his own devices and company in his family's Wiltshire country home. When his aunt concerned for his well being insists he accompany her to the Welsh Borders for a country house party in the autumn of 1816 Christian is resigned to being surrounded by people for the duration. One particular guest Sam Gillespie is a handsome amateur scientist of a similar age to Christian who is determined to befriend him. When Sam persuades Christian to join him on an expedition to the scenic ruins of Tintern Abbey they stumble across an isolated valley that contains a long dead and sinister monastic force. Their dreams are haunted by the spirit of the place so the pair band together to find out the valley's dark history kindling their romance along the way. But their ghostly foe is more tenacious than they imagine. Can Christian and Sam manage to defeat the black monk and find lasting happiness?

The King's Investigator Howard of Warwick, 2020-06-24 Death in the Tower of London. This could give the place a bad reputation. In King William's new London fortress so new it doesn't have a tower yet a dead body lies right outside his chamber door. This could be murder as the victim is the widely hated Malf so widely hated virtually everyone is suspect. Brother Hermitage the King's Investigator must be summoned the King's investigator who really doesn't want to do the job at all anymore. Fortunately someone else seems very keen to take over. If you thought Brother Hermitage didn't know what he was doing Brother Peter is going to be a revelation. But murder seems to be a routine feature of court intrigue. Could it be a result of the dispute between the ghastly Le Pedvin William's favourite killer and Ranulph de Sauveloy his favourite administrator. Could it be Malf's own family who really can't wait for him to die until they inherit. Could it be the Saxon rebels who are hiding in a very peculiar place close at hand. Brother Hermitage. What the Weaver and Cwen have got to find out and as usual it all goes wrong almost immediately. Find the killer or face the same fate themselves is a familiar old refrain. But perhaps this time Hermitage sees a way out. Could he really hand his hated job on to someone else someone who really wants to do it. Populated by old familiar faces from most of Hermitage's nightmares The King's Investigator could be the very end. Although now we learn there's a Part II how did that happen. Look for the imaginatively titled The King's Investigator Part II. Howard of Warwick's mission to bring medieval crime comedy to people who didn't know they wanted it takes its nineteenth step. Numerous No 1 Best Sellers over 100 000 copies out there somewhere and containing more nonsense than a monk's margin it looks like it's here to stay or is it. Previous volumes have garnered praise 5 Another brilliant read 5 Another fun filled adventure 5 Ha ha ha Aha Brother Hermitage does it again 5 Masterpiece from Howard 1 Silly very good indeed brilliant BBC Coventry and Warwick

A Brief Guide to Ghost Hunting Leo Ruickbie,2013-08-15 There has been an upsurge in books television programmes films and websites exploring the reality or otherwise of the spirit world Not since the founding of The Ghost Club in 1862 and the Society for Psychical Research in 1882 has ghost hunting been so popular Television and the internet in particular have fueled this new level of interest creating a modern media phenomenon that spans the globe But while the demand for information is high good information remains scarce A Brief Guide to Ghost Hunting leads us through the process of ghost hunting from initially weighing the first report to choosing equipment and investigating and identifying the phenomena with an analysis of the best places to go looking methods of contacting the spirit world how to explain paranormal activity and crucially how to survive the encounter However it is also a book about ghost hunting itself drawing on 130 years of research in the cavernous archives of the Society for Psychical Research and even older history to find the earliest ghost stories A Ghost Hunting Survey makes use of interviews with those billing themselves as ghost hunters to find out their views motivations and experiences New and original research makes use of statistics to map the nebulous world of apparitions while a Preliminary Survey of Hauntings offers an analysis of 923 reported phenomena from 263 locations across the UK This is as far as possible an objective presentation of ghosts and ghost hunting It is no wonder that mainstream science largely refuses to deal with the subject it is too complicated Without trying to convince you of any viewpoint this book is intended to help you understand more
