Healing Hearts Kathy Shelton,2014-02-03 *Healing Hearts A Journey in the Midst of Spiritual Adversity* is the remarkable story of many emotionally painful and traumatic experiences from author Kathy Shelton s life telling how the Lord Jesus Christ healed deep places of emotional and spiritual wounds in her heart so that she could then help others It was written to encourage those who have undergone painful and traumatic situations and let them know that there is healing and freedom available through the love of Jesus Christ *Healing Hearts* is also intended to be a resource for and inspiration to those who are currently serving the Lord or who are considering becoming involved in inner healing ministry Our spiritual growth is often blocked by unhealed emotional and spiritual wounds Most of us have been unaware of the effect that the painful and traumatic events in our lives have had on us and our ability to grow in the Lord Unless healing occurs for the pain that has been stuffed we may struggle for years and sometimes our entire life in our walk with God Spiritual maturity is a process It is not something that occurs automatically the moment after we ask Jesus into our lives Oh if it were just that simple In James 1 4 we are instructed to become mature and complete not lacking anything We must pursue spiritual maturity

I . . . Do? Andrea Mrozek, Peter Jon Mitchell, 2024-11-11 For many today marriage is a nice thing but not necessary. I Do is a book to help you reconsider the central importance of marriage not simply for the couples involved but for all of us. Plenty of research suggests that a good marriage encourages health, wellness and happiness and that the goodness of marriage extends into our communities. To this the retort comes quickly: well, that's the result of a good marriage. Yet instead of nurturing good marriages we are throwing the baby out with the bathwater. Marriage is not the solution to every problem. It remains, however, an ideal to which we can aspire. This book connects the dots between statistics, public policy problems and people's experiences. A better understanding of the attributes of marriage allows each one of us to invest deeper meaning into our relationships as well as enhancing and creating stronger communities. The authors equip readers with the language and logic of marriage using secular research. By imagining that marriage still matters we can learn to properly support and nurture marriage for the good of the world. *Occupational Therapy* Alice J. Punwar, Suzanne M.
