with roots in New Thought and Theosophy rather than in traditional Hawaiian beliefs *Teaching of Huna* Max Freedom Long,2023-12-26 The Secret Science Behind Miracles deals with the discovery of an ancient and secret system of workable magic which if we can learn to use it as did the native magicians of Polynesia and North Africa bids fair to change the world Self Suggestion and the New Huna Theory of Mesmerism and Hypnosis is a practical manual of self suggestion using the Huna techniques including detailed instructions as to how the operation works Huna Hawaiian for secret is the word adopted by the author in 1936 to describe his theory of metaphysics This information concerning those parts of psychology which we have come to call hypnosis mesmerism and suggestion is being presented as an addition to the scant literature on the ancient psycho religious system of the Polynesians called Huna or the Secret *Transform Your World Through the Powers of Your Mind* Jawara D.
