Hemingway Life And Death Of A Giant:

The Cambridge Companion to Hemingway Scott Donaldson,1996-01-26 A comprehensive introduction to Hemingway and his works *Hemingway* Kurt Singer,1962 *Hemingway* Kurt Singer,1981-12-01 **Studies in American Literature** Ed. Mohit K. Ray,2002 The Volume Includes Discussions On The American Tradition Of Poetry As Reflected In And Enriched By The Poetry Of Robert Frost Then Moving Through Tennessee Williams Arthur Miller Sylvia Plath And Philip Roth And Finally Focuses On Ernest Hemingway Seven Highly Perceptive Studies By Eminent Scholars On Different Aspects Of Hemingway Offer Substantial Meat As Much For Hemingway Scholars As For Anybody Interested In This Great Nobel Laureate Of Keen Active Interest In The Celebration Of Life In Diverse Ways Anybody Who Is Interested In American Literature Will Find This Book Extremely Interesting Teachers Scholars And Students Of American Literature Will Also Find The Book Useful Because Of The Authors Masterly Handling Of Some Major American Writers And Texts **A Historical Guide to Ernest Hemingway** Linda Wagner-Martin,2000 The 1999 centennial of Ernest Hemingway s birth marks a time for the re evaluation of his position as America s premier modernist writer The previously unpublished essays discuss biographical details of his personal and professional life **Hemingway on Love** Robert W. Lewis,2014-08-04 Love was a central theme of Ernest Hemingway s major works And although his passages on sexual love and on romantic love may be widely remembered and frequently quoted says Robert W Lewis in this scholarly and detailed consideration Hemingway s later work revealed his ultimate belief that brotherly love was the supreme love of mankind Eros Hemingway concluded was a neutral value neither good nor bad in itself but yet capable of complementing agape in giving man pleasure By examining the forms and essences of the various kinds of love Hemingway worked out an explanation and tentative solution to the troubles of the human condition The tradition of romantic love that had prevailed in Western literature had challenged sexual love and brotherly love and had been confused with them since the Middle Ages Hemingway s early work was destructive of romantic love says Lewis the work of his middle career was crucial in his exploration for the supreme love and the means to whatever peace and happiness man may achieve By the time he wrote *The Old Man and the Sea* his ethic was formulated and he could write conclusively of the trial and lesson of love in Western civilization in a way that reflected his discovery that true love must be a reciprocal blend of eros and agape between man and woman man and man and man and his world *The North Dakota Quarterly* ,1998 Writing Under the Influence Aubrey Malone,2017-12-21 Writers and alcohol have long been associated for some the association becomes unmanageable Drawing on rare sources this collection of brief biographies traces the lives of 13 well known literary drinkers examining how their relationship with alcohol developed and how it affected their work for better or worse Focusing on examples like F Scott Fitzgerald Ernest Hemingway Edna St Vincent Millay Charles Bukowski and Raymond Carver the combined biographies present a study of the classic figure of the over indulging author **Street Players** Kinohi Nishikawa,2019-01-11 The uncontested center of the black pulp fiction universe

for more than four decades was the Los Angeles publisher Holloway House From the late 1960s until it closed in 2008 Holloway House specialized in cheap paperbacks with page turning narratives featuring black protagonists in crime stories conspiracy thrillers prison novels and Westerns From Iceberg Slim's Pimp to Donald Goines's Never Die Alone the thread that tied all of these books together and made them distinct from the majority of American pulp was an unfailing veneration of black masculinity Zeroing in on Holloway House Street Players explores how this world of black pulp fiction was produced received and recreated over time and across different communities of readers Kinohi Nishikawa contends that black pulp fiction was built on white readers fears of the feminization of society and the appeal of black masculinity as a way to counter it In essence it was the original form of blaxploitation a strategy of mass marketing race to suit the reactionary fantasies of a white audience But while chauvinism and misogyny remained troubling yet constitutive aspects of this literature from 1973 onward Holloway House moved away from publishing sleaze for a white audience to publishing solely for black readers The standard account of this literary phenomenon is based almost entirely on where this literature ended up in the hands of black male working class readers When it closed Holloway House was synonymous with genre fiction written by black authors for black readers a field of cultural production that Nishikawa terms the black literary underground But as Street Players demonstrates this cultural authenticity had to be created promoted and in some cases made up and there is a story of exploitation at the heart of black pulp fiction's origins that cannot be ignored Journal of the short story in English ,2007

the team he ennobled but also the city he represented In A Giant among Giants the first biography of McCovey who passed away in 2018 at the age of eighty Chris Haft tells the story of one of baseball s best hitters and most beloved players
