Hemingway's Art of Revision John Beall, 2024-05 In Hemingway's Art of Revision The Making of the Short Fiction John Beall examines in close detail two of the author's vignettes from the first version of *In Our Time* and ten of his short stories with an extensive focus on manuscripts and typescripts as part of a broader examination of how Ernest Hemingway crafted his distinctive prose through a rigorous process of revision The first three chapters discuss the influence of Hemingway's three most important modernist mentors Ezra Pound James Joyce and Gertrude Stein The first chapter focuses on Pound's influence as the editor of the *Inquest* Series of which Hemingway's *In Our Time* was the final

publication The second chapter examines the affinities between Joyce's *The Sisters* and Hemingway's *Indian Camp* In particular Beall develops the case for Joyce's influence on Hemingway's decision to revise the story to maintain the reader's focus on young Nick Adams's point of view in his first encounter with death Chapter three explores Hemingway's revisions of *Cat in the Rain* as reflecting the influence of Stein's novellas and sketches as well as that of Joyce's stories and novels The remaining chapters delve into the artistry of Hemingway's extensive revisions in later masterpieces from *Big Two Hearted River* to *Fathers and Sons* Beall's discussion of *Big Two Hearted River* shows that Hemingway's revisions were not simply cuts and omissions but included several paragraphs that he added to slow down the narrative and represent Nick Adams's careful observations of a kingfisher and trout as he watched their shadows on the river The chapter on *The Battler* and *The Killers* explores the extent to which Hemingway's revisions brought racial conflicts to the forefront of each story and portrayed Bugs and Sam as guides for Nick Adams A subsequent reading of the story *Now I Lay Me* shows that in rewriting the story Hemingway developed his portrait of Nick Adams as a writer making up imaginary rivers to cope with the traumas of childhood and war A chapter on *A Way You'll Never Be* focuses on how Hemingway's revisions developed crucial story elements including Nick's interior monologues manic lecture about grasshoppers and wacky sense of humor that showed the character restoring a sense of emotional balance despite his memories of being wounded in World War I Subsequent chapters on *Fathers and Sons* *Indian Camp* *Hills Like White Elephants* *The Gambler* *the Nun* and *the Radio* and the concluding chapter in part focused on drafts of *The Snows of Kilimanjaro* offer new discussions of the author's process of revision based on his manuscripts and typescripts published in the Hemingway Library Edition In the end by drawing attention to the meticulous edits additions and deletions that helped shape these texts Beall reveals how extensively and richly Hemingway revised his drafts while composing some of his most powerful short fiction Hemingway's *Art of Revision* gives a detailed view of a great prose stylist at work [The Young Hemingway](#) Michael S. experienced and recorded in his writing serves as an important element in his fiction becoming the other an alien culture that was sufficiently different from his American roots Yet this otherness serves first to fulfill his psychological needs to learn and become one of the initiated through suffering whether it involves himself or the loss of other people around him
