Henry Huntington and the Pacific Electric Spencer Crump, 1978 *Library of Congress Catalog* Library of Congress, 1974-10 A cumulative list of works represented by Library of Congress printed cards **Library of Congress Catalogs** Library of Congress, 1976 *The Lure of the Beach* Robert C. Ritchie, 2023-04-25 A human and global take on a beloved vacation spot The crash of surf smell of salted air wet whorls of sand underfoot These are the sensations of the beach that environment that has drawn humans to its life sustaining shores for millennia And while the gull s cry and the cove s splendor have remained constant throughout time our relationship with the beach has been as fluid as the runnels left behind by the tide s turning The Lure of the Beach is a chronicle of humanity s history with the coast taking us from the seaside pleasure palaces of Roman elites and the aquatic rituals of medieval pilgrims to the venues of modern resort towns and beyond Robert C Ritchie traces the contours of the material and social economies of the beach throughout time covering changes in the social status of beach goers the technology of transport and the development of fashion from nudity to Victorianism and back again as well as the geographic spread of modern beach going from England to France across the Mediterranean and from nineteenth century America to the world And as climate change and rising sea levels erode the familiar faces of our coasts we are poised for a contemporary reckoning with our relationship and responsibilities to our beaches and their ecosystems The Lure of the Beach demonstrates that whether as a commodified pastoral destination a site of ecological resplendency or a flashpoint between private ownership and public access the history of the beach is a human one that deserves to be told now more than ever before *Getting There* Stephen B. Goddard, 1996-11-15 From the glory days of the railroad to today s gridlocked six lane highway *Getting There* dramatizes America s shift from rail to road transportation how it has robbed Americans of the choice of travel options enjoyed by Europeans and why it threatens the nation s economic future Stephen B Goddard reveals how government joined automakers and roadbuilders to nearly destroy the rails and why the 21st century will witness high tech remedies and a railroad resurgence **Redwoods, Iron Horses, and the Pacific** Spencer Crump, 1971 **Ride the Big Red Cars** Spencer Crump, 1962 *Railroadman's Magazine*, 1971 **Trains**, 1979 *Southern California Quarterly*, 1999 *The Publishers Weekly*, 1971 **National Union Catalog**, 1973 Includes entries for maps and atlases *The National union catalog, 1968-1972*, 1973 **Subject Guide to Books in Print**, 1993 **From Horsecars to Streamliners** Alan R. Lind, 1978 An illustrated history of the St Louis Car Company The first part of the book sets the rapid growth and long decline of the company in its social and economic context The second half of the book treats the company s products in great technical detail More than 400 illustrations are included Amazon *Paperbound Books in Print*, 1992 *Street and Interurban Railroads* Brent Cassan, 2009 **The "red Cars" of Southern California** Glenna Dunning, 1981 **AB Bookman's Weekly**, 1989-05 **Subject Catalog** Library of Congress, 1980
