# Henry James Senior A Selection Of His Writings

**Giles Gunn**

## Henry James Senior A Selection Of His Writings:

**Henry James, Senior** Henry James, Sr.,1974      **Henry James, Senior** Henry James,1974      *Henry James and the Father Question* Andrew Taylor,2002-02-28 The intellectual relationship between Henry James and his father who was a philosopher and theologian proved to be an influential resource for the novelist Andrew Taylor explores how James s writing responds to James Senior s epistemological thematic and narrative concerns and relocates these concerns in a more secularised and cosmopolitan cultural milieu Taylor examines the nature of both men s engagement with autobiographical strategies issues of gender reform and the language of religion He argues for a reading of Henry James that is informed by an awareness of paternal inheritance Taylor s study reveals the complex and at times antagonistic dialogue between the elder James and his peers particularly Emerson and Whitman in the vanguard of mid nineteenth century American Romanticism Through close readings of a wide range of novels and texts he demonstrates how this dialogue anticipates James s own theories of fiction and selfhood      **The Science of Sacrifice** Susan L. Mizruchi,1998-05-04 From ritual killings to subtle acts of self denial the practice and rhetoric of sacrifice has a special centrality in modern American literature In a compelling interdisciplinary investigation Susan Mizruchi portrays an episode in American cultural history when the literary movement of realism and the fledgling field of sociology both converged in the belief that sacrifice is basic to sociality This is a book about the fascination that sacrifice held for writers principally Herman Melville Henry James and W E B Du Bois and also for those who articulated the main tenets of modern social theory an inquiry that eventually spans historical events such as public lynchings and the political scapegoating of immigrants a century ago The execution in Billy Budd Sailor the death of Du Bois s first born son in *The Souls of Black Folk* Henry James s preoccupation with renunciation and scapegoating and the self denying working classes of Norris and Stein all illustrate repeated stagings of sacrificial rituals from a Biblical past For Mizruchi the peculiar persistence of this aesthetic construct becomes a guide to a rich theological and social scientific tradition distinctive to the late nineteenth and early twentieth centuries and including such influential works as Smith s *Lectures on the Religion of the Semites* Frazer s *Golden Bough* and Ross s *Sin and Society* The major features of sacrifice its original association with spiritual doubt its function as a form of spiritual economics that sustained divisions between the fortunate and the bereft and its role in fixing boundaries between aliens and kin held strong symbolic value for writers struggling to reconcile faith with rationalism and communal coherence with capitalist expansion Mizruchi eloquently demonstrates how the conceptual power of sacrifice made it a key mediator of cultural change from the decline of sympathy and the significance of race in an emerging multicultural society to the revival of maternal self sacrifice      *Henry James' Last Romance* Beverly Haviland,1997-09-28 A 1998 study of Henry James s classic work of cultural criticism *The American Scene*      *Principle and Propensity* Kelsey L. Bennett,2014-09-01 Reimagining the coming of age literary tradition in the U S and U K within dynamic theological contexts Scholars have traditionally relied upon the assumption that the nineteenth

century bildungsroman in the Goethean tradition is an intrinsically secular genre exclusive to Europe incompatible with the literature of a democratically based culture By combining intellectual history with genre criticism Principle and Propensity provides a critical reassessment of the bildungsroman beginning with its largely overlooked theological premises bildung as formation of the self in the image of God Kelsey L Bennett examines the dynamic differences tensions and possibilities that arise as interest in spiritual growth or self formation collides with the democratic and quasi democratic culture in the nineteenth century British and American bildungsroman Beginning with the idea that interest in an individual's moral and psychological growth or bildung originated as a religious exercise in the context of Protestant theological traditions Bennett shows how these traditions found ways into the bildungsroman the literary genre most closely concerned with the relationship between individual experience and self formation Part 1 of Principle and Propensity examines the attributes of parallel national traditions of spiritual self formation as they convened under the auspices of the international revival movements the Evangelical Revival the Great Awakening and the renewal of Pietism in Germany led respectively by John Wesley Jonathan Edwards and Count Nikolaus Ludwig Zinzendorf Further it reveals the ways in which spiritual self formation and the international revival movements coalesce in the bildungsroman prototype Johann Wolfgang von Goethe's Wilhelm Meisters Lehrjahre Wilhelm Meister's Apprenticeship Part 2 in turn explores the ways these traditions manifest themselves in the nineteenth century bildungsroman in England and the United States through Jane Eyre David Copperfield Pierre and Portrait of a Lady Though Wilhelm Meisters Lehrjahre was a library staple for most serious writers in nineteenth century England and in the United States Bennett shows how writers such as Charlotte Brontë Charles Dickens Herman Melville and Henry James also drew on their own religious traditions of self formation adding richness and distinction to the received genre

*The Invention of Telepathy, 1870-1901* Roger Luckhurst, 2002 The Invention of Telepathy explores one of the enduring concepts to emerge from the late nineteenth century Telepathy was coined by Frederic Myers in 1882 He defined it as the communication of any kind from one mind to another independently of the recognised channels of sense By 1901 it had become a disputed phenomenon amongst physical scientists yet was the royal road to the unconscious mind Telepathy was discussed by eminent men and women of the day including Sigmund Freud Thomas Huxley Henry and William James Mary Kingsley Andrew Lang Vernon Lee W T Stead and Oscar Wilde Did telepathy signal evolutionary advance or possible decline Could it be a means of binding the Empire closer together or was it used by natives to subvert imperial communications Were women more sensitive than men and if so why Roger Luckhurst investigates these questions in an exciting and accessible study that mixes history of science with cultural history and literary analysis

**Religious Melancholy and Protestant Experience in America** Julius H. Rubin, 1994 This thought provoking study examines an apparent paradox in the history of American Protestant evangelical religion Fervent believers who devoted themselves completely to the challenges of making a Christian life who longed to know God's rapturous love all too often languished in

despair feeling forsaken by God Indeed some individuals became obsessed by guilt terror of damnation and the idea that they had committed an unpardonable sin Ironically those most devoted to fostering the soul's maturation seemingly neglected the well being of the psyche Drawing upon many sources including unpublished diaries spiritual narratives and case studies of patients treated in nineteenth century asylums Julius Rubin thoroughly explores religious melancholy as a distinctive stance toward life a grieving over the loss of God's love and an obsession and psycho pathology associated with the spiritual itinerary of conversion The varieties of this spiritual sickness include sinners who would fast unto death evangelical anorexia nervosa religious suicides and those obsessed with unpardonable sin From colonial Puritans like Michael Wigglesworth to contemporary evangelicals like Billy Graham Rubin shows that religious melancholy has shaped the experience of self and identity for those who sought rebirth as children of God Religious Melancholy and Protestant Experience in America offers a fresh and revealing look at a widely recognized phenomenon It will be of interest to scholars and students of religious studies American history psychology and sociology of religion

**Essays in Religion and Morality** William James, 1982 Essays in Religion and Morality brings together a dozen papers of varying length to these two themes so crucial to the life and thought of William James Reflections on the two subjects permeate first James's presentation of his father's Literary Remains second his writings on human immortality and the relation between reason and faith third his two memorial pieces one on Robert Gould Shaw and the other on Emerson fourth his consideration of the energies and powers of human life and last his writings on the possibilities of peace especially as found in his famous essay The Moral Equivalent of War These speeches and essays were written over a period of twenty four years The fact that James did not collect and publish them himself in a single volume does not reflect on their intrinsic worth or on their importance in James's philosophical work since they include some of the best known and most influential of his writings All the essays throughout their varied subject matter are consistently and characteristically Jamesian in the freshness of their attack on the problems and failings of humankind and in their steady faith in human powers

*Thinking Across the American Grain* Giles Gunn, 1992-02-15 In Thinking Across the American Grain Giles Gunn makes a major contribution to the current revival of pragmatism in America by showing how it provides the most critically resilient and constructive response to the intellectual challenges of postmodernism Gunn reclaims and refurbishes elements of the pragmatic tradition that either have been lost or have undergone important changes and shows how newer critical approaches have strong roots in the pragmatic tradition For Gunn pragmatism is no longer concerned solely with the nature of knowledge and the meaning of truth Because of its insistence on critical self awareness its opposition to closed systems of thought and its concern with the ethical political and practical contexts of ideas pragmatism offers a blueprint for performing intellectual work in a world without absolutes The world Gunn's pragmatism recognizes is one of multiple truths unstable interpretations and competing interests After critically reexamining the nature and scope of the pragmatic legacy Gunn explores the way pragmatism successfully responds to conceptual and methodological

controversies from the rebirth of ideology the spread of interdisciplinarity and the development of the new historicism to the revolt against theory the erosion of public discourse and the problematics of American civil religion Drawing throughout on the work of William James Henry James Sr John Dewey Kenneth Burke W E B Du Bois Richard Poirier Stanley Cavell Clifford Geertz Frank Lentricchia Richard Rorty Richard J Bernstein and others Gunn shows that pragmatism because it offers a way of thinking across the categories of modern intellectual specializations is located at the intersection of these critical and often competitive discourses The postmodern challenge for the pragmatist thinker is not only how to render these different discourses conversible with one another but how to turn the salient insights of each into elements of a new democratic and critical public culture one able to counter the twin threats of ideology and solipsism Giles Gunn is one of our most acclaimed contemporary critics and this broad and ambitious book is certain to become one of the central works in the current revival of critical pragmatism and cultural studies

**The Carlyles at Home and Abroad** Rodger L. Tarr, 2017-11-28 The Carlyles at Home and Abroad explores the extensive influence of Thomas Carlyle and Jane Welsh Carlyle in England and Scotland Europe and the United States The contributors explore a wide range of topics such as aesthetics history biography literature travel writing feminism and race The result is a volume that offers a fresh assessment of the couple as national and international figures

**Love and Good Reasons** Fritz Oehlschlaeger, 2003-01-14 Insisting on the vital productive relationship between ethics and the study of literature Love and Good Reasons demonstrates ways of reading novels and stories from a Christian perspective Fritz Oehlschlaeger argues for the study of literature as a training ground for the kinds of thinking on which moral reasoning depends He challenges methods of doing ethics that attempt to specify universally binding principles or rules and argues for the need to bring literature back into conversation with the most basic questions about how we should live Love and Good Reasons combines postliberal narrative theology especially Stanley Hauerwas's Christian ethics and Alasdair MacIntyre's idea of traditional inquiry with recent scholarship in literature and ethics including the work of Martha Nussbaum J Hillis Miller Wayne Booth Jeffrey Stout and Richard Rorty Oehlschlaeger offers detailed readings of literature by five major authors Herman Melville Jane Austen Anthony Trollope Henry James and Stephen Crane He examines their works in light of biblical scripture and the grand narratives of Israel Jesus and the Church Discussing the role of religion in contemporary higher education Oehlschlaeger shares his own experiences of teaching literature from a religious perspective at a state university

**New Essays on 'Daisy Miller' and 'The Turn of the Screw'** Vivian R. Pollak, 1993-11-26 Specifically designed for undergraduates the series will be a powerful resource for anyone engaged in the critical analysis of major American novels and other important texts

*William James and the Transatlantic Conversation* Martin Halliwell, Joel D. S. Rasmussen, 2014 This volume focuses on the American philosopher and psychologist William James and his engagements with European thought together with the multidisciplinary reception of his work on both sides of the Atlantic since his death James participated in transatlantic conversations in science philosophy psychology religion ethics and

literature     Reflections on the Principles of Psychology Michael G. Johnson, Tracy B. Henley, 2013-04-15 This important volume looks back to 1890 and 100 years later asks some of the same questions William James was asking in his *Principles of Psychology*. In so doing it reviews our progress toward their solutions. Among the contemporary concerns of 1990 that the editors consider are the nature of the self and the will, conscious experience, associationism, the basic acts of cognition and the nature of perception. Their findings: Although the developments in each of these areas during the last 100 years have been monumental, James's views as presented in the *Principles* still remain viable and provocative. To provide a context for understanding James, some chapters are devoted primarily to recent scholarship about James himself, focusing on the time the *Principles* was written, relevant intellectual influences, and considerations of his understanding of this new science of psychology. The balance of this volume is devoted to specific topics of particular interest to James. One critical theme woven into almost every chapter is the tension between the role of experience or phenomenological data within a scientific psychology and the viability of a materialistic or biologically reductive account of mental life. Written for professionals, practitioners, and students of psychology in all disciplines.

*The Social Life of Children in a Changing Society* K. M. Borman, 2019-01-22 This book developed from a symposium in which participants examined childhood socialization from a number of perspectives and with several disciplinary lenses. The major purpose of the symposium and thus of this volume is to provide an integrative multidisciplinary discussion of the social development of preschool and young elementary school aged children. As a result, there are contributions to this volume from anthropologists Leacock, Ogbu, psychologists Lippincott, Mueller, Ramey, and Snow, sociologists Borman, Denzin, and scholars who have self-consciously adopted an interdisciplinary framework. First published in 1984, Routledge is an imprint of Taylor & Francis, an informa company.

Selected Writings of Ralph Waldo Emerson Ralph Waldo Emerson, 2017-12-05 Essayist, lecturer, poet, and America's first public intellectual, Ralph Waldo Emerson (1803-82) is the central figure in nineteenth-century American letters and the leader, albeit reluctantly, of the Transcendental group. A literary mover and shaker, Emerson directed his unpopular early radicalism toward social institutions, the Church, education, literary conventions, by his death in 1882, however, his reputation was already solidifying as a national icon. Somewhere between the iconic sage and the speculative idealist lies an Emerson that students don't often encounter: a flesh and blood figure whose writings testify to his continuing exploration of the individual's place in an increasingly conformist and crowded world. In its selections and its apparatus, this Broadview edition bridges the gap between Emerson and students by stressing his real-world engagements. The collection contains a range of prose and poetry addressing some of Emerson's major concerns: nature and the self, imagination and the poet, religion and social reform, as he explores the enduring question: How shall I live? Historical appendices include primary materials on Transcendentalism, the contemporary debate about the nature of biblical miracles, other authors' responses to Emerson as a writer and thinker, and the development of his complex reputation as a representative American. Copy texts in this edition are the first published versions of each text.

restored here as Emerson's initial audience would have read them      **Sacred Estrangement** Peter A. Dorsey, 1993-07-12

Sacred Estrangement analyzes certain works by important American writers and thinkers in the context of the rhetoric of conversion. Such analysis is especially valuable because it provides a reliable index of the relationship between the self and larger communities. Traditionally, conversion has served a socializing function, signifying that one has come into alignment with certain linguistic, behavioral, and cultural expectations. The socialization process is particularly apparent in the Christian conversion narratives of the seventeenth through nineteenth centuries, by publicly testifying to a conversion experience, believers became empowered members not only of God's elect community but also of a local population. As modern autobiography developed in the eighteenth and nineteenth centuries, the Christian pattern was secularized and individualized. Conversion became a model for many kinds of psychological change. With the coming of the twentieth century, however, the authors upon whom Peter Dorsey focuses, including William and Henry James, Henry Adams, Edith Wharton, Ellen Glasgow, Zora Neale Hurston, and Richard Wright, radically revised conversion rhetoric. If conversion had traditionally linked the search for illumination with the search for a defined social role, these writers increasingly used conversion as an index of estrangement from mainstream America. Dorsey documents this profound change in the way American intellectuals defined the self, not in terms of personal orientation toward or away from a given community, but as a resistance to such an orientation altogether, as if social forces by their nature were a threat to personal identity.      *Young William James Thinking* Paul J. Croce, 2018. Ultimately, *Young William James Thinking* reveals how James provided a humane vision well suited to our pluralist age.      Varieties of Religious Experience William James, 2002. William James' series of lectures on religion, as it is apprehended by and affects the individual.

## Decoding **Henry James Senior A Selection Of His Writings**: Revealing the Captivating Potential of Verbal Expression

In a time characterized by interconnectedness and an insatiable thirst for knowledge, the captivating potential of verbal expression has emerged as a formidable force. Its power to evoke sentiments, stimulate introspection, and incite profound transformations is genuinely awe-inspiring. ### **Henry James Senior A Selection Of His Writings Introduction**

In the digital age, access to information has become easier than ever before. The ability to download Henry James Senior A Selection Of His Writings has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Henry James Senior A Selection Of His Writings has opened up a world of possibilities. Downloading Henry James Senior A Selection Of His Writings provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Henry James Senior A Selection Of His Writings has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Henry James Senior A Selection Of His Writings. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Henry James Senior A Selection Of His Writings. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Henry James Senior A Selection Of His Writings, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To

protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Henry James Senior A Selection Of His Writings has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

### **FAQs About Henry James Senior A Selection Of His Writings Books**

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Henry James Senior A Selection Of His Writings is one of the best book in our library for free trial. We provide copy of Henry James Senior A Selection Of His Writings in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Henry James Senior A Selection Of His Writings. Where to download Henry James Senior A Selection Of His Writings online for free? Are you looking for Henry James Senior A Selection Of His Writings PDF? This is definitely going to save you time and cash in something you should think about. If you trying to find then search around for online. Without a doubt there are numerous these available and many of them have the freedom. However without doubt you receive whatever you purchase. An alternate way to get ideas is always to check another Henry James Senior A Selection Of His Writings. This method for see exactly what may be included and adopt these ideas to your book. This site will almost certainly help you save time and effort, money and stress. If you are looking for free books then you really should consider finding to assist you try this. Several of Henry James Senior A Selection Of His Writings are for sale to free while some are payable. If you arent sure if the books you would like to download works with for usage along with your computer, it is possible to download free trials. The

free guides make it easy for someone to free access online library for download books to your device. You can get free download on free trial for lots of books categories. Our library is the biggest of these that have literally hundreds of thousands of different products categories represented. You will also see that there are specific sites catered to different product types or categories, brands or niches related with Henry James Senior A Selection Of His Writings. So depending on what exactly you are searching, you will be able to choose e books to suit your own need. Need to access completely for Campbell Biology Seventh Edition book? Access Ebook without any digging. And by having access to our ebook online or by storing it on your computer, you have convenient answers with Henry James Senior A Selection Of His Writings To get started finding Henry James Senior A Selection Of His Writings, you are right to find our website which has a comprehensive collection of books online. Our library is the biggest of these that have literally hundreds of thousands of different products represented. You will also see that there are specific sites catered to different categories or niches related with Henry James Senior A Selection Of His Writings So depending on what exactly you are searching, you will be able to choose ebook to suit your own need. Thank you for reading Henry James Senior A Selection Of His Writings. Maybe you have knowledge that, people have search numerous times for their favorite readings like this Henry James Senior A Selection Of His Writings, but end up in harmful downloads. Rather than reading a good book with a cup of coffee in the afternoon, instead they juggled with some harmful bugs inside their laptop. Henry James Senior A Selection Of His Writings is available in our book collection an online access to it is set as public so you can download it instantly. Our digital library spans in multiple locations, allowing you to get the most less latency time to download any of our books like this one. Merely said, Henry James Senior A Selection Of His Writings is universally compatible with any devices to read.
