BODYGUARD RUCHI SINGH.,2022 **Her Brutal Guardian** Skye Jones,2023-05-07 He's my brutal guardian the weapon I need in this world but he's about to become so much more My world changed overnight with the arrival of a bunch of flowers They were from a man who would become a dangerous stalker Terrified and victimized I needed a protector My friend put me in touch with a security agency and they sent me more than a bodyguard They sent a brutal guardian A man who would do whatever it took to keep me safe Scarred detached and hardened Marcus is everything I shouldn't want but he might be all that I need The barbed wire tattoo that runs over his scars might as well be wrapped around his heart for how closed off he is at first but as I get to know him I realize he's not cold at all Marcus is burning hot and he might just be about to set my world alight If I dare to let him The big question is can I trust in this Turns out he's not the only one who closed himself off due to the pain from the past I did too Now we must decide if what we have is enough for us both to face our fears of intimacy and fight for something more It isn't the only fight we face We also have to defeat the man who is determined to make me his or end my life trying It's time for my brutal guardian angel to flex his wings Author note This is a fast paced bodyguard romance with a battle hardened military hero fighting secrets and health issues he feels make him less than and a heroine who thinks she isn't capable of love If you like your romantic suspense with plenty of spice then I hope you will love Marcus and Jade
