Her Highness My Wife:

Her Highness, My Wife Victoria Alexander, 2009-03-17 Women never said no to the dashing Lord Matthew Weston and he never said no to them But this was the first time he found one tempting enough to impetuously say I do Was it any wonder he awoke to discover her gone And when Matthew learned the enchanting creature he d married was of royal blood and would abandon their marriage bed without a second thought he vowed to put her out of his life forever But even a princess makes mistakes And now Tatiana s back asking for the kind of help only he can give her But is his assistance all she wants or are there secrets the willful royal is keeping from him Matthew may well lend her his hand but he ll never again give her his heart Still he s determined to tame the green eyed beauty and change her from a perfect princess to his passionate bride

The Vanished Raj A Memoir of Princely India Rajaram N S, 2019-01-12 *New York Magazine* , 1973-10-15 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine s consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea **Honors Rendered** Robert N. Macomber, 2013-09-15 January 1889 German and American naval forces are engaged in an escalating confrontation in Samoa in the South Pacific Warships are at battle stations Naval reinforcements from both nations are on the way The press in Berlin Hamburg Washington and San Francisco is calling for national honor to be defended At any minute open warfare may erupt All it will take is one spark President Grover Cleveland orders Commander Peter Wake Office of Naval Intelligence to clandestinely accomplish one of two things either somehow prevent all out war between Germany and America or win it decisively at the outset to prevent combat from spreading worldwide Coming up with an admittedly makeshift plan along the way Wake enlists the help of an unlikely trio he encounters in the Pacific a Hawaiian artillery officer a renegade Methodist minister and a beautiful widow Unfortunately for Wake and unbeknownst to him each of them has his or her own motives for heading to Samoa If he fails thousands across the world will die It is a dilemma right out of today s headlines When do you cross the line of civilized behavior to potentially save lives How do you live with the consequences Amidst this dilemma Wake decides to employ a repulsive tactic that results in horror for a member of his team something he will regret for the rest of his life The intrigue is as deadly as the action in this novel which culminates in one of the most significant events in Pacific and American naval history **The Book of Witchcraft** Bram Stoker, Charles Mackay, William Godwin, Walter Scott, Charles Wentworth Upham, Jules Michelet, John Ashton, Howard Williams, Increase Mather, Cotton Mather, Allen Putnam, George Moir, Frederick George Lee, James Thacher, M.
