in Germany at this time was driven in part by a homoerotic component that could not be stated explicitly in his published material This excellent companion essay also places *The Brown Plague* within a broad historical and literary context while drawing connections between fascism aesthetics and sexuality Informed by an epic view of class struggle and an admiration for German culture *The Brown Plague* a notable primary source in the literature of modern Europe provides a unique view onto the rise of Nazism *Photographs, Part I*, 1994 *Cultural Cohesion: The Essential Essays* Clive James, 2013-04-01 Clive James presents the prequel to his celebrated *Cultural Amnesia* forty nine essays that form a cultural education in one brilliant volume Six years after the much heralded publication of *Cultural Amnesia* Clive James presents his prequel forty nine essays that he has selected as the best of his half century career Originally appearing as *As of This Writing* *Cultural Cohesion* examines the twisted cultural terrain of the twentieth century in one of the most accessible and cohesive volumes available Divided into four sections Poetry Fiction and Literature Culture and Criticism and Visual Images James comments on poets like W H Auden and Phillip Larkin novelists like D H Lawrence and Raymond Chandler not to mention Judith Krantz and filmmakers like Fellini and Bogdanovich Throughout James delights his readers with his manic energy and critical aplomb This volume featuring a new introduction is a one volume cultural education that few recent books can rival **The 1930s** Jean Clair, Pierre Théberge, 2008 On the heels of the Roaring Twenties the 1930s which spanned from the economic crisis of 1929 to the outbreak of the Second World War was a dark decade Beyond similar governmental mechanisms these regimes shared an ideology the will to create what they called the New Man This decade began with a more or less innocent dream of the theme of the original egg germination the harmonious growth of a fabric both biological and social but ended with the nightmarish discovery of the corpses in the concentration camps by the armies of liberation in 1945 **BOOK JACKET**
