Litterature Du Vingtieme Siecle:

La Littérature française du 20e siècle lue de l'étranger Dominique Viart, 2011-11-30 A l'heure où l'on débat de la présence de la culture française sur la scène internationale et de celle de la littérature dans le champ culturel cet ouvrage manifeste l'importance de la littérature moderne et contemporaine française dans les Universités étrangères. Il tablit et commente l'état actuel des recherches travaux et publications qui lui sont consacrés dans le monde. Il fournit aussi une précieuse réflexion sur l'évolution des méthodes critiques après la domination successive des écoles formalistes et structurales puis dans un grand nombre de pays de celles issues de la French Theory et du déconstructionnisme aucune école ni méthode ne semble avoir aujourd'hui pris la relève et la recherche universitaire d'ordinaire plus synchronique préfère croiser des approches de nature diverse. Mais qu'en est-il en fait. Peut-on constater des particularités observables selon les diverses zones géographiques linguistiques et les diverses aires culturelles. Ces études présentées par les meilleurs spécialistes mondiaux de la littérature française moderne et contemporaine montrent quelles sont depuis le basculement d'un siècle l'autre les esthétiques les plus volontiers étudiées les approches critiques privilégiées et leurs articulations ventuelles avec les autres disciplines de la pensée dans les principaux pays ouverts notre littérature.

Littérature française du XXe siècle Denis Labouret, 2013-11-20 Comment donner une vue d'ensemble de la littérature du XXe siècle encore si proche de nous. L'auteur propose ici une synthèse sous une forme équilibrée aussi attentive auxcrivains de la Belle époque qu'à la production la plus contemporaine. Sans les illusions déformantes d'une interprétation moderniste ou traditionaliste l'histoire de la littérature du XXe siècle qu'il dessine n'est pas plus celle d'un progrès que celle d'une décadence. C'est plutôt une histoire de mutations qui se déploie en quatre périodes le temps des recherches 1900-1930 le temps des engagements 1930-1955 le temps de la critique 1955-1980 et le temps des doutes 1980-2010. Mais d'un bout l'autre du siècle c'est l'idéologie de la littérature qui semble être en question. L'unité du XXe siècle résiderait-elle alors dans cette réflexivité de la littérature qui s'interroge sur sa responsabilité depuis l'affaire Dreyfus et la preuve des deux guerres mondiales et sur sa spécificité dès lors que la représentation réaliste et le vers rugueux ne font plus la loi.

Littérature du vingtième siècle ... André Rousseaux, 1938 **Litterature Du Vingtieme Siecle** Andre Rousseaux, 1948 *Visages de la littérature féminine* Evelyne Wilwerth, 1987 Pendant des siècles la littérature féminine a été masquée et déformée par des préjugés et occultée 80 %. L'objectif de ce livre est d'entreprendre une réhabilitation générale en situant cette littérature féminine dans son contexte historique et dans le tissu complexe des sciences humaines. L'auteure tente de définir le cadre de la création littéraire et de déterminer les raisons de son occultation. Ce livre cerne la littérature de France et de Belgique du XIIe au XXe siècle et brasse tous les genres littéraires. Il mêle informations, commentaires et extraits d'oeuvres.

Memory in Canadian Literature / Habiter la mémoire dans la littérature canadienne Benjamin Authers, Maïté

Snauwaert, Daniel Laforest, 2017-11-30 This book examines the cultural work of space and memory in Canada and Canadian literature and encourages readers to investigate Canada within its regional, national and global contexts. It features seven chapters in English and five in French with a bilingual introduction. The contributors invite us to recognize local intersections that are so easily overlooked yet are so important. They reveal the unities and fractures in national understanding, telling stories of otherness and marginality and of dislocation and unbelonging. Ce livre examine l'importance culturelle de l'espace et de la mémoire en contexte canadien et plus spécifiquement dans les littératures du pays afin d'inviter des lectures neuves des questions régionales, nationales et globales. Il rassemble sept chapitres en anglais et cinq en français en plus d'une introduction bilingue. Les contributions favorisant des approches thématiques et théoriques variées sont réunies par leur désir de mettre en lumière des croisements indits entre la mémoire et l'espace en tant qu'ils définissent certains des problèmes les plus brûlants de notre époque au Canada. S'y révèle l'équilibre fort instable entre racis unitaires et fractures communautaires entre altérité et marginalité ou entre dislocation et désappartenance. la littérature africaine, 2009-01-01 The Changing Face of African Literature combines both the large picture and a synopsis of current trends in African literature and the small studies of individual texts and of themes across several texts. The large and the small are linked by recurring themes such as gender and sexuality, the nation state and its collapse, AIDS, war and suffering. The volume is comparative, bringing together literature in at least five languages and from at least ten national literatures. Such a large comparative frame is implied by most discussion of African literature but is too seldom seen. At the same time, the collection also problematizes the comparison; the goal is to make clear what African literatures have in common but also where they diverge. What difference do distinct literary traditions, readerships and publishing patterns make

to literatures which share a common thematic and so many of the same questions and needs By juxtaposing contemporary texts from several traditions the intention of this collection is to bring out the themes that are currently dominant in African literatures generally After a preface by Liz Gunner and a wide ranging introduction by the editors the collection presents keynote essays on new paradigms in African literature before treating specific themes recent crime fiction the Afrikaans and anglophone novel feminist literature migration and studies of recent works by individual authors such as Andr  Brink Henri Djombo Pie Tshibanda Bessora Nadine Gordimer and Paulina Chiziane as well as the South African television series Yizo Yizo
