*A Collection of Short Stories* Andrew G Riddell, 2016-04-26 Having spiritual overtones this collection is both suspenseful and erotic The author is a second time writer and his collection of stories is a great companion for any library **Karma**

Nora Ongtengco, 2017-10-30 KARMA encompasses the twelve laws of existence that govern our lives They are spiritual guidelines that can help us maneuver through this life Our actions can ultimately decide our fate In this story we follow the fate of an aspiring young Filipino boy and his dysfunctional family living in the 1970s Their pursuit of love significance and security is a deep human need that is present in all of us Being a Christian does not necessarily make one impervious to the seductive idolatries of this world In actuality Christians usually struggle mightily with their faith and have much to lose It is human nature to fall to falter oftentimes failing to fully comprehend why It is by design Only by understanding KARMA can we avoid life's deleterious pitfalls But without enlightenment forgiveness and redemption through God's grace we will never find true peace and fulfillment in this earthly life of ours and beyond **The New Collection of Short Stories** Andrew G

storms But what describes the climb up the mountains Difficulties adversities setbacks injustices betrayals deceit conspiracies just to name a few There are hidden complexities for the mountain climber hidden vice covered ravines slippery slopes crags and crevices venomous snakes unstable weather little to no vegetation to feed upon Sometimes sprained ankles broken bones and being just too tired to go on Compare that to what can happen when mustard seed faith collides with adversity time and time again Thats the story of the journey of Cami Marie Taylor whose blind faith eventually led her to the very footstool of God at the top of her own personal mountain You will be wasting your time reading this book if youve never had to face a way out of impossible situations with seemingly no answers But then again you just might be interested in how Cami was led and strengthened to climb her mountains of adversity Inspirational reading intermixed with practical Christianity best describes Cami Marie Taylors journey during the 1970s 1980s while it also records the great outpouring of the Holy Spirit who accompanied her on her unchartered mountain climbing expedition
