My Little Gifts Jo Witek, 2018-09-11 There are many types of gifts You can give a big shiny wrapped gift on Christmas morning but you can also give the gifts of your help or your time You can bake a cake for your parents or share what you learned in school with your little sister You can help a friend unravel a knotty bracelet or smile at a stranger who looks sad With a spirit of generosity you ll find you have many gifts to give to the world and that giving can be even more fulfilling than receiving Featuring a die cut cover and interior flaps throughout *My Little Gifts* celebrates the gift of giving The Growing Hearts series celebrates the milestones of a toddler s emotional development from conquering fears and expressing feelings to welcoming a new sibling

*The Gift* Aafke E. Komter, 1996 What moves us to give gifts to other people The Gift brings together perspectives on gift exchange and reciprocity from different social scientific disciplines The first part of this book contains anthropological and sociological classics on gift giving and reciprocity In the second part the focus is on social psychological theories and on empirical research on gift giving in Western society Finally the main concepts underlying gift exchange reciprocity self interest and altruism are discussed Here the focus is on fundamental assumptions about human nature Altruism and self interest turn out to be much more interwoven than we are inclined to think

**The Gift** Danielle Steel, 2009-02-25 On a June day a young woman in a summer dress steps off a Chicago bound bus into a small midwestern town She doesn t intend to stay She is just passing through Yet her stopping here has a reason and it is part of a story that you will never forget The time is the 1950s when life was simpler people still believed in dreams and family was very nearly everything The place is a small midwestern town with a high school and a downtown a skating pond and a movie house And on a tree lined street in the heartland of America an extraordinary set of events begins to unfold And gradually what seems serendipitous is tinged with purpose A happy home is shattered by a child s senseless death A loving marriage starts to unravel And a stranger arrives a young woman who will touch many lives before she moves on She and a young man will meet and fall in love Their love so innocent and full of hope helps to restore a family s dreams And all of their lives will be changed forever by the precious gift she leaves them The Gift Danielle Steel s thirty third best selling work is a magical story told with stunning simplicity and power It reveals a relationship so moving it will take your breath away And it tells a haunting and beautiful truth about the unpredictability and the wonder of life

**Suspicious Gifts** Malin Akerstrom, 2014 Gifts have been given and received in all eras and societies gifts are part of a universal human exchange The importance of creating and sustaining social bonds with the help of gifts is widely acknowledged by social scientists not only from anthropological but also from economic sociological and political science perspectives Contemporary anti corruption campaigns however have led gifts to be viewed with ever increasing suspicion because it is feared that the social bonds created by gift giving may contaminate professional decision making *Suspicious Gifts* investigates the sensitive issue of gift exchanges and how they become an object of contention Malin kerstr m considers the moral dilemmas presented by bribes

and gift giving as experienced by Swedish aid workers and professionals working in the public sector business and adoption agencies She also deals with professionals interaction with foreign officials or contractors Often a gift is just that although sometimes the gift giving may be seen by others as a bribe kerstr m highlights the tensions between strict regulations designed to prevent corruption with the human affection for the institution of gift giving She argues that bribes and gifts are important social phenomena because they are windows into classic sociological and anthropological research issues concerning interaction social control exchange and rituals This unique analysis will be of keen interest to all sociologists public officials and professionals

LEAD ME LORD Pam Lile,2021-04-26 As he fell at her feet unconscious Pam had no idea that her otherwise healthy eight year old son was suffering a very severe brain hemorrhage Nor did she realize that she was taking the very first step of an arduous and painful journey that would demand so much of her Led into the shadow of death this grief stricken mother had no choice but to

embrace a very devastating cross and to reconcile it with the God she thought she knew Seventy three days in the hospital she walked the path of Calvary with her son as he struggled to survive and breathe to eat and walk once again Through the chaos confusion devastation and darkness Pam found sparks of hope igniting at every turn Hope in the truly miraculous Hope in restoration Hope in the God she had known and loved This story of suffering and salvation is the journey of a soul who found the love of her God within the cross she was asked to carry It is a journey of painful scars but of even greater blessings a journey of tremendous suffering but also unfathomable grace Between the covers of this book is a glimpse into the heart of one woman and her discovery of Christ within her wounds For anyone suffering under the weight of a very heavy cross this is a story of hope in the promises of God A story of trust when the road is difficult A story of countless blessings on the journey as a very battered Sam was brought forth from the grave and incrementally led to the resurrection bringing his whole family and an entire community of believers with him And after you have suffered a little while the God of all grace who has called you to His eternal glory in Christ will Himself restore confirm strengthen and establish you 1 Peter 5 10
