Little Italies In North America:

Little Italies in North America Robert F. Harney, Vincenza Scarpaci, 1981 *America's Changing Neighborhoods* Reed Ueda, 2017-09-21 A unique panoramic survey of ethnic groups throughout the United States that explores the diverse communities in every region state and big city Race ethnicity and immigrants lives and identity these are all key topics that Americans need to study in order to fully understand U S culture society politics economics and history Learning about place through our own historical and contemporary neighborhoods is an ideal way to better grasp the important role of race and ethnicity in the United States This reference work comprehensively covers both historical and contemporary ethnic and immigrant neighborhoods through A Z entries that explore the places and people in every major U S region and neighborhood America s Changing Neighborhoods An Exploration of Diversity uniquely combines the history of ethnic groups with the history of communities offering an interdisciplinary examination of the nation s makeup It gives readers perspective and insight into ethnicity and race based on the geography of enclaves across the nation in regions and in specific cities or localized areas within a city Among the entries are nearly 200 neighborhood biographies that provide histories of local communities and their ethnic groups Images sidebars cross references at the end of each entry and cross indexing of entries serve readers conducting preliminary as well as in depth research The book s state by state entries also offer population data and an appendix of ancestry statistics from the U S Census Bureau details ethnic and racial diversity **The Routledge History of Italian Americans** William Connell, Stanislao Pugliese, 2017-09-27 The Routledge History of Italian Americans weaves a narrative of the trials and triumphs of one of the nation s largest ethnic groups This history comprising original essays by leading scholars and critics addresses themes that include the Columbian legacy immigration the labor movement discrimination anarchism Fascism World War II patriotism assimilation gender identity and popular culture This landmark volume offers a clear and accessible overview of work in the growing academic field of Italian American Studies Rich illustrations bring the story to life drawing out the aspects of Italian American history and culture that make this ethnic group essential to the American experience *The Italian/American Experience* Louis J. Gesualdi, 2012-04-13 The Italian American Experience A Collection of Writings represents a meaningful attempt to inform Italian Americans about their group s varied experiences in America This book unlike many works on the Italian American experience contains writings that explain why popular negative notions of Italian American life are inaccurate The Italian American Experience lists a number of organizations and journals specializing in Italian American culture and provides brief descriptions of many leading researchers in the field of Italian American studies This unique text also contains an annotated bibliography of key books that deal with the lives of Italians and Italian Americans This collection of eleven works offers readers an in depth view of Italian American culture and heritage **The Struggle for Development and Democracy** Alessandro Olsaretti, 2021-12-13 In The Struggle for Development and Democracy Alessandro Olsaretti argues that we need significantly new theories of

development and democracy to answer the problem posed by neoliberalism and the populist backlash namely uneven development and divisive politics This book proposes as a first step a truly multidisciplinary humanist social science to overcome the flaws of neoliberal economic theories and to recover a balanced approach to theories and policies alike that is especially needed in the wake of the 9 11 attacks These led to divisive culture wars which were compounded by the divisive populist politics This book begins to sketch such a humanist social science and applies it to answer one question who is responsible for neoliberalism and the populist backlash All royalties from sales of this volume will go to GiveWell org in honour of Alessandro Olsaretti s memory

Italians in Toronto John E. Zucchi,1990 Italians in Toronto provides an insightful account of how village and regional groups transplanted their communities into the city that is now one of the largest expatriate centres for Italians in the world The history of Italian migration to Canada is The American Midwest Andrew R. L. Cayton,Richard Sisson,Chris Zacher,2006-11-08 This first ever encyclopedia of the Midwest seeks to embrace this large and diverse area to give it voice and help define its distinctive character Organized by topic it encourages readers to reflect upon the region as a whole Each section moves from the general to the specific covering broad themes in longer introductory essays filling in the details in the shorter entries that follow There are portraits of each of the region s twelve states followed by entries on society and culture community and social life economy and technology and public life The book offers a wealth of information about the region s surprising ethnic diversity a vast array of foods languages styles religions and customs plus well informed essays on the region s history culture and values and conflicts A site of ideas and innovations reforms and revivals and social and physical extremes the Midwest emerges as a place of great complexity signal importance and continual fascination

National Geographic Traveler: New York Michael S. Durham,2009 Fold out maps printed on inside front and back covers *The Italian American Experience* Salvatore J. LaGumina, Frank J. Cavaoli, Salvatore Primeggia, Joseph A. Varacalli,2003-09-02 First Published in 2000 Routledge is an imprint of Taylor Francis an informa company Vite Italiane Susanna Iuliano,2010 MULTICULTURAL STUDIES AUSTRALIAN Vite Italiane documents the migration flow of Italian immigrants from the late 1800s to the present day This work integrates the history of the largest non English speaking migrant group in Western Australia into the mainstream historical record and in so doing shows how the Italian speaking community has become an integral part of Western Australias and indeed the nations social economic and cultural fabric

The Leamington Italian Community Walter Temelini,2019-07-18 The Leamington Italian Community intertwines personal and family stories with both empirical and intuitive writing to offer new historical insights into the complex social economic and psychological causes and effects of the migration phenomenon Walter Temelini meticulously reconstructs the history of immigration and settlement in Leamington Ontario of Italians from the southern regions of Lazio Molise and Sicily He explains how despite their regional differences three generations between 1925 and the 1990s forged a cohesive socially conscious and unique agricultural community by balancing their inherited values and their

newly adopted Canadian economic opportunities Temelini's groundbreaking research draws on testimonial and documentary evidence gathered from in depth interviews with hundreds of residents as well as on original archival information and Italian language histories translated by the author and previously unavailable to English speaking readers He concludes his study with an investigation into the award winning novel *Lives of the Saints* by Nino Ricci one of the community's most celebrated descendants Drawing parallels between Ricci's narrative and the development of the community Temelini demonstrates that ethnicity can be transformed successfully into a powerful universal archetype and a creative force of identity A pioneering and authoritative work *The Leamington Italian Community* creates an intimate portrait within a global framework delving into issues both timely and timeless that will interest and inform the general and specialized reader alike

Patriots and

Proletarians Carmela Patrias, 1994 Hungarian immigrants status as foreigners and their disadvantageous class position prevented them from gaining power in Canadian society forcing them to rely almost exclusively on ideologies and institutions within their own communities to better their situation Focusing on the social and cultural dimensions of immigrant politics Carmela Patrias places the Hungarian situation within the larger context of immigration history **Italy's Many Diasporas** Donna R. Gabaccia, 2013-10-18 Italy's residents are a migratory people Since 1800 well over 27 million left home but over half also returned home again As cosmopolitans exiles and workers of the world they transformed their homeland and many of the countries where they worked or settled abroad But did they form a diaspora Migrants maintained firm ties to native villages cities and families Few felt much loyalty to a larger nation of Italians Rather than form a nation unbound the transnational lives of Italy's migrants kept alive international regional cultures that challenged the hegemony of national states around the world This ambitious and theoretically innovative overview examines the social cultural and economic integration of Italian migrants It explores their complex yet distinctive identity and their relationship with their homeland taking a comprehensive approach **Cultural Heritage and Tourism** Dallen J. Timothy, 2020-12-03 Cultural heritage is one of the most important tourism resources in the world This book provides a comprehensive theoretical overview and applied knowledge of the issues practices current debates concepts and management concerns associated with cultural heritage based tourism The second edition has been updated to include timely and emerging topics such as geopolitics conflict solidarity tourism overtourism and climate change It also expands on important areas such as environmental change technology social media heritage economics Indigenous knowledge and co created experiences This edition includes up to date data statistics references case material figures and pedagogical tools It remains an important and accessible text for undergraduate and postgraduate students of cultural and heritage tourism cultural resource management and museum management
