memoirs of that great star of stage, screen and television Belle Poitrine, as told to P. Dennis [or rather, imaginary reminiscences written by him]. With photographs by Cris Alexander Patrick DENNIS (pseud. [i.e. Edmund Everett

Tanner.]),1962 **Broadway Musicals, 1943-2004** John Stewart,2012-11-22 On March 31 1943 the musical Oklahoma premiered and the modern era of the Broadway musical was born Since that time the theatres of Broadway have staged hundreds of musicals some more noteworthy than others but all in their own way a part of American theatre history With more than 750 entries this comprehensive reference work provides information on every musical produced on Broadway since Oklahoma s 1943 debut Each entry begins with a brief synopsis of the show followed by a three part history first the pre Broadway story of the show including out of town try outs and Broadway previews next the Broadway run itself with dates theatres and cast and crew including replacements chorus and understudies songs gossip and notes on reviews and awards and finally post Broadway information with a detailed list of later notable productions along with important reviews and awards **Strippers, Showgirls, and Sharks** Peter Filichia,2013-05-28 Wait Gypsy didn t win the Tony for Best

Musical That s a question that gets asked over and over again every time a new Rose takes to the runway in the Broadway classic Gypsy In Strippers Showgirls and Sharks the popular syndicated theatre critic Peter Filichia chronicles the history of the American musical by looking at those shows that did not win the Tony Award for Best Musical It happens every spring The American Theatre Wing bestows its annual awards Only those shows that have reached Broadway are nominated and while all Tony Awards are created equal in height width and depth the universally acknowledged biggest prize is the Best Musical Tony The envelope is opened The winner is announced and then the screeching begins Oh no They gave it to that Did the best musical always win the Best Musical prize Were there other factors that kept a more deserving show from copping the prize Peter Filichia answers all these questions and more in Strippers Showgirls and Sharks as he looks at many of the

153 previous Best Musical Nominees that didn't win the big prize. What were the biggest omissions? Gypsy had the distinct displeasure of not being either the first or second choice of the committee. In 1959 when Ethel Merman and a variety of strippers took the stage, the Tony for Best Musical was a tie between *The Sound of Music* and *Fiorello*. In 1971 Stephen Sondheim's *Follies* and its ghostly showgirls lost to a groovy re-tuning of *Two Gentlemen of Verona* that hasn't passed the test of time. And in 1957 *West Side Story*, its Jets and Sharks were bested by the fine people of River City, Iowa, singing their Americana hearts out in *The Music Man*. If you love Broadway, scratch your head on Tony Award night and still can't figure out how a show you loathed won the Tony for Best Musical, you will love riding through the years with Peter Filichia, one of America's most respected and popular theatre critics.

Memoir Ben Yagoda, 2009-11-12. From a critically acclaimed cultural and literary critic, a definitive history and analysis of the memoir. From Saint Augustine's *Confessions* to Augusten Burroughs's *Running with Scissors*, from Julius Caesar to Ulysses Grant, from Mark Twain to David Sedaris, the art of memoir has had a fascinating life and deserves its own biography. Cultural and literary critic Ben Yagoda traces the memoir from its birth in early Christian writings and Roman generals' journals all the way up to the banner year of 2007, which saw memoirs from and about dogs, rock stars, bad dads, good dads, alternadads, waitresses, George Foreman, Iranian women, and a slew of other illustrious persons and animals. In a time when memoir seems ubiquitous and is still highly controversial, Yagoda tackles the autobiography and memoir in all its forms and iterations. He discusses the fraudulent memoir and provides many examples from the past and addresses the ramifications and consequences of these books. Spanning decades and nations, styles and subjects, he analyzes the hallmark memoirs of the Western tradition: Rousseau, Ben Franklin, Henry Adams, Gertrude Stein, Edward Gibbon, among others. Yagoda also describes historical trends such as Native American captive memoirs, slave narratives, courtier dramas where one had to pay to NOT be included in a courtesan's memoir. Throughout, the idea of memory and truth, how we remember and how well we remember, lives is intimately explored. Yagoda's elegant examination of memoir is at once a history of literature and taste and an absorbing glimpse into what humans find interesting in one another.

Big Deal Kevin Winkler, 2018-02-08. Bob Fosse (1927-1987) is recognized as one of the most significant figures in post-World War II American musical theater. With his first Broadway musical, *The Pajama Game*, in 1954, the Fosse style was already fully developed, with its trademark hunched shoulders, turned-in stance, and stuttering staccato jazz movements. Fosse moved decisively into the role of director with *Redhead* in 1959 and was a key figure in the rise of the director-choreographer in the Broadway musical. He also became the only star director of musicals of his era, a group that included Jerome Robbins, Gower Champion, Michael Kidd, and Harold Prince, to equal his Broadway success in films. Following his unprecedented triple crown of show business awards in 1973 (an Oscar for *Cabaret*, Emmy for *Liza with a Z*, and Tony for *Pippin*), Fosse assumed complete control of virtually every element of his projects. But when at last he had achieved complete autonomy, his final efforts, the film *Star 80* and the musical *Big Deal* (written and directed by Fosse), were rejected by audiences and critics. A

fascinating look at the evolution of Fosse as choreographer and director Big Deal Bob Fosse and Dance in the American Musical considers Fosse's career in the context of changes in the Broadway musical theater over four decades It traces his early dance years and the importance of mentors George Abbott and Jerome Robbins on his work It examines how each of the important women in his adult life all dancers impacted his career and influenced his dance aesthetic Finally the book investigates how his evolution as both artist and individual mirrored the social and political climate of his era and allowed him to comfortably ride a wave of cultural changes
