Ghetto Religiosity II:

Ghetto Religiosity II Khalil Amani, 2001-08 The primary focus of this book is our religious understanding of sex It is the author's premise that the sexual attitudes of today were erroneously and maliciously set up by men whose ultimate aim was to control the sexual practices of the ancient Jews and the rights of women Most controversial is our present view of homosexuality and how the Bible has thoroughly misshaped our ideas about homosexual love The case is made that homosexuality is not a sin against God but rather a conspiracy conjured up by the machinations of the ancient Levitical priests It's high time someone came along with a voice that speaks the truth about our Western brainwashing without trying to proselytize to a particular brand of religion Someone that doesn't skirt the issues because of denominational ties I cannot be excommunicated defrocked or untenured Neither am I bound by the Masonic sword I speak freely Many preachers merely parrot the party line to keep their congregation in a religious coma extracting thousands and millions of dollars to feed their ostentatious lifestyle If you want to know the truth here it is Peep it and recognize The Author **Ghetto Religiosity 2000** Khalil Amani, 2000 Ghetto Religiosity 2000 is the first of a three part series It is the result of Mr Amani's many years of study and disillusionment with organized religion Often angry and filled with ebonics and gangsta language the author's quest is to reach those who have been removed from religion those of us who have seen the church and the preacher manipulate the laity for their own selfish filthy lucre If you're looking to read a watered down Jesus loves the world text this is not for you This book is a hardcore tellin' it like it is new jack diatribe on the errors of Judeo Christian Thought WHO SHALL MAKE IT PLAIN WHO SHALL TEACH THE YOUTH WHO SHALL SET THEM FREE Khalil Amani a religious gangsta Khalil Amani is a native of Miami Florida where he was baptized at the age of seven into the Baptist Church After high school Khalil was introduced to Black Nationalism fraternal brotherhood Freemasonry the Nation of Islam and the Five Percent Nation None of these held his attention until he was introduced to the Nation of Yahweh where he joined and quickly rose to the rank of Elder By age 23 Khalil headed the Temple of Yahweh in Newark New Jersey After five years and the realization that he was part of a murderous cult headed by a man claiming to be God he left the sect in search of his identity and the true meaning of religion Left spiritually devastated by this experience Khalil resorted to the street life where he indulged in every vice from selling drugs to becoming an exotic dancer to stick up man to womanizer Finally Khalil became the Unofficial Spokesman for ex members of the Yahweh cult and testified against the man he once called father For this he had to enter the Witness Protection Program This brotha has been through some sect At the University of Nebraska at Omaha he majored in Black Studies and Religion and graduated from San Diego Mesa College San Diego California with a degree in English **Ghetto Religiosity III** Khalil Amani, 2003-01-15 Khalil Amani has done it again With his third installment of the Ghetto Religiosity series Amani brings it home like fish grits He has done to religion what your mama does in the kitchen Put his foot all up in it Of great interest is Amani's critique and analysis of his former teacher Yahweh Ben Yahweh Amani cogently deconstructs

Yahweh theology with the precision of a neurosurgeon giving us a detailed account of Yahweh teachings which have been exposed as plagiarisms from the Nation of Islam among others Perhaps most controversial is Amani s scathing and blistering attack on 9 11 and our religious and secular perceptions ideas about why this tragedy occurred Amani takes exception to and rejects the pseudo religiosity of 9 11 In his usual hard core fashion Amani puts God s business on front street and asks the critical questions about God s whereabouts in our time of need This book is not for the faint of heart Truths Hurt **A**

The United States Holocaust Memorial Museum Encyclopedia of Camps and Ghettos, 1933-1945, Volume IV Geoffrey P. Megargee,Mel Hecker,2022-04-26 The United States Holocaust Memorial Museum Encyclopedia of Camps and Ghettos 1933 1945 Volume IV aims to provide as much basic information as possible about individual camps and other detention facilities Why were they established Who ran them What kinds of prisoners did they hold What kinds of work did the prisoners do and for whom What were the conditions like The entries detail the sources from which the authors drew their material so future scholars can expand upon the work Finally and perhaps most important this is a work of memorialization it preserves the histories of places where people suffered and died Volume IV examines an under researched segment of the larger Nazi incarceration system camps and other detention facilities under the direct

control of the German military the Wehrmacht These include prisoner of war POW camps including camps for enlisted men camps for officers camps for naval personnel and airmen and transit camps civilian internment and labor camps work camps for Tunisian Jews brothels in which women were forced to have sex with soldiers and prisons and penal camps for Wehrmacht personnel Most of these sites have not been described in detail in the existing historical literature and a substantial number of them have never been documented at all The volume also includes an introduction to the German prisoner of war camp system and its evolution introductions to each of the various types of camps operated by the Wehrmacht and entries devoted to each individual camp representing the most comprehensive documentation to date of the Wehrmacht camp system Within the entries the volume draws upon German military documents eyewitness and survivor testimony and postwar investigations to describe the experiences of prisoners of war and civilian prisoners held captive by the Wehrmacht Of particular note is the detailed documentation of the Wehrmacht's crimes against Soviet prisoners of war which have largely been neglected in the English language literature up to this point despite the fact that more than three million Soviet prisoners died in German captivity The volume also provides substantial coverage of the diverse range of conditions encountered by other Allied prisoners of war illustrating both the substantial privations faced by all prisoners of war and the stark contrast between the Germans treatment of Soviet prisoners and those of other nationalities The volume also details the significant involvement of the Wehrmacht in crimes against the civilian populations of occupied Europe and North Africa As a result this volume not only brings to light many detention sites whose existence has been little known but also advances the decades old process of dismantling the myth of the clean Wehrmacht according to which the German military had nothing to do with the Holocaust and the Nazi regime's other crimes

Religion, Ethnonationalism, and Antisemitism in the Era of the Two World Wars Kevin P. Spicer, Rebecca Carter-Chand, 2022-01-15 In the wake of the devastating First World War leaders of the victorious powers reconfigured the European continent resulting in new understandings of nation state and citizenship Religious identity symbols and practice became tools for politicians and church leaders alike to appropriate as instruments to define national belonging often to the detriment of those outside the faith tradition Religion Ethnonationalism and Antisemitism in the Era of the Two World Wars places the interaction between religion and ethnonationalism a particular articulation of nationalism based upon an imagined ethnic community at the centre of its analysis offering a new lens through which to analyze how nationalism ethnicity and race became markers of inclusion and exclusion Those who did not embrace the same ethnonationalist vision faced ostracization and persecution with Jews experiencing pervasive exclusion and violence as centuries of antisemitic Christian rhetoric intertwined with right wing nationalist extremism The thread of antisemitism as a manifestation of ethnonationalism is woven through each of the essays along with the ways in which individuals sought to critique religious ethnonationalism and the violence it inspired With case studies from the United States France Italy Germany Finland Croatia Ukraine and Romania Religion Ethnonationalism and

International Religious Freedom 2000, S. Prt. 106-61, November 2000 ,2001 Judenrat Isaiah Trunk,1996-01-01

During World War II more than five million Jews lived under Nazi rule in Eastern Europe In occupied Poland the Baltic countries Byelorussia and Ukraine they were stripped of property and resettled in ghettos The German authorities established in each ghetto a Jewish Council or Judenrat to maintain minimal living standards The Judenrat was required to carry out Nazi directives against other Jews to supply forced labor and eventually to cooperate in the Final Solution Did the Jewish leaders of the ghettos who were also victims assist their murderers If cooperation with the Nazi oppressors was morally defensible during the first stage in organizing the ghettos what about later when deportations to death camps began Trunk analyzes situations where the Councils and ghetto police were forced to send their own communities to death Some Council members chose suicide rather than supply lists to the Nazis others used delaying tactics Some handed over the lists Some joined their families in the gas chamber In assessing guilt and innocence Trunk never allows the reader to forget that the impossible choices facing the Jewish leaders were created by the Nazis Islam, Youth and Modernity in the Gambia
