Ghost Tower:

Ghost inside My Venter Jiu Mingyemao, 2019-12-13 A strange dream I woke up with a head full of sweat and then the unceasing mischief always feeling that there was a person standing behind me looking back to see nothing From time to time my stomach would give out either in a heart wrenching pain or it would suddenly swell up like a three to five month pregnant woman

The View from the Tower Theodore Ziolkowski, 2014-07-14 Immediately after World War I four major European and American poets and thinkers W B Yeats Robinson Jeffers R M Rilke and C G Jung moved into towers as their principal habitations Taking this striking coincidence as its starting point this book sets out to locate modern turriphilia in its cultural context and to explore the biographical circumstances that motivated the four writers to choose their unusual retreats From the ziggurats of ancient Mesopotamia to the ivory towers of the fin de si cle the author traces the emergence of a variety of symbolic associations with the proud towers of the past ranging from spirituality and intellect to sexuality and sequestration But in every case the tower served both literally and symbolically as a refuge from the urban modernism with whose values the four writers found themselves at odds While the classic modernists Eliot Woolf Hart Crane often singled out the broken tower as the image of a crumbling past these writers actualized their powerful visions Yeats and Rilke moved into medieval towers in Ireland and Switzerland while Jeffers and Jung built themselves towers at Carmel and Bollingen as secluded spaces in which to cultivate the traditions and values they cherished The last chapter traces this perseverance of the ancient image through its heyday in the twenties and into the present where it has undergone renewal institutionalization and parody Originally published in 1998 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905

The Columbia Anthology of Modern Chinese Drama Xiaomei Chen,2010-10-29 The first of its kind in English this anthology translates twenty two popular Chinese plays published between 1919 and 2000 accompanied by a critical introduction to the historical cultural and aesthetic evolution of twentieth century Chinese spoken drama Primarily comprising works from the People s Republic of China though including representative plays from Hong Kong and Taiwan this collection not only showcases the revolutionary rethinking of Chinese theater and performance that began in the late Qing dynasty It also highlights the formation of Chinese national and gender

identities during a period of tremendous social and political change along with the genesis of contemporary attitudes toward the West Early twentieth century Chinese drama embodies the uncertainty and anxiety brought on by modernism socialism political conflict and war After 1949 PRC theater painted a complex portrait of the rise of communism in China with the ideals of Chinese socialism juxtaposed against the sacrifices made for a new society The Cultural Revolution promoted a model theater cultivated from the achievements of earlier leftist spoken drama even though this theater arose from the destruction of old culture Post Mao drama addresses the socialist legacy and the attempts of a wounded nation to reexamine its cultural roots Taiwan s spoken drama synthesizes regional and foreign traditions and Hong Kong s spoken drama sparkles as a hybrid of Chinese and Western influences Immensely valuable for cross disciplinary comparative and performance study this anthology provides essential perspective on China s theatricality and representation of political life **The Building of the City Beautiful** Joaquin Miller,1917 *Historic Haunted America* Michael Norman,Beth Scott,2007-09-18 A coast to coast tour of places that eyewitnesses claim have been and may still be haunted from the former Peoria State Hospital in Illinois to San Diego s historic Whaley House Museum **Dayton Ghosts & Legends** Sara K.
