Rogers,2025-12-31 Alina Hopkins Just your average teenaged witch hunter here I promise well okay sort of average I mean yeah so what my great great great grandfather Mathew Hopkins was The Witch Finder General who hunted down nearly 200 witches Who cares that he built the top ranked school in the United States for hunters known as The Black Sun Academy It

doesn't matter that I'm top rank of my fellow hunter cadets or even that I'm female. All that matters is that in a few weeks I turn 18 and in a few months time I'll graduate and be able to put my talents to good use by eradicating the evil that plagues this world: witches. That's all that should matter. Then HE walks in to shadow our current combat instructor so he can take over the following year to teach Dominic Salvino, a living breathing dark haired blue eyed God. And flips my world upside down. Dominic Salvino, I've finally been given my first mission within the Silver Heart Coven. My assignment is to infiltrate The Black Sun Academy. Posing as a new combat instructor I will locate The One, our savior, the one who will put an end to witches being hunted. Narrowing the prospective students down to a small few I find myself drawn to one in particular, Alina Hopkins. Now however I have to figure out why there's such a strong pull towards her. I begin to question an old myth amongst the witches about soul mates because I think she's mine.

Rockland County Scrapbook Linda Zimmermann, 2004-05. The author of *Rockland County: A Century of History 1900-2000* now takes a fascinating look at 300 years of Rockland County New York history with an emphasis on American Indians, Dutch settlers, the Revolutionary War and the dramatic changes in the nineteenth century that shaped the present county. Written in a lively style and illustrated with many original photographs.

The Goffle Road Murders of Passaic County Don Everett Smith Jr., 2018-01-15. A fascinating trip back to a pastoral New Jersey where malls, gangsters and toxic waste did not exist and violence still shocked the public. Robert Schneck, author of *The Bye Bye Man* and other strange but true tales. On January 9, 1850, Judge John Van Winkle and his wife Jane were brutally stabbed to death by their former farm hand John Jonston in their home on Goffle Road in Hawthorne, NJ, which is still standing. Their murder would go down in history as the first in Passaic County and Jonston's subsequent hanging would become the first execution in the county. The events surrounding the murder would go on to inspire the work of New Jersey's greatest poet, Pulitzer Prize winner William Carlos Williams. Since the Van Winkle home was described in *The New York Times* in 1882 as the abode of unearthly visitants, there have been documented occurrences of the unexplained occurring. The current owner, Henry Tuttleman, is working to bring the house into the 21st century while retaining its heritage. Those who love their history with a side dish of horror and a dash of macabre will not want to miss the offerings of Don Smith.

Linda Godfrey, author of *I Know What I Saw*, reads like your favorite thriller, only it's more frightening because it's fact. Margie Gelbwasser, author of *Inconvenient*, Don Everett Smith Jr. uncovers the true story behind the Goffle Road murders and the unusual connections with United States Vice President Garrett Hobart.

Falcon's Bend Case Files, Volume III Karen Wiesner, Chris Spindler, 2018-07-09. The third collection of Falcon's Bend Detectives Pete Shasta and Danny Vincent's cases with Patrol Officer Amber Carfi, including First Sight Patrol Officer Amber Carfi and her partner on and off the Falcon's Bend Police Department. Warren Jensen is facing some major life changes. They eloped a month ago and Amber's not keen

on telling her father why she'd deprived him of being present for the event namely that she was tired of the heated nuptials competition with her father's bride to be Cora. Additionally following an on the job injury that's left him unable to do his work properly Warren is retiring early from the force. On this his last day on the job Amber and Warren are called to the Falcon's Bend High School Sloane Olinney and high school math teacher Chad Martin are two of the unfortunate hostages of a troubled violently dangerous student JZ who blames Sloane for his girlfriend Laura breaking up with him. Sloane's daughter Laura is the picture of popularity good grades and a cheerleader. She'd been tutoring JZ this school year and flirting with him not realizing how much he's fallen in love with her until it's too late. Laura uses her mother as a convenient excuse to end any potential romance when JZ tells her how he feels. But a furiously angry JZ won't let it end at that not when he discovers that Mr Martin has asked Sloane to speak at their Careers class. Sloane has been blind since birth but she hasn't let her disability slow her down. She's an inspiration to those around her. Still the one mistake she believes she'd made was falling in love with the wrong person. While Laura came out of that ill advised union and her daughter has been the best kind of blessing she doesn't believe in love at first sight certainly not the ungrounded type. JZ is convinced he holds for her daughter. Nevertheless when Sloane hears Chad's voice as he talks her down and helps her through their precarious situation she wonders if love at first sound is possible and whether they'll make it out alive to find out for sure. Identity. With his own adopted young son to guide him Falcon's Bend Police Department Investigator Pete Shasta has been working on a relationship with both of his parents after their traumatizing divorce during his childhood. They're closer than ever before when his father is diagnosed with end stage cancer. Pete and his brother Jordan know for sure that their younger sister Crystal whom they'd all lost touch with years ago should be here with them. When Pete's own investigation into her whereabouts comes up empty they hire a private detective to find her. Unfortunately by the time she's located it's too late. Their father is gone leaving an immense inheritance for all of them to share. But their sister is no longer the girl any of them remember. Proving the hard lessons Pete's been learning of late that a person's identity changes as they get older and priorities shift for better or worse. But is his sister's homecoming too little too late in more ways than one. Cupid's Romance. Falcon's Bend Police Department Investigator Danny Vincent is always wary when his partner Pete leaves town for any reason. In the past he's gotten some of the strangest cases when he's on his own and after Pete and Lisa take leave to receive the newborn baby they're adopting. Danny and his temporary partner Patrol Officer Amber Carfi get a doozy. Dispatch takes a call from a separated and on the verge of divorce newlywed complaining of a stalker and Danny's bad premonition gets worse. Rye Iverson doesn't know the person following him watching his house sending him strange little notes signed Cupid that insist in no uncertain terms that the Iversons continue the happily ever after brought about by the winged messenger of love with its Golden Arrow. Does Rye Iverson know much more than he's divulging. Out of Mind. Out of sight is not out of mind for Falcon's Bend Patrol Officer Amber Carfi whose long time partner and new husband has retired and she's not sure what to make of his replacement Fergie Giles. She knows

the chief was pressured into hiring a woman and she can't see any other reason why the defensive closed book Fergie would have been hired until they get a case of a woman who insists she's being pursued by her childhood kidnapper Hailing from Minnesota Molly Keane is found hiding on a farm in rural Falcon's Bend and is admitted to the hospital Though the woman insists she's running from the same kidnapper who tried to take her as a child and her journal gives a vague description of the person in question Amber and Fergie can't find hide nor hair of the perpetrator The woman's father tells them this event is fabricated in Molly's very confused head Since she was five years old and fell down a steep case of stairs hitting her head and causing a violent concussion she's suffered from anterograde amnesia and her brain can't form any new memories for longer than 24 hours The only thing she seems to remember is a kidnapping that never took place Just as abruptly as she'd been discovered hiding Molly disappears again Amber and her new partner who suddenly has a lot to say begin to piece together the fifteen year old tragedy of a child who may never escape her trauma Lonely Hearts Lisa wife of FBPD investigator Pete Shasta is trying her hardest to avoid mystery in her very full busy life But when her sister in law confides her worries about her sister Shelley Wilson who's had nothing but bad luck with men and has all but abandoned her daughter Lisa also becomes worried and then downright concerned about Shelley's involvement in a lonely hearts support group where she falls in love with a man accused of fraud and murder Is Shelley again a victim or an accessory to organized crime Assassin FBPD investigators Pete Shasta and Danny Vincent have prayed mightily to have seen the last of FBI Special Agent in Charge Robert Lock But when he shows up in Falcon's Bend at Christmastime they find themselves involved whether they like it or not A pseudo Christian doomsday cult believes that the World Wide Web is evil They've set up multiple cells around the world focused on bringing down the internet beast According to Robert their ringleader is the most unlikely terrorist in the world a mouse of a man who actually runs his own successful internet business in Falcon's Bend Robert is determined to destroy the cult from the inside out to protect his wife Azure the daughter of the FBI's Associate Deputy Director who's not only involved in the cult but has been sent to prove her loyalty to them by killing him

A Brief Guide to Ghost Hunting Leo Ruickbie, 2013-08-15 There has been an upsurge in books television programmes films and websites exploring the reality or otherwise of the spirit world Not since the founding of The Ghost Club in 1862 and the Society for Psychical Research in 1882 has ghost hunting been so popular Television and the internet in particular have fueled this new level of interest creating a modern media phenomenon that spans the globe But while the demand for information is high good information remains scarce A Brief Guide to Ghost Hunting leads us through the process of ghost hunting from initially weighing the first report to choosing equipment and investigating and identifying the phenomena with an analysis of the best places to go looking methods of contacting the spirit world how to explain paranormal activity and

crucially how to survive the encounter However it is also a book about ghost hunting itself drawing on 130 years of research in the cavernous archives of the Society for Psychical Research and even older history to find the earliest ghost stories A Ghost Hunting Survey makes use of interviews with those billing themselves as ghost hunters to find out their views motivations and experiences New and original research makes use of statistics to map the nebulous world of apparitions while a Preliminary Survey of Hauntings offers an analysis of 923 reported phenomena from 263 locations across the UK This is as far as possible an objective presentation of ghosts and ghost hunting It is no wonder that mainstream science largely refuses to deal with the subject it is too complicated Without trying to convince you of any viewpoint this book is intended to help you understand more
