Ghost Story Cassette:

On Cassette ,1991 **The Storytellers' Journey** Joseph Daniel Sobol,1999 This is the seed of The Storytellers Journey Joseph Daniel Sobol s history of the past thirty years of American storytelling In this compelling examination of the contemporary search for myth Sobol explores the social and psychological roots of the storytelling revival and the ever resurgent power of the storyteller Drawing on interviews with dozens of storytellers around the country Sobol paints the revival as part of a larger process of cultural revitalization He traces the growth of the preeminent revival organization the National Association for the Preservation and Perpetuation of Storytelling NAPPS and details the individual passions the organizational politics and the economic social and mythic forces that have combined to transform a ragtag assemblage of enthusiasts into a national and international network of arts professionals A seemingly chance encounter between a restlessly ambitious high school teacher and a coonhunting tale on the car radio sets off a chain of inspirations that changes the face of a small southern town touches lives across America and revitalizes a homely but treasured art form **Scary Story Reader** ,1994 A collection of scary urban legends and other modern day horror tales preserved by oral tradition including Hook arm The Call from the Downstairs Phone and Give Me Back My Guts *Words on Cassette* ,1999 **Words on Cassette, 1999** Bowker Editorial Staff,Staff Bowker R R,Bowker,1999-02 **The Witch Tape** Stories From The Attic,2020-12-03 Like most bad ideas the whole thing had actually started as a joke A flippant remark that should really have been swatted away like a persistent fly or left to dissolve into memory like an indistinct blur of the day s other conversations I should have been but it wasn t Instead the joke became an idea an idea that grew into a suggestion and before I knew it was gathering mass like a snowball rolling downhill picking up both speed and size the further it was pushed Within minutes the joke had grown and mutated into a full blown plan of action for which arrangements were already being made Once the ball gets rolling like that it s always hard to stop Bad ideas have a momentum of their own Morefield was a quiet town filled unfortunately with not so quiet people The primary forms of entertainment in this tiny rural backwater being either to gossip about other people s intrigues and indiscretions or actively participate in them yourself for the future discussion of others As a trio Adrien Dion and I had long ago decided to opt out of Tales of the Supernatural ,1995 Killer Tapes and Shattered Screens Caetlin Benson-Allott,2013-03-22 Since the mid 1980s US audiences have watched the majority of movies they see on a video platform be it VHS DVD Blu ray Video On Demand or streaming media Annual video revenues have exceeded box office returns for over twenty five years In short video has become the structuring discourse of US movie culture Killer Tapes and Shattered Screens examines how prerecorded video reframes the premises and promises of motion picture spectatorship But instead of offering a history of video technology or reception Caetlin Benson Allott analyzes how the movies themselves understand and represent the symbiosis of platform and spectator Through case studies and close readings that blend industry history with apparatus theory psychoanalysis with platform studies and production history with

postmodern philosophy Killer Tapes and Shattered Screens unearths a genealogy of post cinematic spectatorship in horror movies thrillers and other exploitation genres From Night of the Living Dead 1968 through Paranormal Activity 2009 these movies pursue their spectator from one platform to another adapting to suit new exhibition norms and cultural concerns in the evolution of the video subject *The Storyteller's Guide* William Mooney,1996 Guide to becoming a better storyteller with advice from more than fifty of America s best known storytellers who answer questions about such issues as creating original stories controlling stage fright marketing and setting fees and using storytelling in the library and classroom **450**
