Ghosts along the Mississippi River Alan Brown, 2011-09-01 Some of the nation's most compelling ghost stories owe their origin to *The Father of Waters* *Ghosts along the Mississippi River* is the first book length collection of ghost tales from the small towns and bustling cities that have grown up along its banks The states represented in this book include Arkansas Illinois Iowa Louisiana Minnesota Mississippi Missouri Tennessee and Wisconsin Unlike most collections of true ghost stories *Ghosts along the Mississippi River* draws from the folk traditions of the northern and the southern United States These tales are populated with Federal and Confederate soldiers Native Americans wealthy entrepreneurs actors college students hotel owners preachers slaves and planters According to some paranormal investigators the large number of ghost stories from the Mississippi's river towns and from watery sites all over the world are proof that large bodies of water are conductors of psychic energy Granted no concrete proof exists that there is a definite connection between the river and any actual ghosts or spiritual phenomena What is indisputable though is the fact that the ghost stories included in *Ghosts along the Mississippi River* are an invaluable record of the values dreams fears and lives of the people who have called the river home

The Music of Peter Maxwell Davies Nicholas Jones, Richard McGregor, 2020 Peter Maxwell Davies 1934-2016 was one of the leading international composers of the post war period as well as one of the most productive This book provides a global view of his music integrating a number of resonant themes in the composer's work while covering a representative cross section of his vast output his work list encompasses nearly 550 compositions in every established genre Each chapter focuses on specific major works and offers general discussion of other selected works connected to the main themes These themes include compositional technique and process genre form and architecture tonality and texture allusion quotation and musical critique and place and landscape Throughout the book contends that Davies's works are not created in a vacuum but are intimately connected to and are a reflection of the past

This deep engagement occurs on a number of levels fluctuating and interacting with the composer's own predominantly modernist idiom and evoking a chain of historical resonances. Making sustained reference to Davies's own words, articles and programme notes as well as privileged access to primary source material from his estate, the book illuminates the composer's practices and approaches while shaping a discourse around his music.

Gogol's Ghost Peter Konecny, 2002-08-05 What really happened to Russia following the collapse of the USSR. This book tries to provide some answers by examining aspects of life in St Petersburg, Russia's second largest city in the early years of Russia's transformation from a Communist state to a democracy. Rather than offering an account of the political changes that occurred after December 1991, the author uniquely sketches the personal and social dimensions of the lower depths of a revolution that produced sweeping changes to the lives of average Russians. Written in an accessible style from the perspective of a historian who lived in St Petersburg in 1991-92 and subsequent periods, the book brings to life a number of fascinating changes that took place to the state and society. Essays describe changes to the consumer culture and the new landscape of capitalism in St Petersburg, cultural currents in the city, changing behaviour in public places and the strains placed on the average Petersburgers: the lingering tension between old bureaucratic ways and new rules and regulations, and a snapshot of some faces of the younger generation and the ways in which they coped with their new lives.

Zoltan Kodaly's World of Music Anna Dalos, 2020-09-08 Hungarian composer and musician Zoltan Kodaly (1882-1967) is best known for his pedagogical system, the Kodaly Method, which has been influential in the development of music education around the world. Author Anna Dalos considers for the first time in publication Kodaly's career beyond the classroom and provides a comprehensive assessment of his works as a composer. A noted collector of Hungarian folk music, Kodaly adapted traditional heritage musics in his own compositions, greatly influencing the work of his contemporary Béla Bartók. Highlighting Kodaly's major music experiences, Dalos shows how his musical works were also inspired by Brahms, Wagner, Debussy, Palestrina and Bach. Set against the backdrop of various oppressive regimes of twentieth-century Europe, this study of Kodaly's career also explores decisive extramusical impulses such as his bitter experiences of World War I, Kodaly's reception of classical antiquity and his interpretation of the male and female roles in his music. Written by the leading Kodaly expert, this impressive work of historical and musical insight provides a timely and much-needed English language treatment of the twentieth century.

composer The Spooky Ghost School AQEEL AHMED,2023-09-20 The charming children s book Sammy the Friendly Ghost and the Spooky Ghost School takes place in Whispering Pines where a nice ghost named Sammy lives Sammy is a nice person who likes to meet new people and spread happiness among the living One day he hears older ghosts talking about a strange place called the Spooky Ghost School which attracts his attention Sammy s eagerness to learn takes him on an incredible trip to the Spooky Ghost School When he gets there he is met by a big scary mansion made of moonlight that is see through Inside he finds a world where ghosts go to school and meets other ghosts of different sizes and shapes who are also getting better at being ghosts One of these new friends is Bella a friendly ghost who greets Sammy and shows him around the school Sammy says he wants to learn how to scare people so Bella tells him that the Spooky Ghost School is the best place for him to do that Sammy starts his training under Bella s watch and he quickly learns how to float through walls make things move and make scary noises The other ghosts are gentle and supportive which helps Sammy get better at what he does Sammy s favorite thing about school is making spirit friends like Casper Lily and Timmy who all have their own skills and traits One night Bella thinks it would be fun to have a contest to see who can scare the living the most Sammy decides that instead of making the living afraid of him he will surprise and amuse them Sammy s touching act during the competition in which he surprised a little girl with a bouquet of ghostly moonlight flowers steals the show His performance makes the judges feel good and reinforces their belief that kindness and hope are the most amazing ghostly illusions Sammy s win is a turning point for the Spooky Ghost School It shows how important kind acts and spooky unity are Sammy s friendly personality keeps drawing in the live people of Whispering Pines making him the friendliest ghost in town He goes back to the Spooky Ghost School often to share his special skills and bring happiness to both the living and the dead Sammy s story tells us that even though the world is full of ghosts and scary things kindness and friendship are the best and most lasting magic of all His memory lives on in the minds of everyone who knew him and brings love laughter and eternal joy to Whispering Pines Here s how the story starts Everyone knew that Sammy was a nice and helpful ghost who lived in Whispering Pines a beautiful town that seemed to be stuck in twilight forever Sammy wasn t like any other ghost To say he was unique would be an insult His ghostly nature gave off a nice feeling which made him a respected figure among the people who lived in Whispering Pines Sammy s ethereal life was focused on one positive goal linking with the living and bringing happiness to them like stardust Every night when there was a full moon he would come out of the ethereal world his translucent body shining with an extraordinary light that made the night s chill seem like nothing Sammy s eyes sparkled with mischief and his constant grin was both peaceful and mysterious On one of these lovely nights as Sammy slid easily through Whispering Pines fate told him something interesting He heard older more experienced ghosts meeting in secret while he was floating near the shady eaves of an old oak tree Their voices sounded like they were coming from a long time ago because of how old and worn they sounded Their ghostly figures moved softly and the spiritual light that surrounded them danced to the beat of their stories

Their talk which was full of ghostly secrets was mostly about a place that made Sammy's spine shiver the famous Spooky Ghost School. Even just mentioning this mysterious place seemed to bring up an uneasy feeling that hung in the air like a spell. Sammy was mesmerized as the older ghosts told stories and whispered secrets about the cool school. It was said to be a place where ghosts and other magical things got together to work on their skills and figure out how to do their jobs. Sammy's spirit heart was both scared and excited about what was going to happen. How old are the walls of this Spooky Ghost School? What tales do they hold? What secrets and wonders did it hold for those who were brave enough to walk through its ghostly gates? As Sammy listened to every whispered word and story about the Spooky Ghost School, he felt a strong pull toward this land he had never seen. His never-ending spirit of adventure made him want to know more and more. This made his interest shine brighter than the moon, which was the only light on his path. He knew with all of his soul that he had to start on this wonderful journey. Sammy's life as a friendly ghost has always been marked by his never-ending thirst for knowledge and his never-ending need for company. It looked like fate had added a new thread to the fabric of his ghostly life, leading him into the unknown. Sammy's trip to the Spooky Ghost School started under the watchful eyes of the moon and the bright stars. He didn't know that this way would lead him to a world beyond the veil of the living, where scary secrets and ghostly wonders awaited him. Every night, Sammy's transparent body floated closer to the school's huge gates. He could feel the tendrils of fate wrapping around him and tying him to the strange place that held the key to the world's haunting secrets. Sammy asked himself, "The Spooky Ghost School." His ghostly voice was hard to hear over the rustling of the stars. His ghostly form floated in the stillness of the night, bathed in the pale silvery light of the moon that ran through the canopy of Whispering Pines, whispering trees. As he thought about the mysterious word, a strange light danced in his ghostly eyes like two circles of moonlight. His airy hand could only touch the threads of interest that entangled his own existence, but he reached out as if to touch the idea that had formed in the night air. It was a name that was wrapped in mystery, a riddle that called with a strong pull. Sammy had a golden heart and was known for being very curious and always wanting to make friends with living people. He'd spent a lot of starry nights making people in Whispering Pines happy, his happy personality a bright spot in the town's creepy darkness. Still, just the thought of the Spooky Ghost School made him more interested than even his constant ghostly grin. Sammy couldn't help but wonder what secrets were behind the big gates of the Spooky Ghost School as he floated there, listening to the crickets and the wind. In its abstract form, the name made him think of a cold but exciting feeling like the touch of cold air on a winter night. What was this place and how come he had never heard of it? Thoughts like ghostly wraiths flew through his phantom mind, and the more he thought about it, the greater the pull toward the unknown became. It was a pull on his spirit existence that made him want to go into parts of the otherworldly he hadn't seen yet. Sammy made a secret promise to himself at that moment, a promise that would lead him on an amazing trip into the heart of the Spooky Ghost School. He had no idea that this choice would lead him on an adventure that would show him not only the secrets of the ghost business.

but also how good he was at being a ghost himself The Spooky Ghost School was waiting for him shrouded in mystery and steeped in magic While the moon continued to watch over Whispering Pines from the sky Sammy's ghostly form began its trip into the unknown led by whispers of the mysterious school's name The Spooky Ghost School was a place with a lot of history and mystery It was hidden somewhere in the ethereal areas beyond the living world Few ghosts knew it existed and even the most experienced ghosts shivered when they heard its name whispered The school's history had been lost to time and its beauty was covered by layers of phantom magic The school was a large impressive mansion made of moonlight and starlight It was in a spectral dimension that linked to the mortal realm Its design was a strange mix of Gothic towers and Victorian elegance and the walls sparkled like mist The huge gates were made of airy iron and the beautiful writing on them seemed to move and change with every ghostly breeze
