Dennis Waskul, 2016-06-10 Dennis Waskul writes these lines about his first hand experience with the supernatural in the introduction to his beguiling book *Ghostly Encounters* Based on two years of fieldwork and interviews with 71 midwestern Americans the Waskul's book is a reflexive ethnography that examines how people experience ghosts and hauntings in everyday life The authors explore how uncanny happenings become ghosts and

the reasons people struggle with or against a will to believe They present the variety and character of hauntings and ghostly encounters outcomes of people telling haunted legends and the nested consequences of ghostly experiences Through these stories Ghostly Encounters seeks to understand the persistence of uncanny experiences and beliefs in ghosts in an age of reason science education and technology as well as how those beliefs and experiences

**Ghostly Encounters** Reginald P. Glidden, Jr.,2004-03-01 Mindless Selling is not another book filled with sales methodologies moves objection handling techniques or one liners If that s what you want from a sales book they are in plentiful supply easy to locate and they are all quite wonderful The problem with all of the books that are filled with techniques is that if we take a salesperson who is failing and have them read a book the only thing that would have changed is the salesperson s vocabulary Same salesperson new words still failing Mindless Selling looks at many of the reasons that techniques old and new alike don t change results This book looks at the powerful hidden weaknesses that get in the way that cause paralysis Mindless Selling explains why salespeople already know what to do and say but are often unable to execute what they know Through stories and case histories the reader will learn exactly what differentiates a sales stud from a sales dud Not techniques Hidden Weaknesses And the reader will learn how with specific instructions exercises and additional reading material how to overcome them once and for all

Ghostly Encounters Conrad Bauer,2018-08-10 Have an interest for the paranormal Ghosts and haunted houses This collection of true cases of ghostly encounters and paranormal activities will surprise you Whether they re actually real or not ghosts have been a part of our lives for as long as humanity has existed and they are unlikely to stop being so anytime soon We are always intrigued by these phenomena and can t help but explore to try to learn more about them This book will help you with exactly that as it has many cases of ghost encounters explained in high detail and with as little bias as possible Have you ever woken up from a deep sleep and thought that you saw or heard something unusual in the middle of the night Have you ever had a strange impression that someone was watching you These are frightening experiences by their very nature but for most of us these fleeting glimpses of extrasensory unease quickly subside For others however well let s just say that their experience goes a little bit further In this book we chronicle the stories of individuals who claim to have encountered more than their fair share of ghostly activities We are not supporting or advocating any of the views theories or suggestions presented in this ghost anthology we are simply presenting these alleged ghostly encounters as it s claimed they happened on a case by case basis so that you can be the judge of their veracity Some of the cases you ll find in this book are Places and even people being haunted Frightening visions Ghostly roommates A mysterious cult And many more Scroll back up and order your copy today
